Creation Uncreation Recreation A Discursive Commentary On Genesis 1a 11:

Creation, Un-creation, Re-creation Joseph Blenkinsopp, 2011-04-21 A new commentary volume looking at the theological and literary motivations of Genesis 1 11 Charged with the Glory of God Caroline Batchelder, 2023-07-26 Isaiah's servant songs reveal a true and better Adam In Charged with the Glory of God Caroline Batchelder provides a synchronic theological and canonical reading of the four Servant Songs in Isaiah 42 1 9 49 1 13 50 3 11 52 13 53 12 showing how they relate to one another and the message of the prophetic book Reading Isaiah as a compositional unity in conversation with other texts such as Genesis results in a coherent presentation of the mysterious servant The polemic against idolatry reveals rebellious Israel to be false imagers of God In contrast Isaiah's servant is an ideal embodiment of Yahweh's image and likeness Thus the servant is a paradigm for those who wish to recapture and realize God's good creation purposes for all humanity The servant poems are not only a call to reorient oneself as a servant towards God and his creation but also a map and means for doing so In this study Batchelder offers fresh insights from Isaiah for understanding God's true image and its idolatrous counterfeits **Hiddushim** Michael Fishbane, Arthur Green, Jonathan D. Sarna, 2022-05-17 A Centennial writes

Hebrew College President Rabbi Sharon Cohen Anisfeld is an invitation to reflect on the last century of teaching and learning at Hebrew College to ask ourselves what has changed and what has endured to explore accomplishments and share ongoing struggles to articulate our aspirations for the next one hundred years A compilation of captivating essays on Jewish studies alongside powerful personal memoirs from the College's earliest years until today iddushim captures and celebrates the spirit of a learning community connected to its source and brimming with spiritual and intellectual creativity as it carries forward its legacy of rootedness and renewal into the future **Praise or Performance?** Michael S. Moore, 2025-03-25

Today there are many books about worship and many books about the book of Psalms but only a few books about the relationship between the two Contemporary studies of the Psalter are in flux between those focused upon each psalm in its literary historical environment micro structuralists and those focused upon the Psalter as a great literary text comparable to other great texts from the ancient world macro structuralists Contemporary worship is also in flux between traditionalists who want to sing hymns and progressives who want to experience contemporary Christian music the so called worship wars Praise or Performance seeks to open a dialogue between Psalms scholars on the one hand and Western worshipers on the other in the hope of sensitizing each group to their common theological interests **Genesis 1-11** Joseph Blenkinsopp, 1968

The Days of Creation Andrew J. Brown, 2019-05-21 The Days of Creation examines the history of Christian interpretation of the seven day framework of Genesis 1 1 2 3 in the Hebrew Bible Old Testament from the post apostolic era to the debates surrounding Essays and Reviews 1860 Included in the survey are patristic medieval Renaissance Reformation eighteenth century Enlightenment and finally early to mid nineteenth century interpretations of the days of creation The author shows that readings of Genesis 1 1 2 3 in the modern era have much deeper roots than is sometimes realized The day

age scheme has roots in Augustine's figurative creation days the world week historical scheme Renaissance Platonism and Newtonian science while the literal alternative of the gap theory combines ancient literal interpretation with chaos concepts derived from Greco Roman myths and interpreted through a geological lens Early treatments of this text are poorly understood because of their very different philosophical and theological contexts Hasty appropriation of ancient precedents as support for modern interpretations often overlooks or oversimplifies this difference Changing ideas and exploration in the early Modern era undermined the dominance of this text so that by the time of Goodwin's essay in *Essays and Reviews* Genesis 1:1-3 was already well on the way to its present intellectual marginalization This study enables an insight into the mighty career of a biblical text of seminal importance and fills a significant niche in reception historical research *Studies in Genesis 1-11* R. David Skinner, 2018-11-19 R. David Skinner presents a captivating verse by verse commentary on Genesis 1:1-11 using a literal interpretation of Scripture with analyses of evolutionary thought Skinner's commentary is an essential resource for students pastors Bible teachers and all believers who want to share boldly and defend their faith Edited by Michael R. Spradlin The Good Creator Shamai Gelernder, 1997 This work presents the Creation stories of Genesis 1:1-11 as an account of the mutual relationship between God and humankind Using a close reading methodology the author provides a literary and exegetical analysis of Genesis 1:1-11 The examination of the text's literary artistry evokes a re-examination of some widely accepted assumptions about this text's theological perspective The sequence of the narrative is seen as motivated by God's inner struggle with two conflicting tendencies God's ultimate goodness and the principle of freedom of choice The author postulates that the question behind all of these stories is the extent to which God prefers the freedom of choice to all other virtues This question is seen as being pushed to escalating extremes reaching the brink of absurdity in the Tower and City narrative Thus the principle of freedom of choice and its repeated examination in the context of various conflicts forms the central thematic axis along which the Creation narrative unfolds and through which a coherent theology emerges which treats this principle as the most exalted of moral values **The God of Creation** Theodore Herman Epp, 1972 *God's Creation* Randall W. Younker, 1999 Creation and Fall Dietrich Bonhoeffer, 1976 *The Genesis Debate* Ronald Youngblood, 1999-12-21 Reprint Originally published Grand Rapids Mich Baker Book House 1990 *Be Fruitful and Multiply* Andrew J. Schmutzer, 2009-09-15 In this study Andrew J. Schmutzer puts his hand to an in-depth study of the Creation Mandate known within Reformed theology as the Cultural Mandate His analysis focuses on key texts of God's blessing in Genesis 1:1-11 In particular Schmutzer explores the theological significance of Genesis 1:28 using a biblical theological approach sensitive to the biblical literature Delving into such issues as the nature of divine blessing humankind's royal stewardship and the role of the image of God this study draws the reader back to the biblical text as the lead carriage for foundational questions in contemporary faith The result is theological grist primed to address the related issues of ecological crisis social oppression gender studies and eco theology How one understands the Creation Mandate has serious implications

Be Fruitful and Multiply provides a sharp tool to help address these serious issues **The Enigma Of Creation** Rick Brower,2018-04-28 In recent years few topics have generated more interest and prompted more debate across the broad spectrum of Christian denominations than that of the Biblical creation texts And in particular the text of Genesis 1 has played a controversial role So then the goal of this work is only to encourage a deeper and more sensitive approach to the creation text of Genesis 1 This approach must necessarily incorporate the ancient perspectives of the original Biblical audience as well as the spiritual aspects of the text which are explicitly revealed to us Creation and Fall Dietrich Bonhoeffer,1976

Creation and Fall Dietrich Bonhoeffer,1971 **The God in the Garden** Isaac McPhee,2017-12-11 Offering the beginning of a Biblical Theology of Creation sin and redemption The God in the Garden is a theological philosophical outline of the first twelve chapters of Genesis from the moment of God s creation to the calling of Abram The book explores the relationship between God and man and points forward toward the working of God throughout all of Biblical history The Birth, the Curse and the Greening of Earth Norman Habel,2011 Few people realize that the first character in the Bible after the headline sentence of Genesis 1 1 is Earth What if we read the creation story and the primal myths of Genesis from the perspective of that key character rather than from the anthropocentric perspective in which our culture has nurtured us This is the project of Norman Habel s commentary resisting the long history in Western culture of devaluing exploiting oppressing and endangering the Earth Earth in Genesis first appears wrapped in the primal waters like an embryo waiting to be born On the third day of creation it is actually born and comes into existence with its green vegetation as a habitat for life of all kinds It is hardly a moment before Earth is damaged by human sin and suffers a divine curse and then must cry out for justice for the blood of Abel it has been compelled to drink It is an even greater curse when Earth together with almost all life on Earth comes near to total annihilation at the Flood Has Earth brought this fate upon itself or is it the innocent victim of human wrongdoing Genesis has God regretting the threat to Earth and its children that the Flood has brought and vowing to green Earth again remove the curse restore the seasons and make a personal covenant of assurance with Earth and its creatures The ecological approach of this commentary was first developed in the five volume multi authored series The Earth Bible 2000 2002 In The Earth Bible Commentary of which this is the first volume a group of scholars dedicated to the re valuing of Earth pursue these themes in their commentaries on the books of the Bible Other volumes in preparation are Deuteronomy Ruth Job Psalms Book 2 Ecclesiastes Isaiah 1 39 Joel Matthew Luke Colossians Revelation The Earth Bible logo was created by Jasmine Corowa an Indigenous Australian *The Genesis Creation Account and Its Reverberations in the Old Testament* Gerald A. Klingbeil,2015 How does the rest of the Bible relate to Genesis 1 and 2 Do the various biblical authors portray creation theologies that align or diverge In this volume the first of two ten scholars each addressing a different section genre or topic from the Old Testament grapple seriously with this question Collectively they find that the weight of the textual data of the Old Testament clearly portrays an overarching understanding and theology of creation that permeates every biblical

genre and book These findings should inform the thinking of every honest Christian whether layperson theologian or scientist At its core creation theology is all about Who God is who we are what our destiny is and how God chooses to save a world that is in direct rebellion to its Creator Back Cover **The Real Genesis Creation Story** Joe Gene White,2013-01-01

Within the biblical community the creation versus creation debate has become an acute problem Currently four main ideas attempt to explain the Genesis creation story young Earth creation theology gap theology day age theology and literary interpretations Each idea has its strong points countered by major objections The age of the Earth has emerged as a major issue calculated to have been created in 4004 BC by Anglican Archbishop James Ussher Any suitable solution to the Genesis problem must respect the integrity of the Bible yet accept the evidence of science in regard to time A task accomplished in a no holds barred search for truth addressing the following a credible translation of Genesis chapters 1 and 2 that corrects over 2200 years of error how solid scientific evidence in support of time easily harmonizes with an accurate translation Genesis chapters 1 and 2 are not two conflicting creation accounts but rather two complementary narratives an ancient document accepted by most biblical scholars that has hindered a proper explanation of the Genesis story ten key verbs incorrectly explained which control traditional interpretations of the seven day creation chronicle Jacket
