Elementary Text Book on the Scientific Therapeutic Use of Electricity and Radiant Energy F int Many consider electro

therapy as a Special school or form of sectarianism and avoid it as irregular practice Second The extravagant claims of

quacks and misguided enthusiasts and the unscientific character of many of the articles on electro therapeutics which have

appeared in con temporary medical journals have disgusted many of the more conservative members of the profession Third

The absence of a simple and reliable elementary text book has been the greatest and in some cases the only reason for the

exclusion of electro therapeutics from the curricula of medical schools About the Publisher Forgotten Books publishes
