as well as the deepest lake in the world And more important than the places meet the people that make a motorcycle trip the most memorable adventure of a lifetime Mango A Thai Rescue Dog Travels The World Most people bring back a souvenir or two Patrick Sherrie brought back a dog While on the South East Asia portion of their world trip Patrick and Sherrie saw all kinds of creatures being carted around on little motorcycles When they met Mango on the island of Koh Tao they decided to follow suit and took him along for the ride Keep the Shiny Side Up A Motorcycle Adventure From Germany To Turkey Back Again Sherrie s first trip riding solo Keep The Shiny Side Up is an intimate account of why someone with a week old motorcycle license would jump on their bike and ride away Hint It helps if staying means your homeless And as Sherrie was to find out self awareness is where the real zen of motorcycle travel occurs **Marilyn Across America** Jeff

Fletcher,2019-11-23 Follow along on a life changing ride on a motorcycle names Marilyn See what it s really like to spend a month or more on the Trans America Trail Read what no one tells you about life on the road Before any story is told there must be a reason Some reasons are simple The walk to the mail box for example It s a very short story with a reason and a purpose This story is longer It s reasons and purpose more complicated But in the end it s as simple as wondering what s in that box The one just over the next horizon Three years before I set off on a solo ride across America on a motorcycle named Marilyn I sat in the basement of a typical suburban house All of the lights were out No one was home except myself Had there been I would have likely put on a stiff upper lip and pretended to be fine Except I wasn t Guttural animal like sounds escaped my body in a painful murmur that surely was not my own It could not have been because I had never heard that voice before Waves of primordial intonations rose and fell There was no escape There was no place to hide I learned that when you cry lying on your back that you get tears in your ears I learned that all of the control that I thought I had was an illusion I buried myself deeper into a corner trying to fence off whatever was attacking my core Anyone witnessing this pitiful scene would have surely thought it was some kind of reenacted Hollywood drug induced nightmare It was not No alcohol was involved No drug of any kind It was worse than either Worse because there was nothing from which to withdraw Or was there What does all of this have to do with riding a motorcycle along the Trans America Trail Nothing And Everything Read on to connect the metaphorical dots of one rider s inner journey from that dark basement to the shining ocean of the Oregon coastline Trans-Africa by Motorcycle: a Father's Diary Lawrence Bransby,2017-07-13 Most people would regard it as

irresponsible madness for a father to take his 17 year old son riding old and somewhat worn out XT500 motorcycles on a four month ride across Africa But Lawrence Bansby did In this era of celebrity fully supported long distance motorcycle journeys with 4X4s carrying spares a camera crew full medical kit and a great deal of money Lawrence and his son Gareth set off on their old but bullet proof XT500s with a handful of spare parts and the three Michelin maps that cover Africa The plan was to travel North from their home in Natal South Africa then West through Zaire Central African Republic Nigeria Niger and finally across the Sahara through Algeria but it was not to be wars in Sudan and Zaire murders of Europeans in Algeria

forced them further and further East until they found themselves in Eritrea on the Red Sea coast with war torn Sudan blocking their way to the West and the closed border of Egypt to the North For all bikers who have embarked on long distance adventures those planning a trip of their own or the arm chair traveller who always thinks What if this diary is a must an amazing read touching interesting exciting filled with insight about the countries they travelled through and the people they met along the way Unlike many travel diaries of this sort however Trans Africa by Motorcycle A Father s Diary is the account of a growing relationship between a father and son of seeking adventure together despite the limitations of finance and equipment of achieving that which at heart every father secretly wants to do with his son or daughter This is an uplifting and inspiring book And what is even more special is that 15 years later in 2011 Lawrence and Gareth completed another motorcycle journey together this time into Russia both still inspired with a love for motorcycles and long distance adventure travel This trip is captured in a similar way in Bransby s account Venture into Russia Three Motorcycle Journeys also available on Kindle About the Author Lawrence Bransby has taught English to both high and primary school children throughout his life often taking his personal experience of working with young children and teenagers as the starting point of his novels especially during the break up of the hated Apartheid regime in South Africa when the all white school he taught at became multi racial Of the eight teenage novels he has written four have won literary prizes and one short listed Twice his novels were chosen by Book Chat as South African Children s Books of the Year Homeward Bound and A Mountaintop Experience Down Street his first teenage novel won the prestigious MER Prize for Youth Literature and The Boy who Counted to a Million won the seldom awarded Percy Fitzpatrick Literary Prize Bransby s writing includes novels both for teenagers and adults as well as travel diaries begun when in 1997 he crossed Africa with his 17 year old son on old XT500 motorcycles Since then he has travelled by motorcycle to Russia three times Venture into Russia Albania Albania by Motorcycle and driven across part of the Western Sahara in an old Ford Fiesta Plymouth Dakar Banjul Old Bangers Challenge He now lives in Paignton Devon and keeps himself fit kayaking cycling and whenever possible travelling on his motorcycle to remote places

The Cosmic Burrito David Shiffman, 2001-12 Harmony Rae With her long blonde hair body made for sin and the voice of a mythical siren Harmony is the epitome of a ROCK STAR The mother of two beautiful sons the wife of a supportive handsome man It would seem that the world is her s for the taking that is until her past comes crashing back in the form of a brooding sexy ROCK STAR Adrian Gillette Leaving the love of his life behind to become a ROCK GOD he can t take watching Harmony from a far anymore So moving back to The City of Angels he plans to win back her heart and to finally find out what s hiding behind her eyes
