

The book cover features a detailed geological illustration. The upper portion shows a cross-section of the Earth's crust with various rock layers in shades of blue, purple, and brown. A large, rounded, orange-brown rock formation is prominent in the center. Below this, a dark, shadowed area suggests a cave or a deep crevice. The bottom section of the cover is a solid teal color, providing a background for the title and authors' names. The book is bound with a silver-colored metal spiral on the left side.
