*Matthew: A King's Ransom* Practical Christianity Foundation, 2020-08-08 The gospel of Matthew chronicled by one who personally journeyed with Jesus during His earthly ministry is a unique account since it is generally agreed that it was written with a Jewish audience in mind As such great care is taken in providing detail that substantiates Jesus as the Christ the promised Messiah No other gospel focuses so strongly on the divine aspects of the King and His kingdom No other gospel provides such detail of the Sermon on the Mount No other gospel so thoroughly links Jesus as the fulfillment of all Old Testament prophecies True the concept of Jesus as God's anointed King over Israel is the point around which the Jewish people must wrestle for if Jesus is the Messiah then where is His kingdom Indeed the skeptical Gentile can ask this question as well They like each of us must realign their concept of the kingdom and understand the full impact of Matthew's personal testimony concerning Jesus His life His death His resurrection and the salvation that He offers to them and indeed to the whole world

Ayukawa Yoshisuke 1880 1967 was the founder of the Nissan conglomerate and the leader of the Manchuria Industrial Development Corporation one of the linchpins of Imperial Japan's efforts to economically exploit its overseas dependencies. Despite his close association with the Japanese government from the 1920s to the 1950s, Ayukawa was a proponent of free trade and global economic interdependence. He sought to lessen state control of Japan's economy by trying to attract foreign, especially American, capital and technology in the years surrounding World War II. In the postwar era, in particular, Ayukawa actively pushed the growth of small and medium-sized firms, yet his efforts were ultimately unsuccessful. In *Unfinished Business*, through exploring the reasons for Ayukawa's failure, Haruo Iguchi illuminates many of the economic problems of today's Japan.
