Hanzlick,2015-01-31 A fundamental challenge that management faces in the twenty first century is how to exercise adequate control i e how to guide and direct the behaviour of their subordinates With increasing globalisation firms witness a cross cultural impact too Of particular interest is the question of whether to use the standardized form of control similar to the home base of firms or whether to adapt their control practices to the local specificities Given the meagre state of the literature in management control with a cross cultural emphasis this study addresses a real world problem namely the question whether management control practices are configured similarly or differently across cultures Relying on a generalized industry sample across four countries Belgium Canada Germany and Poland this study sought to shed light on one of the more intriguing questions does culture matter for specific control areas in particular for performance measurement performance evaluation and reward systems The theoretical foundations are grounded in the cultural framework of the GLOBE project accompanied by thoughts of new institutionalism stakeholder theory and contingency thoughts Hypotheses are tested by mean comparisons ANOVA ANCOVA The empirical findings highlight cultural differences for a broader set of control practices and deliver new insights into the intersection of culture and management control This dissertation crafts a novel topic with high relevance for both researchers and practitioners The study demonstrates areas for which management control practices should be adapted to the local needs and areas for which those practices could be harmonized in the whole company This monograph stresses some areas in which future empirical cross cultural research can

benefit and some areas where conceptual thoughts could be advanced **The 7 Hidden Reasons Employees Leave** Leigh Branham, 2012 Why do most employees leave The reasons aren't what you'd think Handbook of Research on Comparative Human Resource Management Chris Brewster, Wolfgang Mayrhofer, Elaine Farndale, 2018-04-27 This second updated and extended edition of the Handbook of Research on Comparative Human Resource Management draws on the work of many of the world's leading researchers in the field to present the state of the art to scholars students and practitioners The Handbook provides a detailed focus on the theoretical underpinnings of Comparative HRM on comparative studies of specific areas of HRM practice and on the unique features of HRM in all the main regions of the world Managing Employee Performance & Reward John Shields, Michelle Brown, Sarah Kaine, Catherine Dolle-Samuel, Andrea North-Samardzic, Peter McLean, Robyn Johns, Patrick O'Leary, Geoff Plimmer, Jack Robinson, 2015-10 This second edition offers a comprehensive coverage of employee performance and reward presenting the material in a conceptually integrated way **HR from the Heart** Libby Sartain, Martha I.
