Hand-Made Television R. Moseley,2016-04-29 Hand Made Television explores the ongoing enchantment of many of the much loved stop frame children s television programmes of 1960s and 1970s Britain The first academic work to analyse programmes such as Pogles Wood 1966 Clangers 1969 Bagpuss 1974 Smallfilms and Gordon Murray s Camberwick Green 1966 Trumpton 1967 and Chigley 1969 the book connects these series to their social and historical contexts while providing in depth analyses of their themes and hand made aesthetics Hand Made Television shows that the appeal of these programmes is rooted not only in their participatory address and evocation of a pastoral English past but also in the connection of their stop frame aesthetics to the actions of childhood play This book makes a significant contribution to both Animation Studies and Television Studies combining scholarly rigour with an accessible style it is suitable for scholars as well as fans of these iconic British children s programmes

*On Living with Television* Amy Holdsworth,2021-10-04 In *On Living with Television* Amy Holdsworth examines the characteristics of intimacy familiarity repetition and duration that have come to exemplify the medium of television Drawing on feminist television studies queer theory and disability studies as well as autobiographical life writing practices Holdsworth shows how television shapes everyday activities from eating and sleeping to driving and homemaking Recounting her own life with television she offers a sense of the joys and pleasures Disney videos brought to her disabled sister traces how bedtime television becomes part of a daily routine between child and caregiver explores her own relationship to binge eating and binge viewing and considers the idea of home through the BBC family drama *Last Tango in Halifax* By foregrounding the ways in which television structures our relationships daily routines and sense of time Holdsworth demonstrates how television emerges as a potent vehicle for writing about life

*Remembering British Television* Kristyn Gorton,Joanne Garde-Hansen,2019-03-21 This original book asks how in an age of convergence when television no longer means a box in the corner of the living room that we sit and watch together do we remember

television of the past How do we gather and archive our memories Kristyn Gordon and Joanne Garde Hansen explore these questions through first person interviews with tv producers curators and archivists and case studies of popular television series and fan communities such as Cold Feet and Doctor Who Their discussion takes in museum exhibitions popular television nostalgia programming and vintage tv websites

**Sesame Street** Helle Strandgaard Jensen, 2023 In *Sesame Street A Transnational History* author Helle Strandgaard Jensen tells the story of how the American television show became a global brand Jensen argues that because the show's domestic production was not financially viable from the beginning Sesame Street became a commodity that its producers assertively marketed all over the world *Sesame Street A Transnational History* combines archival research from seven countries bolstering an insightful analysis of how local reception and rejection of the show related to the global sales strategies and American ideals it was built upon Contrary to the producers' oft publicized claims of Sesame Street's universality the show was heavily shaped by a fixed set of assumptions about childhood education and commercial entertainment This made sales difficult as Sesame Street met both skepticism and direct hostility from foreign television producers who did not share these ideals Drawing on insights from new histories about childhood education and transnational media the book lays bare a cultural clash of international proportions rooted in divergent approaches to children's television In doing so it provides a reflective backdrop to the many ongoing debates about children's media In contrasting the positive receptions and renunciations of Sesame Street Jensen demonstrates that it was only after a substantial rethinking of Sesame Street's aims and business model that this program ended up on numerous broadcasting schedules by the mid 1970s Along the way this rethinking and the constant negotiations with potential international buyers created and shaped the business and corporate brand that paved the way for the Sesame Street we know today

**American Remakes of British Television** Carlen Lavigne, Heather Marcovitch, 2011-03-31 Ever since Norman Lear remade the BBC series *Till Death Us Do Part* into *All in the Family* American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like *American Idol* and *What Not to Wear* to the mock documentary approach of *The Office* are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch's *American Remakes of British Television Transformations and Mistranslations* is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a

multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable Sanford and Son is examined in terms of race and class issues Essays on Life on Mars and Doctor Who stress television's role in shaping collective cultural memories An essay on Queer as Folk explores the romance genre and also talks about differences in national sexual politics An examination of The Office discusses how the American remake actually endorses the bureaucracy that the British original satirized

*Production Studies, The Sequel!* Miranda Banks, Bridget Connor, Vicki Mayer, 2015-07-03 Production Studies The Sequel is an exciting exploration of the experiences of media workers in local global and digital communities from prop masters in Germany Chinese film auteurs producers of children's television in Qatar Italian radio broadcasters filmmakers in Ethiopia and Nigeria to seemingly autonomous Twitterbots Case studies examine international production cultures across five continents and incorporate a range of media including film television music social media promotional media video games publishing and public broadcasting Using the lens of cultural studies to examine media production Production Studies The Sequel takes into account transnational production flows and places production studies in conversation with other major areas of media scholarship including audience studies media industries and media history A follow up to the successful Production Studies this collection highlights new and important research in the field and promises to generate continued discussion about the past present and future of production studies
