Faith, Hope and Love Robert W. Christensen,2012-02 This book by Dr Christensen is a Trilogy of his earlier books on those same three topics FAITH I suspect we all go through life wondering what is faith From the time we are just infants we have to believe for and have faith for all sorts of things Will mother remember to feed me Will I get picked up out of my crib today To all sorts of things from that moment on As we get instruction about God and our relationship with God we then get to be a bit like the original disciples who made the statement to Jesus about increasing our faith In Romans 10 8 we see the statement The word is nigh thee even in thy mouth and in thy heart that is the word of faith that we preach But what is faith In talking about it in the spiritual or religious realm we are talking about having faith in God If we say we have faith in God are we really saying we can lay our lives down for God To have complete faith in what he says he will do Total dependence on God just as when we were babies we had total dependence on our mothers or fathers So now if we have confessed Jesus as our Lord and Savior are we willing to be obedient to His every command Is that where faith begins HOPE Our hope is in fervently and completely trusting our Lord In the 3rd Psalm King David is fleeing from Absalom his son who is out to slay him Now that is one serious circumstance which I am sure all of us can agree would cause discouragement and despair David makes a number of statements in that Psalm which can give us hope when it seems there is no hope LOVE The Bible has a great deal to say about Love and if we were to review the message and ministry of Jesus Christ we would find the central theme has to do with love It basically has to do with loving God and then loving your neighbor as yourself Sounds easy doesn't But it will likely take your whole life in your attempt to fulfill that command of the Lord
