Principle-Centered Parenting: Phyllis Williams,2015-10-12 Principle Centered Parenting is not about controlling manipulating or changing childrens external behavior It is about starting healthy spiritually based thinking that changes behavior from the inside out Focusing on controlling or changing external behaviors is like trying to change a picture projected on a screen without changing the film in the camera As children learn to love good their behavior reflects their thinking and bad behavior dissolves like darkness when we turn on a light We cannot teach a drowning person how to swim Similarly we cannot teach healthy behavior to an out of control child It is necessary to stop destructive or harmful behavior with temporary measures but long term learning takes time repetition creative insight and willingness to listen to our inner spiritual parenting guide Teaching behavior principles is similar to teaching math or reading

It takes loving patience and faith in a child's ability to learn. When children understand correct principles, their mistakes disappear. Parables like the Wheat and Tares explain the spiritual law of growth and development. The scriptures contain powerful stories that make spiritual laws practical and effective in parenting and daily family life. Principle Centered Parenting is a guide for parents to tap into their own and their children's infinite spiritual resources. *NKJV, The NKJV Study Bible* Thomas Nelson, 2013-01-16. Smith, Arkansas to Princeton, New Jersey to Kernersville, North Carolina, with a stop along the way in Asbury Park, New Jersey, to pay homage to The Boss, Michael Gehring takes us on his journeys as a pastor at a pivot point in history for the church and the world. Along the way, we meet up with a fascinating array of characters: Barbara Brown Taylor, Albert Einstein, Ernest Hemingway, Dietrich Bonhoeffer, and Jesus's forerunner, John the Baptist, to name just a few. But it's the questions Gehring raises that make this book not only entertaining but compelling reading for individuals and small groups. How might the decline of the church lead us into rediscovering the gospel? Did clergy and all of us, for that matter, make a good choice investing in institutional Christianity? How would you describe the emotional price of love? What does living a soulful life look like? With the humility and genuineness of someone who doesn't pretend to have it all figured out, Gehring is the perfect travel companion. Come along. **Living Your Best Life on Purpose** Bishop Hattie Dancil-Small, 2021-01-31. This book was written with the express purpose to motivate each reader to believe that you can live your best life. Before you were born, God had a plan for you and had formed and shaped you for a particular purpose which requires His Holy Spirit to set you apart in preparation for His Service. It all begins with our faith in Jesus Christ. Then you can say with assurance, "I can do all things through Jesus Christ." Start believing you can. Stop believing you can't. Start saying you can. Stop saying you can't. God has greater for you, and God has better for you. If we allow God to have his way in our lives, you will live your life on purpose. You will live a fulfilling life. You will reach your destiny. There will be nothing missing and nothing lacking with the Lord on your side. Ultimately, God will get the glory. When you live your life on purpose, you will hear the voice of God distinctly leading and guiding you to be all that he has ordained for you. His guidance is important because it is the Lord who gives each of us purpose. Современный библейский перевод. Теория и
