Factory Manuals Floyd Clymer,2024-05-15 152 pages and more than 120 illustrations and charts size 8 25 x 10 75 inches
This manual is a compilation of three factory manuals 1 250GT Directions for the Use and Upkeep Italian English language 2
250GT Spare Parts Catalogue Italian 3 250GT E Operating Maintenance and Service Handbook English Obviously much of
the information is also appropriate to other models in the 250 series such as the 250GTL 250SWB etc After we published Jim
Riff s 250GT Service Maintenance Notes in 2006 we began to search for additional documentation relating to this series of
Ferraris and we were fortunate enough to acquire copies of the three factory manuals included in this compilation In addition
we also located copies of the factory Laycock Overdrive Service Manual for the 250GTE 330GT plus additional Weber and
Marelli documentation appropriate to the 250 series which has since been appended to Jim s 2006 publication to produce a
revised and expanded 2024 edition which is available under ISBN 9781588500601 Obviously while there will be some cross
duplication of the information contained in this compilation and Jim Riff s manual when used in conjunction with each other
they create the most comprehensive service maintenance and overhaul manual available for the Ferrari 250 series of
automobiles Caretakers and enthusiasts of these early Ferrari automobiles may also find ISBN 9781588502728 a Ferrari
Handbook to be of interest This publication contains technical data and statistics for the majority of the 1948 to 1958 Ferrari
road and race cars It also includes 60 pages of component drawings wiring diagrams lubrication and brake schematics
exploded views etc for those early models We encourage you to exercise caution when purchasing technical publications for
your Ferrari as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by
individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies
that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre
owned used or even refurbished In addition they are often advertised for the incorrect series and or model years However
VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have
earned excellent reviews worldwide so you can be assured you are purchasing a quality product **Mercedes Benz 123**
