Green, 2014-05-19 Frugal Living Made Easy: A Guide to Simple Living is a book that helps the reader to rediscover the simple stress-free lifestyle. It can be a bit difficult to make the transition, but if the will is there, it can be done quite easily. The book is a great guide to what needs to be done to get back to the simple lifestyle; it helps the reader to free themselves of debt and to learn how they can make do with only the necessary things. The author also places a lot of focus on how to plan meals on a budget. *Organizing! Discover This Guide About How To Effectively Use Organizing Techniques For Beginner's Old*

Natural Ways, 2021-08-30 What is minimalism? At its core, minimalism involves the use of only the most basic essential elements in design and art. In other words, minimalism involves art that utilizes the barest of essentials; nothing more, nothing less. So what is minimalism exactly? The short answer is that it's an art style entirely on a minimalist level. Minimalism can be viewed as an aesthetic principle or even a guiding principle for artistic creation. For some artists, minimalism comes easily; the result is a type of art where everything is simply added to the background, enhancing the piece instead of subtracting from it. For others, minimalism can be a difficult, frustrating way to express yourself because it requires the artist to not only pay attention to the appearance of their work but also to pay attention to the subtleties of form and color. Still others think of minimalism in a more philosophical way, claiming it to be the foundation for all creative endeavor. Regardless of how one views minimalism, it's apparent that it can add tremendous value to your home. *Organize This! Practical Tips, Green Ideas, and Ruminations About Your CRAP* Vali G. Heist, 2012-04-24

Vali G. Heist began organizing at the age of five while cleaning up her room with her older sister. She started her professional organizing business after years of being asked to organize the homes of her family and friends. *Organize This! Practical Tips, Green Ideas, and Ruminations about your CRAP* began as a collection of the organizing columns she wrote for a local newspaper. CRAP is Vali's acronym that means Clutter that Robs Anyone of Pleasure. The book includes numerous tips on how to organize green ways to recycle unwanted CRAP, success stories from clients, and further ruminations about CRAP. Vali helps her readers explore why they have so much CRAP in their homes, why they don't throw it out, and why they don't want to deal with it. She helps the reader answer those questions and provides practical, easy tips to organize their homes and help them live the life they really want. In addition, her book is chock-full of organizing resources, is fun to read, and makes a great gift for the organized person as well as the organizationally challenged. Vali's insight helps readers learn the difference between belongings and CRAP and empowers them to discover that less is more. Her book also proposes how to live a more green life and help save the planet in the process. Her passion is to find simple, easy-to-implement ways to organize life at home and at work and pass them on to her readers. Bob Rios of Bob
