

The background of the cover features a complex molecular model. It consists of numerous blue spheres, likely representing carbon atoms, connected by thin green rods representing chemical bonds. The structure is three-dimensional and somewhat abstract, with various branching and ring-like formations. The lighting is soft, giving the spheres a slight glow and highlighting the connections between them. The overall color palette is dominated by the blue of the spheres and the green of the bonds, set against a dark, slightly textured background.
