Democracy In America In Two Volumes:

Democracy in America Alexis de Tocqueville,1970 *Democracy in America* Alexis de Toqueville,2022-11-13 In

Democracy in America Alexis de Tocqueville presents a profound exploration of the young American democracy and its societal implications following his visit in the early 1830s Structured as a two volume work Tocqueville s literary style combines astute observations philosophical analysis and sociological insights reflecting the Enlightenment thought prevalent in 19th century Europe He meticulously examines the principles of equality individualism and the interplay between liberty and social order offering a balanced critique of democracy s strengths and weaknesses which has become a seminal text in political theory and sociology Alexis de Tocqueville a French aristocrat and political thinker was profoundly influenced by the turbulent political landscape of his homeland which experienced revolutions and upheavals during his lifetime His commitment to understanding democracy was informed by his own observations of the American experiment contrasting it with Europe s struggles to achieve similar democratic ideals His nuanced perspectives as a foreign observer provide invaluable insights into the social fabric and political dynamics of early America making the text a significant contribution to comparative politics I highly recommend Democracy in America to readers seeking to grasp the complexities of democratic society and its implications for contemporary governance Tocqueville s insights remain remarkably relevant today as they encourage critical reflection on the nature of freedom equality and civic responsibility making it essential reading for anyone interested in the evolutionary trajectory of democratic ideals **Democracy in America** Alexis De Toqueville,2015-08-02

Democracy in America was published in two parts In 1831 the French government sent Tocqueville then a 35 year old aristocrat and statesman on a mission to report on the US prison system During his nine month trip however he and his buddy Gustave de Beaumont recorded much more the budding nation s economic and political system and its social cultural and religious systems during a the tumultuous Jacksonian political era The central focus of Democracy in America is the study of the nature of representative democracy why it had succeeded in the US and failed throughout Europe With no punches pulled Tocqueville also does a solid job of predicting where democracy was headed in the US including the the dangers of democracy tyranny of the majority as well as the threats to democracy such as the divisive nature of slavery and a future rivalry with Russia **Democracy in America (100 Copy Collector's Edition)** Alexis de Tocqueville,2020-08-17

Democracy in America examines the democratic revolution Tocqueville believed had been occurring over the previous several hundred years The primary focus of the book is an analysis of why republican representative democracy has succeeded in the United States while failing in so many other places Tocqueville seeks to apply the functional aspects of democracy in the United States to what he sees as the failings of democracy in his native France Democracy in America was published in two volumes the first in 1835 and the other in 1840 It was immediately popular in both Europe and the United States while also having a profound impact on the French population By the twentieth century it had become a classic work

of political science social science and history It is a commonly assigned reading for students at American universities majoring in the political or social sciences and part of the introductory political theory syllabus at Cambridge Oxford Princeton and other institutions This cloth bound book includes a Victorian inspired dust jacket and is limited to 100 copies

Democracy in America Alexis De Tocqueville, Henry Reeve, 2024-11-24 The Americans live in a democratic state of society which has naturally suggested to them certain laws and a certain political character This same state of society has moreover engendered amongst them a multitude of feelings and opinions which were unknown amongst the elder aristocratic communities of Europe it has destroyed or modified all the relations which before existed and established others of a novel kind The aspect of civil society has been no less affected by these changes than that of the political world The former subject has been treated of in the work on the Democracy of America which I published five years ago to examine the latter is the object of the present book but these two parts complete each other and form one and the same work I must at once warn the reader against an error which would be extremely prejudicial to me When he finds that I attribute so many different consequences to the principle of equality he may thence infer that I consider that principle to be the sole cause of all that takes place in the present age but this would be to impute to me a very narrow view A multitude of opinions feelings and propensities are now in existence which owe their origin to circumstances unconnected with or even contrary to the principle of equality Thus if I were to select the United States as an example I could easily prove that the nature of the country the origin of its inhabitants the religion of its founders their acquired knowledge and their former habits have exercised and still exercise independently of democracy a vast influence upon the thoughts and feelings of that people Different causes but no less distinct from the circumstance of the equality of conditions might be traced in Europe and would explain a great portion of the occurrences taking place amongst us I acknowledge the existence of all these different causes and their power but my subject does not lead me to treat of them I have not undertaken to unfold the reason of all our inclinations and all our notions my only object is to show in what respects the principle of equality has modified both the former and the latter Some readers may perhaps be astonished that firmly persuaded as I am that the democratic revolution which we are witnessing is an irresistible fact against which it would be neither desirable nor wise to struggle I should often have had occasion in this book to address language of such severity to those democratic communities which this revolution has brought into being My answer is simply that it is because I am not an adversary of democracy that I have sought to speak of democracy in all sincerity Men will not accept truth at the hands of their enemies and truth is seldom offered to them by their friends for this reason I have spoken it I trust that my readers will find in this Second Part that impartiality which seems to have been remarked in the former work Placed as I am in the midst of the conflicting opinions between which we are divided I have endeavored to suppress within me for a time the favorable sympathies or the adverse emotions with which each of them inspires me If those who read this book can find a single sentence intended to flatter any of the great parties

which have agitated my country or any of those petty factions which now harass and weaken it let such readers raise their voices to accuse me The subject I have sought to embrace is immense for it includes the greater part of the feelings and opinions to which the new state of society has given birth Such a subject is doubtless above my strength and in treating it I have not succeeded in satisfying myself But if I have not been able to reach the goal which I had in view my readers will at least do me the justice to acknowledge that I have conceived and followed up my undertaking in a spirit not unworthy of success A De T **Democracy in America** Alexis de Tocqueville,2018-07-27 De La D mocratie en Am rique published in two volumes the first in 1835 and the second in 1840 is a classic French text by Alexis de Tocqueville Its title translates as On Democracy in America but English translations are usually simply entitled Democracy in America In the book Tocqueville examines the democratic revolution that he believed had been occurring over the previous several hundred years

Democracy in America Alexis De Toqueville,2015-08-02 Democracy in America was published in two parts In 1831 the French government sent Tocqueville then a 35 year old aristocrat and statesman on a mission to report on the US prison system During his nine month trip however he and his buddy Gustave de Beaumont recorded much more the budding nation s economic and political system and its social cultural and religious systems during a the tumultuous Jacksonian political era The central focus of Democracy in America is the study of the nature of representative democracy why it had succeeded in the US and failed throughout Europe With no punches pulled Tocqueville also does a solid job of predicting where democracy was headed in the US including the the dangers of democracy tyranny of the majority as well as the threats to democracy such as the divisive nature of slavery and a future rivalry with Russia *Democracy in America* Alexis de Tocqueville,2006-09 Democracy in America Alexis de Tocqueville,2021-10-14 Democracy in America Alexis de Tocqueville Alexis de Tocqueville 1805 59 came to America in 1831 to see what a great republic was like What struck him most was the country s equality of conditions its democracy The book he wrote on his return to France Democracy in America is both the best ever written on democracy and the best ever written on America It remains the most often quoted book about the United States not only because it has something to interest and please everyone but also because it has something to teach everyone When it was published in 2000 Harvey Mansfield and Delba Winthrop s new translation of Democracy in America only the third since the original two volume work was published in 1835 and 1840 was lauded in all quarters as the finest and most definitive edition of Tocqueville s classic thus far Mansfield and Winthrop have restored the nuances of Tocqueville s language with the expressed goal to convey Tocqueville s thought as he held it rather than to restate it in comparable terms of today The result is a translation with minimal interpretation but with impeccable annotations of unfamiliar references and a masterful introduction placing the work and its author in the broader contexts of political philosophy and statesmanship

Democracy in America, Complete Alexis De Tocqueville, Henry Reeve,2015-02-10 This Book Contains The First and The Second Volumes Democracy in America published in two volumes the first in 1835 and the second in 1840 is a classic French

text by Alexis de Tocqueville *Democracy in America V2* Alexis de Tocqueville, 2008-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Tocqueville Alexis De Tocqueville, 2013-04 Alexis de Tocqueville 1805 1859 was a French political thinker and historian and wrote the famous work *Democracy in America* in two volumes This work is renowned for characterising the American Institutions and adding to the understanding of the United States like no other He analysed the social standards of people and the relationship between raising social standards and the free market He thereby became one of the founding fathers of sociology and political science This book is a seminal text in economic sociology Tocqueville has the capacity to stand back from the object of his study and to reflect deeply and at times with wit whilst offering the reader his incisive clarity This collection includes both volumes of *Democracy in America* in addition it includes the *Recollections of Alexis de Tocqueville* his thoughts and observations on the French Revolution another work demonstrating his shrewd objective perspective He identified the hazards of the course that his country was taking and also the difficulties of ensuring that there was both equality and freedom It is a first hand account of the upheavals that the country suffered over the months of the revolution consequently it is exhilarating honest and thrilling to read Tocqueville s analysis is relevant for any democracy and consequently this work is relevant far beyond the borders of France Democracy in America Alexis De Tocqueville, 2009-01-01 Alexis de Tocqueville s *Democracy in America* *De la d mocratie en Am rique* is a classic text detailing the United States of the 1830s showing a primarily favorable view by Tocqueville as he compares it to his native France Considered to be an important account of the U S democratic system it has become a classic work in the fields of political science and history It quickly became popular in both the United States and Europe *Democracy in America* was first published as two volumes one in 1835 and the other in 1840 both are included in this edition **Democracy in America** Alexis De Tocqueville, Henry Reeve, 2024-11-24 When in 1831 Alexis de Tocqueville came to study *Democracy in America* the trial of nearly a half century of the working of our system had been made and it had been proved by many crucial tests to be a government of liberty regulated by law with such results in the development of strength in population wealth and military and commercial power as no age had ever witnessed De Tocqueville had a special inquiry to prosecute in his visit to America in which his generous and faithful soul and the powers of his great intellect were engaged in the patriotic effort to secure to the people of France the blessings that *Democracy in America* had ordained and established throughout nearly the entire Western Hemisphere He had read the story of the French Revolution much of which had been recently written in the blood of men and women of great distinction who were his progenitors and had witnessed the agitations and terrors of the Restoration and of the Second Republic fruitful in crime and sacrifice and barren of any good to mankind He had just

witnessed the spread of republican government through all the vast continental possessions of Spain in America and the loss of her great colonies He had seen that these revolutions were accomplished almost without the shedding of blood and he was filled with anxiety to learn the causes that had placed republican government in France in such contrast with Democracy in America De Tocqueville was scarcely thirty years old when he began his studies of Democracy in America It was a bold effort for one who had no special training in government or in the study of political economy but he had the example of Lafayette in establishing the military foundation of these liberties and of Washington Jefferson Madison and Hamilton all of whom were young men in building upon the Independence of the United States that wisest and best plan of general government that was ever devised for a free people

Tocqueville on America after 1840 ,2009-03-30 Alexis de Tocqueville s Democracy in America has been recognized as an indispensable starting point for understanding American politics From the publication of the second volume in 1840 until his death in 1859 Tocqueville continued to monitor political developments in America and committed many of his thoughts to paper in letters to his friends in America He also made frequent references to America in many articles and speeches Did Tocqueville change his views on America outlined in the two volumes of Democracy in America published in 1835 and 1840 If so which of his views changed and why The texts translated in Tocqueville on America after 1840 Letters and Other Writings answer these questions and offer English speaking readers the possibility of familiarizing themselves with this unduly neglected part of Tocqueville s work The book points out a clear shift in emphasis especially after 1852 and documents Tocqueville s growing disenchantment with America triggered by such issues as political corruption slavery expansionism and the encroachment of the economic sphere upon the political

Democracy in America Alexis de Tocqueville,1956-02-01 Tocqueville s monumental book is as relevant today as when it was first published in the mid nineteenth century and it remains the most comprehensive penetrating and astute picture of American life politics and morals ever written whether by an American or as in this case a foreign visitor This special edition contains the entire two volumes of Democracy in America based on the second revised and corrected text of the 1961 French edition meticulously edited by the distinguished Tocqueville scholar J P Mayer

History of American Political Thought Bryan-Paul Frost,Jeffrey Sikkenga,2003-01-01 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection

[The Social History of Crime and Punishment in America](#) Wilbur R. Miller,2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social

problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice

Democracy In America: Volume II Alexis de Tocqueville, 2014-11-18 Over the course of nine months in 1831 Alexis de Tocqueville a French political thinker and accompanied by Gustave de Beaumont travelled the United States under the pretext of studying the American prison system Over the course of his travels Tocqueville also studied American society religion politics and economics undertaking what would become one of the most comprehensive studies to that time of the practice of democracy in the United States *Democracy in America Volume II* continues Tocqueville s exploration of the nature of democracy in the United States including an analysis of American civil society *Democracy in America* was published in two volumes in 1835 and 1840 and is today considered one of the foundational works of political science HarperTorch brings great works of non fiction and the dramatic arts to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperTorch collection to build your digital library

Alexis de Tocqueville and American Intellectuals Matthew J. Mancini, 2006 Comprehensive in its chronology the works it discusses and the commentators it critically examines *Alexis de Tocqueville and American Intellectuals* tells the surprising story of Tocqueville s reception in American thought and culture from the time of his 1831 visit to the United States to the turn of the twenty first century

Embracing the Song of Term: An Emotional Symphony within **Democracy In America In Two Volumes**

In a world eaten by screens and the ceaseless chatter of quick connection, the melodic splendor and mental symphony produced by the written word frequently disappear in to the background, eclipsed by the persistent noise and disturbances that permeate our lives. Nevertheless, located within the pages of **Democracy In America In Two Volumes** a wonderful fictional prize brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts readers on an emotional trip, skillfully unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths with this moving evaluation, we can examine the book is central harmonies, analyze its enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Democracy In America In Two Volumes Introduction

Democracy In America In Two Volumes Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Democracy In America In Two Volumes Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Democracy In America In Two Volumes : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Democracy In America In Two Volumes : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Democracy In America In Two Volumes Offers a diverse range of free eBooks across various genres. Democracy In America In Two Volumes Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Democracy In America In Two Volumes Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Democracy In America In Two Volumes, especially related to Democracy In America In Two Volumes, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Democracy In America In Two Volumes, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Democracy In America In Two Volumes books or magazines might include. Look for these in online stores or libraries. Remember that while Democracy In America In Two Volumes, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Democracy In America In Two Volumes eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Democracy In America In Two Volumes full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Democracy In America In Two Volumes eBooks, including some popular titles.

FAQs About Democracy In America In Two Volumes Books

What is a Democracy In America In Two Volumes PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Democracy In America In Two Volumes PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Democracy In America In Two Volumes PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Democracy In America In Two Volumes PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Democracy In America In Two Volumes PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on

the circumstances and local laws.
