When Percy read the final book he wrote to Foote It s a noble work I m still staggered by the size of the achievement It is The Iliad A selection of these letters along with essays by Jon Meacham Michael Beschloss Ken Burns Annette Gordon Reed Michael Eric Dyson Julia Reed Robert Loomis Donald Graham John M McCardell Jr and Jay Tolson are included in American Homer the bonus paperback book available only in the Modern Library boxed set of The Civil War Shelby Foote s tremendous sweeping narrative of the most fascinating conflict in our history a war that lasted four long bitter years an experience more profound and meaningful than any other the American people have ever lived through begins with Jefferson Davis s resignation from the United States Senate and Abraham Lincoln s departure from Springfield for the national capital It is these two leaders whose lives continually touch on the great chain of events throughout the story who are only the first of scores of exciting personalities that in effect make The Civil War a multiple biography set against the crisis of an age Four years later Lincoln s second inaugural sets the seal invoking charity for all on the Eve of Five Forks and the Grant Lee race for Appomattox Here is the dust and stench of war a sort of Twilight of the Gods The epilogue is Lincoln in his grave and Davis in his postwar existence Lucifer in Starlight So ends a unique achievement already recognized as one of the finest histories ever fashioned by an American a narrative that re creates on a vast and brilliant canvas the events and personalities of an American epic the Civil War
