**Selected Essays and Letters** National Assessment of

Educational Progress (Project),1972      **Critical Essays on World Literature, Comparative Literature and the “Other”**

Jüri Talvet,2019-09-18 The book offers coherent theoretical treatment of the conceptions of World Literature and Comparative Literature in parallel with their practical application to the research of different literary phenomena Renaissance and Baroque creativity literary canons philosophy of translation etc especially as viewed from the point of view of the other peripheral minor minority national linguistic cultures Envisaging womankind s historical liberation and a budding comparative world sensibility has been seen as one of the greatest merits of European creative humanists To explain the deep sources of creativity and image authenticity the notions of the aesthetic infra other and philosophical transgeniality have been introduced The proposed aim would be to transcend monologues of ideological cultural centres as well as formalistic and sociological trends in cultural and literary research and teaching The book advocates a plurality of creative dialogues and a mutually enriching symbiotic relationship between centres and peripheries      Between Argentines and Arabs

Christina Civantos,2006-06-01 Summary Examines the presence of Arabs and the Arab world in nineteenth and twentieth century Argentine literature by juxtaposing works by Argentines of European descent and those written by Arab immigrants in Argentina Between Argentines and Arabs is a groundbreaking contribution to two growing fields the study of immigrants and minorities in Latin America and the study of the Arab diaspora As a literary and cultural study this book examines the textual dialogue between Argentines of European descent and Arab immigrants to Argentina from the mid 1800s to the mid 1900s Using methods drawn from literary analysis and cultural studies Christina Civantos shows that the Arab presence is twofold the Arab and the Orient are an imagined figure and space within the texts produced by Euro Argentine intellectuals and immigrants from the Arab world are an actual community producing their own texts within the multiethnic Argentine nation This book is both a literary history of Argentine Orientalist literature and Arab Argentine immigrant literature and a critical analysis of how the formation of identities in these two bodies of work is interconnected
