The Return of Mother God Tony Scazzero, 2023-01-20 Most people become upset and even angry when it's suggested that the God they know as Lord and Father might also be called God the Mother Yet a society that reveres the feminine creates beauty love and equality More importantly the return of Mother God is needed as conferring with Her will improve our thinking to better handle the challenges of life The future prosperity of all countries would be ensured if men and women equally shared tasks working side by side It doesn't take a genius to figure out that humanity will benefit from a kinder gender balanced divinity Since God is the male female parent of all mankind until the Divine Mother is welcome back into our hearts humanity cannot fulfil their potential Mother God brings the highest awareness with limitless nurturing

The Eve of Destruction David W. Dickey, 2010-11 As I mingled among my fellow graduates my view of the future did not extend much beyond the following day when I would be heading to the beach College in the fall was too far in the future to contemplate now The only days that held relevance were the next ninety nine which would fashion what I hoped to be my best summer yet So begins *The Eve of Destruction* David Dickey's coming of age tale about the summer of 1965 a tranquil time when the country rested unwittingly on the brink of a cultural revolution Follow eighteen year old Dane Woody and the crew around their Southern California neighborhoods as they experience the ups and downs of friendship and young love and wrestle with some of life's basal choices Join them on misadventures and general teenage mischief as they seek revelry and endure summer jobs With music cars and popular culture of the decade woven into the backdrop *The Eve of Destruction* is a nostalgic story about the 1960s and a worthy ode to the Boomer generation

A Brief History of the Bible Tom Newman,2010-04 Tom Newman went into anaphylactic shock and suffered a cardiac arrest and complete respiratory failure after being stung repeatedly He flat lined his spirit and soul left his body and he became aware of what was transpiring around him There were no bright lights no tunnels and no one waiting to meet him Tom could see the operating table and watched the efforts to revive him It was after this experience that Tom began to seriously consider the sophisticated and complex nature of dueling realities the spiritual and physical realms are very real An understanding of life in two separate realities significantly alters our understanding as Author Tom Newman explains in A Brief History of the Bible This informative and biblically based book gives great insight for those curious about what the bible has to say over this topic and how it works harmoniously within itself to present us theological truth Tom did not find the answers in the sciences psychology or philosophy The Bible seemed to hold the best possibilities for answers and after a twenty year study of Scripture Tom found the answers to his questions about life and death Tom Newman currently resides in Eden Prairie New Mexico

Praise Gerald Clerie,2010-04 What is true praise Author Gerald Clerie believes true praise is the result of genuine redemption through the shed blood of God's perfect Lamb the Lord Jesus Christ The foundation for this study is the 103rd Psalm Clerie uses the first half of that model song of praise to show how David felt impelled to praise his God what he meant by blessing the Lord and why it was so important for him to engage his faculties senses and sentiments in extolling the Lord At the very core of praise is the memorial building process and for today's believer that process must culminate in the sacrifice of the Lamb of God as portrayed and immortalized for the Church in the Lord's Supper Continuing in the 103rd Psalm Clerie reviews with David the benefits of redemption touching on the value and immutability of God's marvelous promises the mystery of divine election and introducing the believer in Christ to his privileges and the purpose of God for him in choosing and calling him to Himself Join author Gerald Clerie in this insightful study of God's Word and learn to speak Praise The Language of Redemption
