*Medical Confidentiality and Crime* Sabine Michalowski,2017-10-24 Medical confidentiality is universally recognised as a value worth protecting However difficulties arise when confidential medical information becomes relevant in the context of crime prevention and criminal prosecution Should medical confidentiality be upheld where the physician holds information which is essential for the investigation of a serious crime for establishing the truth in a criminal trial for an accused's defence or for the prevention of a criminal offence And according to which criteria should such decisions be made Based on an examination of different approaches in medical ethics and a comparison of the relevant law of France Germany England and Wales and the US this book analyses how a balance of the competing interests can best be struck

**Confidentiality and Mental Health** Christopher Cordess,2001-01-01 People experiencing mental health problems may need to be able to present and explore deeply disturbing thoughts and actions in a safe environment This book will enable professionals to meet both the needs of clients and the demands of society through a responsible and thoughtful understanding of the significance of confidentiality and disclosure

**Contesting Medical Confidentiality** Andreas-Holger Maehle,2016-10-18 This book for the first time offers a comparative study of the origins of professional and public debates on medical confidentiality in the US Britain and Germany during the late nineteenth and early twentieth centuries In this period traditional medical secrecy began to be seriously contested by demands for disclosure in the name of

public health and the law Andreas Holger Maehle examines three representative debates Do physicians and surgeons have a privilege to refuse to give evidence in court about confidential patient details Can doctors breach patient confidence in order to prevent the spread of disease And is there a medical duty to report illegal procedures to the authorities The comparative approach reveals significant differences and similarities among the three countries concerned and the book's historical perspective illuminates the fundamental ethical issues at stake that continue to give rise to public debate

**Doctor-Patient Confidentiality: Volume Eleven (Confidential #1)** Eme Strife, 2018-04-21 Two very different people One scandalous proposition Endless possibilities My ass comes into contact with cold hard marble but I barely even process the sensation before I'm pushed further up the table feeling the hem of the robe stretch to capacity as the sinister unpredictable man in front of me positions himself between my feet Frost practically picks me up like a utensil and places me next to the discarded tray and almost immediately I feel his fingers on my calves sliding up the back of my legs before he hooks his hands under my knees And then he lifts pulling intently raising my legs off the table The action is precise Eager Efficient But inertia quickly takes its place forcing the rest of me to topple like the breakfast items laying less than a foot away And then his grip is on my knees forcing them apart and spreading my legs wide open taking advantage of both my current physical handicap and the sheer shock it spawns and in one swift motion he hoists my lower body up to his face simultaneously dipping his head between my thighs The sight quite literally makes my heart stop and a strained croak stutters out of me as his fingers dig into my skin pulling me closer to him And then it happens Feast your eyeballs and fall absolutely head over heels in love with Eme Strife's edgy sizzling intriguing incredibly sexy and captivating unconventional romance story Each installment will keep you strapped to the very edge of your seat and constantly guessing on one hell of an emotional roller coaster You'll never think of the phrase Doctor Patient Confidentiality in the same way ever again once you read this This story unfolds over several volumes IT IS NOT A STANDALONE This is the eleventh book Rated 18 This series contains mature and adult content nudity graphic sex and strong language Because of its explicit nature it is intended for mature audiences only Reader discretion is advised [Health Care Information Confidentiality](#) United States.
