Why Not? Lee-Anne Preddy-Ryman,2015-04-13 Are you living your best life Yes Then congratulations No then why not You don t need to spend lots of money to improve your life All you need to do is ask the right questions and do a little work Lee Anne Preddy Ryman shares proven techniques that can help free yourself from negative thinking and take positive action She has been studying and practising the techniques in this book for more than fifteen years With a variety of best practises to help you get the most out of yourself and life this guidebook to achieving your dreams includes space to record reflections about what you have learned as well as guest chapters from individuals the author has helped The Work-Life Equation William L. Maw,2015-03-03 This book supplies a simple memorable and effective formula to solve problematic behaviors in the work environment and life in general An invaluable guidebook it will help readers move beyond mediocrity and achieve happier more successful lives The Work Life Equation Six Key Values That Drive Happiness and Success is for the millions of

people and business managers who are surrounded by bad behavior with its attendant mediocre or unsatisfying results at work and in their private lives but who hope and dream for happier and more successful lives The book begins with a frank explanation of the need for self awareness and self improvement then describes how the winning formula and the equation for happiness and success in work life H S f 4C 2R can be applied via six types of behaviors to effect sweeping changes The formula means Happiness and Success can be achieved by is a function of Cooperation Consideration Compassion Courtesy Respect and Responsibility The book focuses not just on the meaning of these values but also on how to better live them It concludes with a self assessment tool for the individual team or organization to complete that enables objective measurements of behaviors and identification of areas of potential improvement Dismissing the familiar corporate value cliché the author focuses on six key values most readers probably learned as kids but have forgotten about in adulthood or didn't realize were still apt and relevant The book provides priceless information and guidance for all readers but will be especially appreciated by those in the corporate workplace interested in self improvement and success educators and business students executives looking to shift their firm's behavioral atmosphere in a positive direction and individuals seeking inspiration and hope in their daily lives

Feng Shui for Wellness and Wealth James Adler, 2014-07-24 Feng Shui Made Easy Create Your Own Success There is a prevalent belief that Feng Shui is something that only rich people can practice another belief that is promoted by many other experts In fact anybody can practice Feng Shui if they understand its basic principles You don't need to buy any expensive cures or other special equipment to practice Feng Shui in your home Here Is A Preview Of What You'll Learn From Feng Shui For Wellness And Wealth The Simple Rules of Feng Shui that can be applied inexpensively and even if you live in a small apartment Feng Shui Tricks for your office stay focused and attract abundance How to attract health and vital energy for you and your loved ones How to use Feng Shui to bring overall Wellness The most common mistakes that we make with Feng Shui How to rearrange your bedroom to attract love and sexual vitality How to create positive energy around you and let it work for you Much much more Ever since I discovered Feng Shui I have managed to actually use it to improve my life in many ways For example since I used the principles of Feng Shui to rearrange the environment of my home and office I have felt lighter and more positive This has allowed me to become more productive and earn more And of course I have more fun since my living environment has become more positive It is well known and accepted in the East that the way a particular environment is set up can affect the way that people within it feel and even act In the West however this belief is often dismissed as superstition After all how can interior decoration have an effect on people But this belief has become increasingly validated by research For example it has become widely accepted that the primary color scheme of a room has an effect on the mood of people inside it My dear Friend and Reader I hope that my book will inspire you in certain way and that Feng Shui will help you achieve the balance you need Tags Wellness and Feng Shui Wellness at Home Wellness and Wealth Health and Money Feng Shui Feng Shui Energy Positive Energy Success Personal
