Created For Community Connecting Christian Belief With Christian Living:

Created for Community Stanley J. Grenz, 1998-08 Makes theology accessible to a wider audience introducing readers to the core doctrines of the Christian faith and encouraging them to connect belief with everyday life

Created for Community Stanley J. Grenz, Jay T. Smith, 2015-01-13 This revised edition of a classic college level introduction to theology presents the core doctrines of the Christian faith encouraging readers to connect belief with everyday life Stanley Grenz one of the leading evangelical scholars of his era and Jay Smith an expert on Grenz's theological legacy construct a helpful theology that is biblical historical and contemporary The third edition includes a foreword by John Franke a new preface and afterword resources for further study and updated footnotes The book's easy to use format includes end of chapter discussion questions and connects theological concepts with current cultural examples

Created for Community Stanley J. Grenz, 1996 With a passion for communicating to today's postmodern generation Grenz uses the resources of the biblical message the heritage of the church and the thought forms of our culture as tools to construct a helpful theology that is biblical historical and contemporary With the goal of offering a systematic statement of the faith in a manner that can speak to contemporary culture he centers his reflections around the concept of community This focus encapsulates the biblical message stands at the heart of the church's theological heritage and speaks to the needs of people in today's world Features illustrations and sidebars November 98 publication date Copyright Libri GmbH All rights reserved

Worship Beyond Nationalism Rob Hewell, 2012-02-01 The church in the United States faces a dilemma How is it possible for Christ's followers to worship faithfully in a nationalistic environment where religion and politics enjoy a vigorous affiliation while the separation of church and state is celebrated as the standard for the relationship between nation and faith When nationalism propagates itself through a cross pollination of the stories symbols and celebrations of the nation state and religious groups the stage is set for a national history bearing the character of sanctified legend Such resulting civil religious activity is likely to create dissonance for Christ's followers between what they understand to be biblically faithful and what nationalistic practices may endorse as religiously valid

Worship Beyond Nationalism explores faithful worship as a political act by which Christians declare their allegiance to God in Christ rather than to worldly empires enabling congregations to enact the reality of God's kingdom and embody the gospel for the glory of God and for the sake of the world

The Pedagogy of Shalom HeeKap Lee, Paul Kaak, 2016-11-25 Based on the teachings of Jesus and a biblical foundation this book presents a new framework for education and teaching referred to as the shalom education model that addresses four essential questions in education why teach what to teach how to teach and who are teachers After explaining the theoretical background of shalom the book investigates a range of contemporary educational issues including gender identity bullying disability linguistic and cultural diversity and social justice and presents practical guidelines that can be applied to classroom teaching The book also emphasizes the role of teachers as missional leaders who help students unlock their full potential

Gospel Portraits K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges Because Scripture is revered as God's word this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel Gospel Portraits addresses the intersection of mission and hermeneutics for churches within their local contexts Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God this book proposes that churches should read the Bible as a Christ centered and kingdom oriented narrative This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts Discerning what a contextual embodiment of the gospel involves churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context In doing so churches live as Christ formed and Spirit led communities portraying the gospel

The Community of the Weak Hans-Peter Geiser, 2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story

The Crisis of Conversion J. August Higgins, 2024-06-25 This book attempts to identify a central problem within the North American evangelical imagination around the issue of religious experience and its relationship to the basic hermeneutical stance of biblical and theological interpretation The relatively

recent emergence of the academic discipline of Christian spirituality offers a new set of methodological insights that may help to mediate the theological impasse between more conservative and progressive perspectives concerning the appropriate role of human experience for evangelical thought and practice Specifically we will explore the experience of religious conversion that lies at the center of evangelical spirituality in critical dialogue with the challenges and opportunities brought about by recent philosophical discourse and the postmodern turn variously understood

Perichoretic Salvation James D. Gifford Jr., 2011-09-15 For two thousand years Christian theologians have struggled to explain the believer's union with Christ What sort of union is it How can it be fully described This book is an attempt to join the conversation to explore exactly what it means to be in union with Christ This book will argue that the believer's union with Christ can rightly be presented as a third type of perichoresis Perichoresis is a word that describes the way the persons of the Trinity interrelate without losing their essential oneness nor without being absorbed into each other In short the doctrine of perichoresis preserves the unity and diversity within the Godhead It is also used to describe the hypostatic union of the divine and human in Christ In Perichoretic Salvation James Gifford argues that the union of the believer and Christ is a relationship of the same kind though of a third type Arguing from a perspective that is rooted biblically historically and theologically the book will allow the union to be explained more fully than in the past while remaining within the bounds of what the church has taught over the centuries It may prove to be a basis for understanding the work of Christ afresh for the twenty first century

Approaching the World's Religions, Volume 1 Robert Boyd, 2017-05-04 Philosophically Thinking about World Religions is different from other works in the discipline today It deviates from the typical approaches used for the study of world religions Its goal is to engage readers in thinking hard about world religions not about the data surrounding those traditions By focusing on philosophical questions each reader should be challenged to do their own investigations that may reveal the heart of these traditions Another stance that this project takes that distinguishes it from other texts in the discipline is that it advocates an inclusivist perspective regarding the world religions Pluralism which is the predominate assumption today ends either in contradiction or in the development of a metatheory that dismisses crucial distinctions between the various traditions or eliminates some ancient religions because they do not fit the metatheory By taking an open inclusivist approach all religious traditions may engage at the table of dialogue The final essay is about justice and social affairs While that discussion is couched within the context of a particular tradition each religious tradition must have the discussion But it must be more than an intrareligious dialogue it must become an interreligious dialogue

Beyond 400 David J. Cohen, Michael Parsons, 2011-01-01 Baptists worldwide recently celebrated 400 years of history and witness This volume is a collection of papers presented at the Beyond 400 conference held in Perth Western Australia as part of these celebrations Contributors have written from a broad range of perspectives reflecting biblically and theologically on the thinking and practice of Baptists in the past and present These reflections form a basis for exploring how Baptists can

function more effectively in our contemporary world situation and imagine themselves in the future Chapters range from providing historical perspectives to biblical and theological reflections on issues that have been critical to Baptist belief and ministry They examine the core values that historically have distinguished Baptists within the broader context of the church and explore how these values might both underpin and play out in Baptist churches today Contributions reflect a firm belief among both the presenters and attendees at the Beyond 400 conference that Baptists not only have a future but also offer a necessary voice to our world This voice is firmly based on the issues that first precipitated the Baptist movement some 400 years ago and the continuing relevance of these issues as they are reimagined for our contemporary situation The Johannine Gospel's Concept of Community Godibert Kelly Gharbin,2025-05-27 The Johannine Gospel s Concept of Community takes an interdisciplinary approach to contextualizing the New Testament in an African milieu which helps Johannine scholarship intersect with Akan anthropology and sociology through a tripartite frame of interpretation a narratological analysis of community oriented narratives in John the exegesis of the Akan concept of community encapsulated in their proverbial lore the anthology of inestimable information about the Akan conceptualization of communitarianism and an engagement between the two conceptual schemes through an intercultural reading The methodological principles utilized foster a cross pollination of ideas between the Johannine characterization of a community of God and the community concept present in Akan maxims This allows the Akan concept of communitarianism to enrich the reader s understanding of the text It also allows John s theology of community revealed in what Jesus epitomizes prescribes and proscribes for the believing community to serve as a form of discernible evaluation for Akan and other believers on the modus vivendi redolent of a believing community In the end it forces a redefinition of community replacing the anthropocentric individualistic and acquisitive elements that have typified the human community with a theocentric and authentically collectivist approach

Uncommon Unity Richard Lints,2022-10-19 A crucial book Timothy Keller Our world is facing increasing hostilities Political and cultural differences rage even among people who otherwise show goodwill And the church is no stranger to extreme polarization theological backbiting and political squabbling Jesus s prayer in John 17 that the church be one as he and the Father are one seems increasingly unattainable But what if Scripture actually provides the key for thinking about unity in diversity In *Uncommon Unity* Wisdom for the Church in an Age of Division Richard Lints explores the nature of diversity and how Christians can think more clearly about unity in an increasingly polarized age Drawing on theological historical and sociological resources Lints exposes problems with the inclusion narrative of democracy and shows a better way forward for fostering unity in the midst of extreme diversity If we are to think rightly about diversity wisdom is required for the church in our late modern world Through wisdom Christians can display real unity in diversity and bear witness of the God who made them for himself as diverse members of his one body Readers of *Uncommon Unity* will be heartened that Scripture and Christian tradition provide an antidote to division **Embedded Faith** Carlton Johnstone,2013-12-04

Embedded Faith explores the way Christian faith journeys of young adults are embedded within church communities. It discusses why young adults go to church, why they change churches, why some are involved in the practice of church, timing and what they are looking for in a church. Embedded Faith also provides valuable insight into the relationship between geographic mobility and belonging to a faith community in a transient age. Embedded Faith discusses areas where young adults are engaging and disengaging with church life such as preaching and worship. It addresses how stage of life transitions and life experience impact one's experience and involvement in church. This book will enable anyone working with young adults in a church context to give shape to a ministry that is more sensitive and connected to the realities faced by young adults and will call you to the importance of listening to the lived experience of young adults as it relates to faith and church.

Ecologies of Faith in a Digital Age Stephen D. Lowe, Mary E. Lowe, 2018-06-19 Many Christian institutions have embraced new technologies especially online education. But is it possible for us to grow spiritually through our digital communities? Steve Lowe and Mary Lowe, longtime proponents of online education, trace the motif of spiritual growth through Scripture and consider how students and professors alike might foster digital ecologies in which spiritual transformation can take place.

Creating Cultures of Belonging Beth Birmingham, Eeva Sallinen Simard, 2022-10-18 While many faith-based organizations desire to have women in positions of leadership, they still fail to embody a culture that invites and celebrates gender equity. Offering practical steps for leadership teams, board members, and managers, Beth Birmingham and Eeva Simard identify organizational changes that will create a belonging culture.

Following Jesus Blake Ferriss, 2019-05-15 Jesus spoke to the people once more and said, "I am the light of the world. If you follow me, you won't have to walk in darkness, because you will have the light that leads to life." John 8:12 NLT. *Following Jesus: An Approach to Christian Spirituality* provides a basis for understanding how the Lordship of Christ is the essential criterion for determining how Christianity functions as a relational experience with God. With that relational experience for the believer in Christ being the product of supernatural experience with the Holy Spirit, the book functions as an organizing tool to be used for a conscientious inquiry into how a Christian worldview operates in four relational categories of experience. With these relational categories acting as a basis for understanding how our choices affect our lives and our futures both now and in life and eternally, and how it is that God loves us and will give our lives the meaning and purpose that we all long for.

The Healing Spirit Leo O. Stossich, 2019-02-26 This book traces the journeys of seven victims of childhood sexual abuse who have experienced recovery through the activity of the Holy Spirit within the context of the local church. These recovered victims have been enabled to move beyond the devastation of abuse by others whom they trusted to a place of emotional and psychological stability, appropriate sexual intimacy with their spouses, and a growing level of spiritual maturity. While the Christian community has been slow to grasp the severity and extent of the problem or to provide the healing resources of the gospel, some victims have found recovery in local churches. The author has undertaken in-depth interviews to elicit and explore the narratives of their journeys from

woundedness to well being These narratives are an important source of information on the activity of the Holy Spirit in healing While the Spirit is an entity hidden to us the author has explored the experiences of seven recovered victims to disclose meaning for the work of the Spirit in all areas of Christian ministry **The Mind of a Leader** Bruce E.

Winston,2022-08-11 This edited collection examines the mind of leaders throughout the Bible to understand how thoughts and behaviors can support or sabotage leadership efforts It is divided into three parts the first part addresses thinking influence and communicating through the theoretical lenses of humility metacognition and personal well being Part Two addresses managing motivating and change through the theoretical lenses of leader follower relationships and Lewin s change model Finally Part Three addresses ethics service and character through the theoretical lenses of participative leadership inclusivity resilience and mentoring Each chapter uses a biblical example to demonstrate the role of the mind in the effectiveness of different leaders This volume will serve as a valuable resource to researchers interested in leadership studies particularly those examining the biblical perspective
