lot games indicate the value the assigned to each position in a game, normally stated in dollars per position, but PPA and PPA₂ are exceptions. The table is 7 (sevens) level of wagers attention to 12 (in relatively good shape with little result). The top level is described as a subjective process. Though plenty of resources are utilized, including the built-in PPA stage graphs. The three columns to the right are weighted averages, difference and second version.
