Terry Mizrahi, Larry Davis

Generalist Social Work Practice A Strengths Based Problem Solving Approach 5th Edition:

Generalist Social Work Practice Elizabeth M. Timberlake, Michaela Zajicek Farber, Christine Anlauf Sabatino, 2008

This well known and widely used text is intended to provide entry level professional social workers with a foundation of knowledge and values needed to practice from a generalist perspective focusing on culturally competent ethical effective and accountable generalist social work practice skills This thoroughly revised edition explores the strengths based problem solving approach in all phases of the General Method moving away from a deficit perspective towards an asset resource perspective

Consultation Theory and Practice Christine Anlauf Sabatino, 2014-03-28 School social workers engage in different forms of consultation on a daily basis yet they rarely think about or describe this work as consultation Further school social work practice research finds that consultation is among the most frequently performed practice tasks yet consultation is rarely defined in school social work literature or research This book adapts the consultation theory and practice framework put forward by June Gallessich 1982 that defines consultation in specific terms and proposes that there are six models of consultation These models are organizational consultation program consultation education and training consultation mental health consultation behavioral consultation and clinical case consultation The models are differentiated according to their problem focus outcome goal intervention methods change processes power base and value system School social work consultation services are an important pathway to help school systems fulfill their educational mission and to help school personnel become more effective in their professional work It is consistent with current trends in educational policy that call upon school social workers to take a multisystem approach to addressing school needs on a school wide class wide or individual level The overarching goal of the book is to provide school social workers with the knowledge skill and confidence to implement consultation services Consultation is a powerful method to realize the promise of the whole school approach and to help homes schools and communities foster school success and student well being

Applying Theory to Generalist Social Work Practice Carol L. Langer, Cynthia Lietz, 2014-11-25 The social worker s guide to integrating theory and practice Applying Theory to Generalist Social Work Practice teaches aspiring social workers how to apply theory in real world practice Fully aligned with the Council on Social Work Education s 2015 Educational Policy and Accreditation Standards the book links theory to practice with clear concise instruction including a discussion of evidence based practice Twelve commonly used theories are thoroughly explained with discussion of the strengths and limitations of each and applied to real work with individuals groups families communities and organizations The book includes case studies and first person contributions from practicing social workers to illustrate the real world scenarios in which different concepts apply Critical thinking questions help students strengthen their understanding of the ideas presented Tools including a test bank PowerPoint slides and an instructor s manual are available to facilitate classroom use providing a single volume guide to the entire helping process from engagement to termination Practice is a core foundational course for future social workers but

many practice texts focus on skills while neglecting the theoretical basis for social work Applying Theory to Generalist Social Work Practice fills that gap by covering both skills and theory in a single text Examines the applications of prevailing social theories Covers the most common theories used in micro mezzo and macro practice Helps readers understand well established approaches like strengths perspective humanistic and client centered task centered and solution focused brief therapy Shows how to apply major theories including ecological system cognitive behavioral conflict empowerment narrative crisis critical and feminist An effective social worker recognizes the link between theory and practice and how the two inform each other to culminate in the most effective intervention and most positive outcome for the client Applying Theory to Generalist Social Work Practice provides students with a roadmap to the full integration of philosophy and application in social work

Theoretical Perspectives for Direct Social Work Practice Nick Coady, PhD, Peter Lehmann, PhD, LCSW, 2016-05-15 This expanded third edition of a popular textbook provides a completely revised and updated overview of the theories models and therapies that inform direct social work practice The text is grounded in generalist social work principles and values and promotes a problem solving model of social work practice as a framework for the eclectic use of theory as well as for integrating the artistic reflective elements of practice It provides in depth coverage of select psychodynamic cognitive behavioral humanistic critical and postmodern theories The third edition features a new section on Critical Theories where a new chapter on Empowerment Theory is included with a completely revised chapter on Feminist Theory A new chapter on Strengths based Social Work has been added to the section on meta theories for social work practice Other new chapters include Emotion focused Therapy and Collaborative Therapy These revisions are based on suggestions from an extensive survey of professors New to the Third Edition A new section on Critical Theories New chapters on Strengths based Social Work Emotion focused Therapy Empowerment Theory and Collaborative Therapy Updated research on the debate about the importance of theory technique versus common e g relationship factors and on the critique of the empirically supported treatment movement Key Features Grounds direct practice firmly in the principles and values of generalist social work Promotes a problem solving model of social work as a flexible structure for integrating the eclectic use of theory with the artistic reflective elements of practice Organizes direct practice theories into like groupings and provides an overview of the main characteristics of each grouping Provides in depth coverage of topics in a clear logical and consistent format Includes editors and contributors from the U S and Canada

Generalist Social Work Practice Sara Anne Holliday, Emerson College, 2006 This project chronicles the development of the fifth edition revision of Generalist social work practice The project contains and editorial plan a rough design plan and a marketing plan abstract

Chapters 1-7: The Practice of Generalist Social Work Marla Berg-Weger, Julie Birkenmaier, 2017-05-25 The fourth edition of *The Practice of Generalist Social Work* continues to teach students to apply micro macro and mezzo social work skills This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS This edition also

contains more illustrations of theory and more context for deciding which type of intervention is a good fit Most chapters now open with a case study and continually refer back to the case to provide additional connections between theory and real life practice Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today The Quick Guides within the text offer students guidance for their field experience and practice after graduation The text also comes with a rich companion website that includes support materials and six unique cases that encourage students to learn by doing Go to www.routledgesw.com to explore the cases and additional resources

Theoretical Perspectives for Direct Social Work Practice Nick Coady, 2007-10-22 Print CourseSmart *The Practice of Generalist Social Work* Marla Berg-Weger, Sabrina W Tyuse, 2023-04-03 In its new edition *The Practice of Generalist Social Work* provides in depth understanding of the knowledge skills values and affective and cognitive processes needed for social work practice in the present moment Grounded in a strengths based perspective chapters in the textbook discuss practice with individuals families groups communities and organizations and guide students through all phases of the change process with the aid of case studies examples and exercises that highlight and provide connections to real life practice situations Theoretical frameworks important value and ethical considerations and pivotal communication skills are all included in the text s comprehensive coverage of different practice settings with clients and communities The sixth edition is now guided by the 2022 Council on Social Work Education Educational Policy and Accreditation Standards EPAS with connections to renewed objectives and competencies integrated throughout and is further updated to reflect and focus on new developments within the discipline These include anti racism efforts and movements to address entrenched racial inequities the practice of cultural humility and cultural responsiveness and attention to community based implications of the COVID 19 pandemic Strengthened and now fully up to date this edition of *The Practice of Generalist Social Work* provides a sweeping in depth and lively introduction to social work practice for generalist courses and is supported by a range of fully updated resources for instructors and their students on www.routledgesw.com *The Practice of Generalist Social Work* Julie Birkenmaier, Marla Berg-Weger, 2017-05-26 The fourth edition of *The Practice of Generalist Social Work* continues to teach students to apply micro macro and mezzo social work skills This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS This edition also contains more illustrations of theory and more context for deciding which type of intervention is a good fit Most chapters now open with a case study and continually refer back to the case to provide additional connections between theory and real life practice Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today The Quick Guides within the text offer students guidance for their field experience and practice after graduation The text also comes with a rich companion website

that includes support materials and six unique cases that encourage students to learn by doing Go to www.routledgesw.com to explore the cases and additional resources

The Routledge Handbook of Social Work Theory Malcolm Payne, Emma Reith-Hall, 2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care *American Book Publishing Record* ,2007 *Encyclopedia of Social Work* ,1965
