you Straight from the pews as a layman I longed to see change not only in my life but in the lives of those around me and in my city I had witnessed so many lives battered and wounded and I seemed powerless to do anything I became restless with my mediocre faith and realized that there had to be more I wanted more and I was going to have more But the question was would I be prepared to fight to see the kingdom of God and all it represents manifested in my everyday life There is a battle raging in the spirit realm for the souls of humankind The battle lines have been drawn but God is awakening a generation that will learn how to war Their battle cry will echo into eternity as they boldly declare Thy kingdom come They will be known as the warring generation They are prepared to contend to initiate change in their different areas of influence They refuse to turn a blind eye toward the problems that plague people and society as a whole So they choose the road less traveled and make a relentless stand for righteousness They dare to believe for the manifestation of Gods kingdom in their lives families workplaces schools churches cities and nations They are everyday people most of whom are nameless and faceless but are a force to reckon with They are the warring generation Will you be part of this generation Discover how you can awaken the warrior within you and make an indelible mark in your world as you read this book **Breaking**
