Passive-Aggression, Revised Edition Tim Murphy, Loriann Oberlin, 2016-10-25 In *Overcoming Passive Aggression* Dr Tim Murphy and Loriann Hoff Oberlin provide an in depth look at a topic we've all faced but haven't always recognized Hidden anger When people don't express their views and feel compelled to conceal their true beliefs and emotions behaving in ways that don't match what they honestly think there can be serious physical and psychological results for everyone involved For the first time Murphy and Oberlin offer a clear definition of passive aggression and show readers not only how to end the

behavior but also how to avoid falling victim to other people's hidden anger. In clear, compassionate language they cover everything from the childhood origins of the condition to the devastating effect it has on work and personal relationships to the latest research on the subject and offer practical, proven strategies for the angry person as well as the individual who finds himself the target of someone else's passive aggression.

The Academic Portfolio Peter Seldin, J. Elizabeth Miller, 2010-12-28 This comprehensive book focuses squarely on academic portfolios which may prove to be the most innovative and promising faculty evaluation and development technique in years. The authors identify key issues, red flag warnings and benchmarks for success describing the what, why and how of developing academic portfolios. The book includes an extensively tested step by step approach to creating portfolios and lists 21 possible portfolio items covering teaching, research, scholarship and service from which faculty can choose the ones most relevant to them. The thrust of this book is unique. It provides time tested strategies and proven advice for getting started with portfolios. It includes a research based rubric grounded in input from 200 faculty members and department chairs from across disciplines and institutions. It examines specific guiding questions to consider when preparing every subsection of the portfolio. It presents 18 portfolio models from 16 different academic disciplines. Designed for faculty members, department chairs, deans and members of promotion and tenure committees, all of whom are essential partners in developing successful academic portfolio programs, the book will also be useful to graduate students, especially those planning careers as faculty members.

Parenting After Divorce Philip Stahl, 2007 Your divorce doesn't have to damage your children. Stahl assures, especially if you limit your children's exposure to your conflicts. He knows parents are not perfect and he uses that knowledge to show imperfect parents how to settle their differences in the best interests of the children. This revised and updated second edition features ideas from the latest research, more information on long distance parenting, dealing with the courts and working with a difficult co parent. A realistic perspective on divorce and its effects on children. *Parenting After Divorce* features knowledgeable advice from an expert custody evaluator. Packed with real world examples, this book avoids idealistic assumptions and offers practical help for divorcing parents, custody evaluators, family court counselors, marriage and family therapists and others interested in the best interests of the children.

This guide shows how to overcome destructive impulses and nurture loving and rational qualities Love, as if never been hurt. Grace JU, What is the most powerful power that moves life It is love Loving is truly beautiful Love is a ray of light that brightens a dark heart Love revives a withered soul Love is fragrant love is sweet Love is invisible but can be seen love is silent but can be felt When we love everything is born anew When we love life becomes worth living When we love our hearts become warm When we love our will to live surges and when we are loved we feel as if the whole world exists for us Love is like a rippling sea and love is also like a calm lake Love is like a blazing fire and love is like a warm breeze that seeps in Also when we are loved we discover the value of our own existence We not only discover the reason for our existence but also the reason to live That is why so many people sing about love and live because of love In the movie a girl named Amy who lost her mother in a car accident comes to live in a mountain village in Canada with her father who has been separated for a long time Unsatisfied with everything the girl happens to find a wild goose egg in the forest and hatches it with an electric light Then she sleeps with the baby geese and raises them with all her heart The geese follow her like their mother and imitate her every action The girl is very happy raising the geese However she has not yet opened her heart to her father In the meantime the girl had to learn light aircraft skills from her father in order to make the geese fly However during flight training she crashes and ends up in the forest At the moment of absolute crisis the father runs to his daughter hugs her and confesses his love in a desperate manner Amy I love you With the power of her father s love the girl attempts to fly again and finally safely guides the geese to the safety of the southern swamp The beautiful flight that overcomes crisis is made possible by the power of love Life s emergency is also a moment of crisis In this way at the moment of life s recovery a more powerful energy namely love is needed more than ever The most dangerous time in life is when you lose your motivation Losing your motivation means losing your passion in your heart It means that the fire burning in your heart is going out Where does motivation come from It comes from love Life is born civilization is born and great tasks are accomplished because of love In this way life is moved by love and burned by love Whether that love is directed to the Lord to children or to husbands and wives love is a great force that sustains us Even the elderly gain the strength to live their lives from love These days there are many elderly people in their 60s or 70s who remarry and live as if they were young Abraham was like that Abraham who lived like a lovebird couple with Sarah all his life remarried a woman named Keturah and had more than six children after Sarah died even though he was over 100 years old Gen 25 1 2 Of course there are many people who live their whole lives alone maintaining their chastity like geese However no matter what living means loving Even the Bible tells us this Enjoy life with the wife you love all the days of your vain life which God has given you under the sun because this is your portion in life and in your toil under the sun Ecclesiastes 9 9 Solomon who wrote the Book of Ecclesiastes was a king who enjoyed all the riches and honors The conclusion he reached was that living happily with your wife in this vain world is the blessed way The secret to joy is loving each other True happiness and joy arise where there is mutual love I pray that the grace to restore

such precious love even through a difficult journey will come In addition our love should not simply end as human love but should be beautifully sublimated into a life offered to God Jesus burned his life for us and loved us I hope that we too will spend the rest of our lives in passionate love with the Lord and offer them for the gospel In addition if there are souls who have lost hope because of the pain and failure caused by people I bless them that their lives will be more enjoyable because of their love for the Lord
