Duarte, 2022-12-02 How does artistic practice lead to the production of knowledge How does in turn artistic knowledge relate to its material base How does contingent materiality guide the artist towards finding form and developing a statement This volume is dedicated to the object as a process in order to offer new insights into the ways the object broadly construed comprising digital and other non-classical objects becomes an active element in artistic practice

**Lives of the Queens of England from the Norman Conquest**, 1854 The English writer Agnes Strickland 1796 1874 began her career writing poetry and romances before

turning to biographical studies This eight volume series written in collaboration with her sister Elizabeth and first published

between 1840 and 1849 was her most ambitious project It provides biographical accounts of the queens of England from Matilda of Flanders to Queen Anne Hugely popular in the Victorian period *Lives of the Queens of England* and its sequel *Lives of the Queens of Scotland* remain important landmarks in the development of biography as a genre and provide interesting perspectives on women s contribution to modern historiography Volume 8 focuses on Queen Anne 1665 1714 portraying her gentle and indulgent temperament and describing the political turmoil of her reign For more information on these authors see [http://orlando.cambridge.org/public/svPeople/person\\_id/striel](http://orlando.cambridge.org/public/svPeople/person_id/striel) and [http://orlando.cambridge.org/public/svPeople/person\\_id/striag](http://orlando.cambridge.org/public/svPeople/person_id/striag)

*My Body Given for You* Helmut Hoping ,2019 The Eucharist originated at the Last Supper of Jesus with his disciples It is based on the prayer of thanksgiving that Jesus pronounced over the bread and wine at that meal Eucharist means thanksgiving praise and blessing The Church celebrates the Eucharist as a memorial of the death and Resurrection of Jesus Christ which is more than a remembrance of the Last Supper of Jesus with his disciples In the Eucharist the sacrifice of our redemption becomes present sacramentally In the past dogmatic theology has treated the meaning of the Eucharist while disregarding the form of its liturgical celebration whereas liturgical studies have been content with only the latter Yet the two cannot be separated any more than liturgy and dogma or pastoral practice and doctrine can be understood without the other The Church s liturgy is not something external to Christian revelation but rather as Joseph Ratzinger said revelation accepted in faith and prayer In this work Helmut Hoping combines the approaches of dogmatic theology and liturgy while examining the Eucharist from a historical and systematic perspective This new English translation of the second German edition of this major work revised and expanded includes a comparative analysis of the Second Eucharistic Prayer and a chapter on the theology of the words of institution

Guss,2001-01-02 If as David Guss argues culture is a contested terrain with constantly changing contours then festivals are its battlegrounds where people come to fight and dispute in large acts of public display Festive behavior long seen by anthropologists and folklorists as the uniform expression of a collective consciousness is contentious and often subversive and *The Festive State* is an eye opening guide to its workings Guss investigates the ideology of tradition combining four case studies in a radical multisite ethnography to demonstrate how in each instance concepts of race ethnicity history gender and nationhood are challenged and redefined In a narrative as colorful as the events themselves Guss presents the Afro Venezuelan celebration of San Juan the neo Indian Day of the Monkey the mestizo ritual of Tamunangue and the cultural policies and products of a British multinational tobacco corporation All these illustrate the remarkable fluidity of festive behavior as well as its importance in articulating different cultural interests      [The Musical World](#) ,1861      **The Royal Tombs of the First Dynasty, 1900-1901** William Matthew Flinders Petrie,1900      *The Royal Tombs of the First Dynasty* William Matthew Flinders Petrie,Francis Llewellyn Griffith,1900      [Lives of the Queens of](#)
