**Genesis Revisited** Zecharia Sitchin, 2002-03-01 Was Adam the first test tube baby Did nuclear fission destroy Sodom and Gomorrah How were the ancients able to accurately describe details about our solar system that are only now being revealed by deep space probes The awesome answers are all here in this important companion volume to The Earth Chronicles series Having presented evidence of an additional planet as well as voluminous information about the other planets in our solar system Zecharia Sitchin now shows how the discoveries of modern astrophysics astronomy and genetics exactly parallel what has already been revealed in ancient texts regarding the mysteries of alchemy and the creation of life Genesis Revisited is a mind boggling revelation sure to overturn current theories about the origins of humankind and the solar system *The Cydonia Codex* George J. Haas, William R. Saunders, 2005 The result of ten years of study and analysis of NASA photographs of the Face on Mars and its surrounding complex The Cydonia Codex provides evidence for a terrestrial connection between Cydonia and Mesoamerica Provided by publisher **Nothing in This Book Is True, But It's Exactly How Things Are, 15th Anniversary Edition** Bob Frissell, 2010-06-15 Nothing in This Book Is True But It's Exactly How Things Are is an account of humankind's function within the grand celestial battle between internal and external knowledge Author Bob Frissell gives a compelling account of our planetary ascent into higher consciousness presenting a big screen view of the Earth through the experience of the Ascended Masters Thoth Babaji and Drunvalo Melchizedek Pulling in all manner of conspiracy theories from the Secret Government to the Philadelphia Experiment Frissell proposes both a core transdimensional shift based on the Mayan calendar and a personal Rapture mediated through the connected affirmed breaths of rebirthing that his teacher Melchizedek used to travel from the other side of the universe to here breathing your own spacecraft merkaba out of and around your aura in order to travel through the astral realms The 15th anniversary edition of this cult classic is revised and expanded with new illustrations and 50 pages of important new information on the Lucifer Rebellion the solar storm and the final three breaths of the merkaba meditation **The Genesis Race Will** Hart, 2003-10-24 Shows that Earth was visited by an extraterrestrial race who bioengineered modern man in its image and taught man how to construct the pyramids Examines the flaws in Darwin's theory of evolution and presents startling new evidence of intelligent intervention Reveals the messages coded in the pyramids left by the ancients concerning impending Earth changes at the end of the Mayan calendar For millennia the development of humanity showed a consistent homogenous pattern Then suddenly around 3000 B C E great civilizations sprang up around the globe All the creation myths of these civilizations tell of gods who came down to Earth and fashioned man in their own image teaching them the arts of agriculture and civilized life In addition the dominant architectural design in Egypt Sumeria Peru Mexico and China was the pyramid though science has never been able to explain why or where these peoples obtained the advanced technological knowledge to construct such edifices The abruptness and similarities of these evolutionary leaps calls into question the

Darwinian theory of evolution given that there are no traces of any intermediate evolutionary forms Now using the most current research on DNA Will Hart shows that these gods were actually visitors from other worlds who genetically engineered modern humanity from the beings that then inhabited the planet He also suggests that the Bible and other creation stories have been interpreted falsely as myth when they should have been read as history The structures left by our ancestors were designed in accordance with precise astronomical and geodetic alignments to make them visible from outer space and to survive for thousands of years with the intent of communicating information relating to physical and temporal events Humanity s current stage of development has finally reached the point where the secret messages of these structures can be decoded to reveal the fate of humanity in the coming Earth changes The Dawning of the Golden Age of Aquarius Albert Amao Ph. D.,2012 We are at the threshold of a transitional period from the Age of Pisces to the Age of Aquarius What should we expect from this coming New Era What are its signs What is the fate of human spirituality What will the new concepts of God and of religion be This book attempts to answer these questions based on well researched sources complemented and endorsed by cosmology archeology psychology religion Near East studies and mythology among other scientific disciplines The book also intends to clarify the confusion created by some Protestant religious leaders and sensationalistic writers who have misinterpreted the signs of the transitional period as the end of the world The truth is that we are witnessing a shift of ages that is the slow evolution from the Piscean Era to the commencing of a new worldwide social order a new chapter in human history called the Aquarian dispensation The huge conspiracy propounded by false prophets and some New Age writers whether overtly or covertly feeds the fear and anxiety of ordinary people with unfounded apocalyptic propaganda This book attempts to give the reader an accurate perspective regarding the planetary transformations that are taking place it offers hope and inspiration as we approach the Golden Age **Awakening the Soul: Book 2** Bill Missett,2005-10-18 I am absolutely in awe of your book It is an extraordinarily important work It will I humbly suggest change many lives Joseph W Dunn Jr Editor A R E Press I believe Awakening the Soul Book 3 is the key to the 12th Step of Alcoholics Anonymous Susana K Oregon We all agree on the brilliance of this work Lisa Hagan literary agent Paraview Inc **Awakening the Soul** Bill Missett,2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that **The Apocalypse of the Aquarian Age** Albert Amao Soria Ph.D.,2021-02-23 Humanity has stepped at the beginning of the Water Carrier Age s threshold Its influence is gradually being felt in all areas of life This is the time for spiritual renewal and the turning point for the shifting of consciousness

Contrary to the period of mental bondage prejudice and religious bigotry which was the Piscean Era characteristic we are awakening to another chapter of human history leading to the realization of the Oneness of life and the human race s interconnectedness The world is currently undergoing radical socio economic and political upheavals because we are transitioning from one chapter of human history to another Some religious leaders and sensationalistic New Age writers have taken these dramatic changes as signs of the end of the world Contrary to that this work postulate that the challenging events indicate the close of one chapter of human history and the beginning of a new one We embrace and celebrate the coming of a new age of enlightenment the awareness of human beings brotherhood      *The Origins* Miles Augustus Navarr,2024-02-13 There are many fundamental issues whether scientific cultural religious and even philosophical that we accept as fact or truth simply because our peers have done so Our peers have been wrong before For two thousand years Euclidean geometry and geo centricity was the absolute truth in scientific and religious communities Law of some of these issues concern the origins of our domain Origin of the universe origin of life on earth origin of Homo sapiens origin of what we categorize as civilization and origin of religion particularly monotheistic religions This book has endeavored to investigate these five very fundamental issues in simple and non scientific language as far as conceivable To most people these subject matters have very little or no consequence in their daily lives and for this reason they are not explored nor merit any time contemplating But they are so innate and engrained in our subconscious that most people must have pondered reflected or discussed one or more of these issues at least a few times in their lifetime The remarkable fact is that despite their vital and elemental relevance people simply accept and consent to what the authorities propagate That maybe the most convenient approach but none of the mainline theories regardless of where they came from Charles Darwin Albert Einstein The Pope Carl Sagan Steven Hawking or any other scientists philosophers or religious authorities are simply theories not proven and thus still mysteries worth investigating The book does not try to find answers It simply investigates the flaws inadequacies and weaknesses in some of these theories and where possible to explore other alternatives and options The only purpose and indeed hope in writing this book is to create a fertile domain in the mind of the readers to ask question albeit The Right questions Where there is consciousness there is doubt      *Lost Civilizations* Jim Willis,2019-10-01 Unearthing the scientific evidence myths and legends of ancient civilization The reminders of the Ancients are everywhere They are saved in remnants in archaeology They are found in reminiscences in mythology They are recorded in books story song and stone Who were these people aliens man or myths Do we still see their influences today What remains of these inhabitants of the jungles lost cities and dwellings underground underwater and beyond How did they rise Why did they fall Will they rise again From pyramids and underground bunkers to watery graves and ancient astronauts *Lost Civilizations The Secret Histories and Suppressed Technologies of the Ancients* examines the archaeological evidence and the traces left behind by more than 70 ancient civilizations including Atlantis G bekli Tepe Anasazi disappearance in the American Southwest Nazca Lines of Peru

Turkey's atalhyk Denisovan Ancestors departure Amazon Cities in the Jungle Neanderthal Ancestors extinction The Eden Stories of Theoretical Physics Underground Cities of the Grand Canyon And many more From ancient Egypt middle America and the Nubian Desert to the frozen Antarctica underwater ruins of Asia and clues of visits by ancient aliens Lost Civilizations explores the unanswered questions about the true origins of man Might there have been advanced civilizations long before the days of ancient Egypt and Mesopotamia What do 3D imaging and new underwater mapping technology reveal What do prehistoric artifacts architecture carvings maps and monoliths tell us Were rising waters erupting volcanoes catastrophic solar flares comet or asteroid fragments or some other unimaginable cataclysmic disasters the death of these advanced civilizations Touring the world and reviewing the scientific evidence this fascinating book ties together historical events in one part of the world that produced actual effects in others Uncovering hidden and suppressed pasts of technologically and culturally advanced ancient civilizations it looks at how modern civilization compares and contrasts to those who have gone before It will leave you with the sense that what has happened to past advanced civilizations might very well be happening again in our own time With more than 120 photos and graphics it is richly illustrated Its helpful bibliography and extensive index add to its usefulness
