Free to Run the Race Gary V. Ventimiglia, 2016-09-22 *Free to Run the Race* describes the living out of our life in Christ Hebrews 12:1 It speaks of running with endurance the race that is set before us This can be done by fixing our eyes on Jesus *Undoing the Burden of Parental Disregard* speaks to a specific encumbrance that weighs the runner down making it harder to keep focus and finish the race The burden is called parental disregard It is not being allowed to be oneself to pursue one's inner direction or natural proclivity in one's life It is the experience of developmental woundedness that says being oneself in temperament aptitudes natural talents and the expressing of this is prohibited Prov 22:6 says train up a child according to his own way The burden of parental disregard is the emotional pain in living out an identity that is not based on any expression of one's natural way's or bent's This makes the development of trust in a heavenly Father parent difficult The relieving of this burden takes a ruthlessly honest focus on this woundedness and its working out its implications honestly that allows a more truthful understanding of God's love for our lives

Digital Publics John Michael Roberts, 2014-11-13 Today we often hear academics commentators pundits and politicians telling us that new media has transformed activism providing an array of networks for ordinary people to become creatively involved in a multitude of social and political practices But what exactly is the ideology lurking behind these positive claims made about digital publics By recourse to various critical thinkers including Marx Bakhtin Deleuze and Guattari and Gramsci *Digital Publics* systematically unpacks this ideology It explains how a number of influential social theorists and management gurus

have consistently argued that we now live in new informational times based in global digital systems and new financial networks which create new subjectivities and power relations in societies Digital Publics traces the historical roots of this thinking demonstrates its flaws and offers up an alternative Marxist inspired theory of the public sphere cultural political economy and financialisation The book will appeal to scholars and students of cultural studies critical management studies political science and sociology
