Back to the Zone Damien Lafont, 2015-02-25 For athletes in any sport a guide to entering the Zone at will The Zone is that quasi mystical state achieved only rarely by athletes when everything flows effortlessly and you can do no wrong Unfortunately we enter the Zone seemingly at random when it is least expected The great hope of all competitors is to be able to summon the Zone at will Toward this end Back to the Zone breaks the Zone down into its many components and helps the athlete optimize each one balance absorption clarity feedback concentration control loss of self consciousness imagination positive thoughts energy self esteem meditation and quiet mind Ultimately Damien Lafont shows us that reaching the Zone is more about freeing our mind from the unnecessary rather than learning new techniques and concepts This is a short clear practical guide for athletes in all sports With it the golfer or the baseball player the runner or the swimmer the tennis player or the cyclist will all reach new levels of performance and will find themselves in the Zone more often _____ Every athlete must go beyond transcend the barriers of pain mind and fear Here they reach a holy land within themselves that gives the athlete the gift and power of feeling oneness a connectedness Every athlete and person has the ability to experience this grand unity and I applaud anyone who reads this book and is inspired to allow this true and natural experience for themselves Catherine Louise Birmingham international equestrian rider coach and author of Ride for Life Three Golden Principles for Riders Words often feel inadequate to describe the quasi mystical state of being in the Zone Damien Lafont's Back to the Zone remarkably achieves a new level of understanding insightfully using the voices of those who experienced it blending them as in a Bach fugue as in a collective jazz improvisation Reading this book we feel closer to it we feel it Marco Iacoboni professor UCLA and author of Mirroring People The Science of Empathy and How We Connect with Others
