ML Morrison

Demosthenes Speeches 1 17 The Oratory Of Classical Greece:

Demosthenes, Speeches 1-17 Demosthenes,Jeremy Trevett,2011-12-01 This is the fourteenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few This volume contains translations of all the surviving deliberative speeches of Demosthenes plus two that are almost certainly not his although they have been passed down as part of his corpus as well as the text of a letter from Philip of Macedon to the Athenians All of the speeches were purportedly written to be delivered to the Athenian assembly and are in fact almost the only examples in Attic oratory of the genre of deliberative oratory In the Olynthiac and Philippic speeches Demosthenes identifies the Macedonian king Philip as a major threat to Athens and urges direct action against him The Philippic speeches later inspired the Roman orator Cicero in his own attacks against Mark Antony and became one of Demosthenes claims to fame throughout history [Demosthenes, Speeches 1-17](#) ,2011-12-01 This is the fourteenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today s undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few This volume contains translations of all the surviving deliberative speeches of Demosthenes plus two that are almost certainly not his although they have been passed down as part of his corpus as well as the text of a letter from Philip of Macedon to the Athenians All of the speeches were purportedly written to be delivered to the Athenian assembly and are in fact almost the only examples in Attic oratory of the genre of deliberative oratory In the Olynthiac and Philippic speeches Demosthenes identifies the Macedonian king Philip as a major threat to Athens and urges direct action against him The Philippic speeches later inspired the Roman orator Cicero in his own attacks against Mark Antony and became one of Demosthenes claims to fame throughout history [Demosthenes, Speeches 50-59](#) Demosthenes,Victor Bers,2003-07-01 This is the sixth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the

discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have been largely ignored women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity indeed his very eminence may be responsible for the inclusion under his name of a number of speeches he almost certainly did not write This volume contains four speeches that are most probably the work of Apollodorus who is often known as the Eleventh Attic Orator Regardless of their authorship however this set of ten law court speeches gives a vivid sense of public and private life in fourth century BC Athens They tell of the friendships and quarrels of rural neighbors of young men joined in raucous intentionally shocking behavior of families enduring great poverty and of the intricate involvement of prostitutes in the lives of citizens They also deal with the outfitting of warships the grain trade challenges to citizenship and restrictions on the civic role of men in debt to the state

Demosthenes of Athens and the Fall of Classical Greece Ian Worthington, 2015 The first ever biography of Demosthenes written in English for a popular audience set against the rich backdrop of late classical Greece and Macedonia

Demosthenes: Selected Political Speeches Judson Herrman, 2019-07-04 Demosthenes as an emerging political leader in fourth century Athens delivered a series of fiery speeches to the citizens in the democratic Assembly attacking the Macedonian king Philip II as an aggressive imperialist bent on destroying the city's independence This volume presents the Greek text of five of these speeches with full introduction and detailed commentary They show how the foremost politician of the day argued his case before the people who made policy decisions in the Assembly and how he eventually persuaded them to support his doomed militaristic position in preference to the more pragmatic stance of accommodation advocated by his political opponents These speeches are unique sources for the ideology and political history of this crucial period and the best specimens of persuasive rhetoric in action from democratic Athens This edition takes account of recent studies of fourth century Athens and showcases Demosthenes as a master of Greek prose style

The Orator Demades Sviatoslav Dmitriev, 2021-01-26 This is the first monograph in English about Demades an influential Athenian politician from the fourth century B C An orator whose fame outlived him for hundreds of years he was an acquaintance and collaborator of many political and military leaders of classical Greece including the Macedonian king Philip II his son and successor Alexander III the Great and the orator Demosthenes An overwhelming portion of the available evidence on Demades dates to at least three centuries after his death and often much later Contextualizing the sources within their historical and cultural framework The Orator Demades delineates how later rhetorical practices and social norms transformed his image to better reflect the educational needs and political realities of the Roman imperial and Byzantine periods The evolving image of Demades illustrates the role that rhetoric as the basis of education and edification under the

Roman and Byzantine Empires played in creating an alternate inauthentic vision of the classical past that continues to dominate modern scholarship and popular culture As a result the book raises a general question about the problematic foundations of our knowledge of classical Greece

Speeches from Athenian Law Michael Gagarin, 2011-03-01 This is the sixteenth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few This volume assembles twenty two speeches previously published in the Oratory series The speeches are taken from a wide range of different kinds of cases homicide assault commercial law civic status sexual offenses and others and include many of the best known speeches in these areas They are Antiphon Speeches 1 2 5 and 6 Lysias 1 3 23 24 and 32 Isocrates 17 20 Isaeus 1 7 8 Hyperides 3 Demosthenes 27 35 54 55 57 and 59 and Aeschines 1 The volume is intended primarily for use in teaching courses in Greek law or related areas such as Greek history It also provides the introductions and notes that originally accompanied the individual speeches revised slightly to shift the focus onto law

The Courts of Philip II and Alexander the Great Frances Pownall, Sulochana R. Asirvatham, Sabine Müller, 2022-01-19 Recent scholarship has recognized that Philip II and Alexander the Great adopted elements of their self fashioning and court ceremonial from previous empires in the Ancient Near East but it is generally assumed that the advent of the Macedonian court as a locus of politics and culture occurred only in the post Alexander landscape of the Hellenistic Successors This volume of ground breaking essays by leading scholars on Ancient Macedonia goes beyond existing research questions to assess the profound impact of Philip and Alexander on court culture throughout the ages The papers in this volume offer a thematic approach focusing upon key institutional cultural social ideological and iconographical aspects of the reigns of Philip and Alexander The authors treat the Macedonian court not only as a historical reality but also as an object of fascination to contemporary Greeks that ultimately became a topos in later reflections on the lives and careers of Philip and Alexander This collection of papers provides a paradigm shifting recognition of the seminal roles of Philip and Alexander in the emergence of a new kind of Macedonian kingship and court culture that was spectacularly successful and transformative

Demosthenes, Speeches 18 and 19 Demosthenes, Harvey Yunis, 2005-05-01 Presents a new translation of two oratories by Demosthenes delivered in 343 BC and 330 BC respectively In both On the Dishonest Embassy On the Crown Demosthenes assailed ultimately destroyed his arch rival Aeschines

Demosthenes, Speeches 39-49 Demosthenes, Adele C. Scafuro, 2011-07-01 This is the thirteenth volume in the Oratory of Classical Greece This series presents all of the surviving

speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity This volume contains eleven law court speeches ascribed to Demosthenes though modern scholars believe that only two or three of them are actually his Most of the speeches here concern inheriting an estate recovering debts owed to an estate or exchanging someone else's estate for one's own Adele Scafuro's supplementary material allows even non specialists to follow the ins and outs of the legal arguments as she details what we know about the matters involved in each case including marriage laws adoptions inheritances and the financial obligations of the rich While Athenian laws and family institutions e.g. the marriages of heiresses differ from ours in quite interesting ways nevertheless the motives and strategies of the litigants often have a contemporary resonance

Demosthenes, Speeches 27-38 Demosthenes, Douglas M.

MacDowell, 2004-09-01 This is the eighth volume in the Oratory of Classical Greece This series presents all of the surviving speeches from the late fifth and fourth centuries BC in new translations prepared by classical scholars who are at the forefront of the discipline These translations are especially designed for the needs and interests of today's undergraduates Greekless scholars in other disciplines and the general public Classical oratory is an invaluable resource for the study of ancient Greek life and culture The speeches offer evidence on Greek moral views social and economic conditions political and social ideology law and legal procedure and other aspects of Athenian culture that have recently been attracting particular interest women and family life slavery and religion to name just a few Demosthenes is regarded as the greatest orator of classical antiquity This volume contains five speeches written for lawsuits in which Demosthenes sought to recover his inheritance which he claimed was fraudulently misappropriated and squandered by the trustees of the estate These speeches shed light on Athenian systems of inheritance marriage and dowry The volume also contains seven speeches illustrating the legal procedure known as *paragraphe* or counter indictment Four of these are for lawsuits involving commercial shipping a vital aspect of the Athenian economy that was crucial to maintaining the city's imported food supply Another concerns the famous Athenian silver mines

The Hellenistic Peloponnese Ioanna Kralli, 2017-07-12 Existing treatments of Peloponnesian history are fragmented by poleis and period This book offers a comprehensive narrative of the political history of the entire Peloponnese from 371 to 146 BC using both literary and epigraphic evidence In the Hellenistic Peloponnese a long shadow was cast by the geo political changes of the 4th century Many continuities trace back to the forty years after Leuktra 371-330 Internal divisions and alliances are interwoven with the interventions of external powers Thebans Macedonian rulers and

finally the Romans The author s findings reveal remarkable consistencies in the history of the Peloponnese After Sparta s long invincible army was defeated at the battle of Leuktra there was much in Sparta s influence which was far from crushed Not only did Sparta s confidence persist as she agitated for centuries to renew her power other states of the Peloponnese conducted their own foreign policies in reaction either to Sparta s decline or especially to her resurgence and to the prospect of further resurgence still The book reveals continuity as regards Sparta in the foreign policies of Elis most of Arkadia Messenia and the Achaian Confederacy These definite patterns formed Peloponnesian history far beyond the narrow relation of each community to Sparta they also shaped the relation of most major Peloponnesian powers to each other

Orators of ancient Greece Guy Carleton Lee,1905 **Democracy and Classical Greece** John Kenyon Davies,1993 The art of classical Greece and its political and philosophical ideas have had a profound influence on Western civilization It was in the fifth and fourth centuries B C that this Greek culture material political and intellectual reached its zenith At the same time the Greek states were at their most powerful and quarrelsome J K Davies traces the flowering of this extraordinary society drawing on a wealth of documentary material houses and graves extant sculpture and vases as well as the writings of historians orators biographers dramatists and philosophers

Orators of ancient Greece, ed. by G. C. Lee, with the collaboration of M. Carroll Guy Carleton Lee,1902 *The Oxford Handbook of Demosthenes* Gunther Martin,2019 As a speechwriter orator and politician Demosthenes captured embodied and shaped his time This Handbook explores the many facets of his life work and time giving particular weight to his social and historical context and thereby illustrating the interplay and mutual influence between his rhetoric and the environment from which it emerged

Law and Order in Ancient Athens Adriaan Lanni,2016-08-09 This book draws on contemporary legal scholarship to explain why Athens was a remarkably well ordered society *From Deliberative Democracy to Consent Democracy* Dorothea Rohde,2023-04-24 The political system of Athens experienced a rebalancing in the period between 404 and 307 which cannot be adequately captured with the keywords decline or crisis The comprehensive analysis of Athens public finances opens up a new approach to this hinge period between classical and Hellenism and explains the evident change in the political order through the gradual and consensual transformation of the broad based deliberative democracy into one led from above but through the attribution of competencies and moral political trust Consent democracy carried into the ruling elite Thus an adaptable mechanism had been created as it was then to prevail in many places in Hellenism and which was constitutive for it

Lives of the Attic Orators Joseph Roisman,Ian Worthington,2015 This volume provides a complete translation of and historical and historiographical commentary on the lives of the ten Attic orators given by Pseudo Plutarch Photius and the Suda Assessing these works as important historical sources for the individual lives and careers of the orators whose works have survived this systematic study explores how these literary biographies were constructed the information they provide and their veracity In depth commentary notes offer contextual information explain references and examine individual rhetorical

phrases and a glossary of technical terms provides a quick reference guide to the more obscure oratorical and political terms. The volume also includes a detailed introduction which discusses the evolution of Greek oratory and rhetoric, the so-called Canon of the Ten Orators, the authorship, dates and sources of the biographies provided by Pseudo-Plutarch, Photius and the Suda, and a brief consideration of orators whose speeches were either falsely attributed to Demosthenes or may be referenced in the ancient lives.

Lycian Families in the Hellenistic and Roman Periods Selen Kılıç Aslan, 2023-07-31

Can we study the social and legal practices related to families in an ancient society even in the absence of relevant literary and legal sources? In Lycia, thanks to our rich corpus of inscriptions and the regional funerary epigraphic habit, we can. This book brings together for the first time the full range of Lycian epigraphic evidence, examines it in a systematic way, and investigates three central elements of familial life in the Hellenistic and Roman periods: marriage, children, and inheritance practices. In doing so, it briefly touches on a number of prosopographical, demographic, and anthropological questions. The book makes an innovative contribution not only to the history of Lycia but also to the wider study of ancient families.

The Enigmatic Realm of **Demosthenes Speeches 1 17 The Oratory Of Classical Greece**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
