Fever The Life And Music Of Miss Peggy Lee:

Fever Peter Richmond, 2006-03-21 I learned courage from Buddha Jesus Lincoln and Mr Cary Grant So said Peggy Lee the North Dakota farm girl who transformed herself with the help from some of the greatest musical artists of her time into one of the most glamorous distinctive and important singer songwriters ever to step into a spotlight Einstein adored her Duke Ellington dubbed her simply the Queen Often compared to her lifetime friend Frank Sinatra she sang jazz swing bebop ballads rock and roll the blues Peggy Lee created drama character and poetry as an actress might without ever losing the beat With her silky whisper and platinum cool she sold 20 million records made more money than Mickey Mantle and helped create American music s greatest generation With *Fever* Peter Richmond delivers the first biography of Lee a portrait of a lady that is above all a portrait of an artist It begins in the Depression s hard days with a kid named Norma born with nothing but the wide open plains Her mother died when she was only a child her father drank and her stepmother beat her But the music on the radio from faraway cities gave her a dream that would never fade One day she hit the road hoping that the music she loved would lead her someplace better It did to a new name and new towns where in the midst of the great war a gallery of brilliant innovators like Benny Goodman who is often credited with discovering her were ushering in a brand new beat a sound that would change American lives Peggy Lee became one of the girls who sang with the bands traveling the country with the jazzmen on buses and late night trains Richmond traces how Peggy rose right along with jazz itself to become a star an unstoppable hit maker and a lyricist whose soul searching imagery paved the way for women who wanted to write their own songs For Lee there would ultimately be four marriages a daughter a one woman Broadway show Europe the Waldorf Vegas Basin Street East and the White House an Oscar nomination more than a few lovers and friends like Bing Crosby and Judy Garland who called Peggy her favorite singer There would be a mansion high in the California hills and a thousand and one nights of her name in lights Yet beneath the diamonds Peggy Lee was and would always be Norma
