Creating a Socialist Yugoslavia Hilde Katrine Haug, 2012 The Yugoslav communist leaders aspired to create a socialist Yugoslavia and when they came into power in 1945 they claimed to have introduced a socialist solution to the Yugoslav national question But what did it imply to solve a national question and what did introducing a socialist solution to a national question entail Conflict and Cohesion in Socialist Yugoslavia Steven L. Burg, 2014-07-14 Steven L Burg views Yugoslav politics since 1966 in terms of the communist leadership's efforts to preserve political cohesion in the face of powerfully divisive domestic conflicts He examines the bases of those conflicts their suppression with the establishment of communist power and their reemergence and escalation into crisis during the late 1960s and early 1970s a period when the conflict between hostile nationalisms reinforced by regional economic differences directly challenged communist power Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Regional Development In Communist Yugoslavia Dijana Plestina, 2019-07-11 The brutal war now raging in what was Yugoslavia the author argues is fueled not merely by interethnic hatred but also by longstanding disparities in economic well being among republics and regions The Communist leadership having stated its intention when it took power to eliminate economic disparities nonetheless failed to confront the conflict of interests that distorted the country's economic policy and thus never worked out a coherent strategy for regional development Interregional tensions were inflamed by the failure to close the gap between wealthy and poor areas directly contributing to the breakup of the country Basing her argument on longitudinal data and on in depth interviews with Yugoslav leaders at federal and regional levels Milovan Djilas Svetozar Vukmanovic Tempo Bosko Gluscevic Hasan Zolic and several dozen others Dijana Plestina examines and assesses the economic inequalities as well as the effects that the leadership's regional policies had on them She shows that despite the mandate for equalization that was part of socialist doctrine Yugoslav leaders were at first unwilling and later unable to formulate policies that would enhance the economic well being of the poorest regions Instead they adopted a strategy of top down growth which enhanced the further development of the wealthier regions Later partially in an effort to placate the disadvantaged they shifted funds to some of the less developed regions Rather than promoting equality such ad hoc solutions fostered competition for scarce resources and intensified political cleavages Plestina also looks at how the devolution of decisionmaking from central to regional levels designed to increase government legitimacy and efficiency actually provided an opportunity for regional leaders to build independent power bases This trend in conjunction with the economic slump of the 1980s further eroded the unity of the

federation **Contemporary Yugoslavia** Wayne S. Vucinich, 2021-01-08 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 **Political Organizations in Socialist Yugoslavia** Jim Seroka, Radoš Smiljković, 1986 **Remembering Utopia** Breda Luthar, Maruša Pušnik, 2010 The history of socialism lacks close accounts of the texture of life in the margins of society which include narratives of the feelings experiences and practices of ordinary people This book provides them and undermines persisting interpretations of real life under socialism which rely on macro studies of social structures and on the political and institutional histories of socialism As such the book is also an attempt to de Westernize the discourse on Central Eastern Europe as Europe's periphery or its Orient The culture of memory is evoked either through oral traditions or textual analyses of records of the public discourse Both facets contribute to a cultural history of the era of socialism in Yugoslavia between 1945 and 1980 Tito's death from back cover **Beyond Yugoslavia** Sabrina Petra Ramet, 2020-04-09 The fruit of a landmark international collaboration this book focuses on the final years of socialist Yugoslavia and on the beginning of the country's breakup With chapters devoted to each of erstwhile Yugoslavia's six republics the book also offers a unique blend of thematic essays on political cultural economic environmental religious and foreign policy issues Bringing together renowned scholars from the United States Great Britain Serbia and Croatia the book shows how disintegrative tendencies penetrated and affected all spheres of life in Yugoslavia The resultant war has therefore been fought not only on military and diplomatic fronts but also at the level of economics through literature and film and in the spheres of religion and gender relations The Rise and Fall of Socialist Yugoslavia Sergej Flere, Rudi Klanjsek, 2021-10-20 This book examines the relationship between nationalism and the rise and fall of Yugoslavia under the rule of Josip Broz Tito It deals particularly with the interactions between communist and intellectual elites The authors analyze elites' initial enthusiasm about the Yugoslav federation and how with time they found themselves unable to suppress the nationalists in Yugoslavia Other scholars have argued that in a certain sense Tito's Yugoslavia proved to be a hatchery for the nations that once constituted Yugoslavia making them ever closer to completeness However as the authors highlight in this study this process was one of conflict The personal role of Tito as an arbiter was essential although for the majority of his time in power he did not act as a dictator His departure was strongly felt in the 1980s when ethnic entrepreneurial activity began to flourish and when ethnic and political relations had gone out of control While a significant part of this book follows the chronology of ethnic elite interaction in communist Yugoslavia the global context of Yugoslavia's rise and fall is taken into account The authors also use Yugoslavia as a case study to test the validity of nationalism studies more generally **Yugoslavia, Nonalignment and Cold War Globalism** Zvonimir Stopić, 2024-11 This book explores the emergence of Yugoslav globalism and how it was influenced by

the early Cold War the changes once Yugoslavia established itself as a nonaligned leader and what the decline of Yugoslav globalism reveals about the waning Cold War and the history of internationalist diplomacy Although Yugoslavia was correctly defined as a regional power it is not true that Tito's influence was confined to the Balkans alone Even before the 1948 split with Stalin political elites and intellectuals imagined socialist Yugoslavia as a model for international comity and development Subsequently due to dramatic changes in the climate of international diplomacy Yugoslav globalist outreach found an audience and altered the course of early and fateful superpower stand offs In turn such globalism was a significant part of Tito's stewardship of nonalignment This is a story that has never been fully told Yugoslavia Nonalignment and Cold War Globalism fills this gap in discussions of the emergence of globalist discourse in the post 1989 era This volume is aimed at scholars and students of the Cold War and Tito's era in Yugoslavia as well as general readers of history interested in leadership and the role of regional powers in world politics
