Documentary History of the State of Maine, Vol. 15 (Classic Reprint) Maine Historical Society, 2015-07-08 Excerpt from Documentary History of the State of Maine Vol 15 The publication of the documents in this volume gives an idea of the important part sustained by the people of Maine in the War of the Revolution and of the sacrifices made by them in what must have appeared to the world as an almost hopeless struggle It also places in enduring form the names of men worthy of remembrance I hope to be able to complete the publication of documents relating to the Revolutionary period within the next two years About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Documentary History of the State of Maine, Vol. 12 (Classic Reprint) Maine Historical Society, 2017-09-17 Excerpt from Documentary History of the State of Maine Vol 12 HE present volume number twelve of the Document ary Series is the seventh volume of the manuscript documents which I have collected from American and Euro pean archives My design has been to continue the publica tion Of these documents to the time of the separation of the State from Massachusetts but it is doubtful if I shall be able to do so Should I not complete the task which I have desired to accomplish it is my hope that someone may think it worthy of the labor required to finish it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Documentary History of the State of Maine, Vol. 13 (Classic Reprint) Maine Historical Society, 2015-07-07 Excerpt from Documentary History of the State of Maine Vol 13 This volume contains correspondence of Thomas Pownall whose prudent administration of affairs during his incumbency of the important office of Royal Governor of Massachusetts entitles him to an honorable place in our colonial history The publication of Charles A W Pownall s recent book Thomas Pownall M P F R S Governor of Massachusetts Bay etc etc 1722 1805 in which he makes a notable addition to the controversy respecting the authorship of the Junius letters which he believes should be ascribed to the Governor will lend to this correspondence increased interest A comparison of the hand writing of Governor Pownall with that of Junius strongly supports the claim of his kinsman and we are obliged to pass unquestioned his assertion that the Governor s knowledge of political conditions

especially fitted him for writing them He says That no place in the province which this Governor worked so hard for while there and had so deep an affection for always derives its name from him What is now Dresden on the Kennebec river in the region which his expeditions opened for settlement was at first called Pownalborough but at the beginning of the last century the present designation was adopted About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Documentary History of the State of Maine, Vol. 14 (Classic Reprint)** Maine Historical Society, 2015-07-07 Excerpt from Documentary History of the State of Maine Vol 14 This volume bring us to the period of the Revolutionary War a period of much interest to students of our history I trust that persons having knowledge of unpublished documents relating to the subject will call my attention to them that I may publish them in the next volume should they prove of interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Documentary History of the State of Maine, Vol. 6 (Classic Reprint)* Maine Historical Society, 2015-09-27 Excerpt from Documentary History of the State of Maine Vol 6 In looking over the proofs of this volume as it is about to be published it strikes me as not impossible that some may question the wisdom of printing the numerous petitions relative to land grants which it contains because of the limited number of persons to whom they appeal I wish to say in reply should such a question arise that I have found such material of the greatest value to persons in locating residence and determining dates in family history I have had cases myself where one of these documents would have been worth much more to me than the price of this volume hence I have printed them in the belief that among the limited number of early Maine documents in existence they may not prove valueless The next volume however will probably comprise material of more general interest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of

*The Documentary History of the Supreme Court of the United States, 1789-1800: Cases, 1798-1800* Maeva Marcus, 1985 John Massaro, 2008-05-01

Second Amendment commentary and case law are incorrect But unfortunately they are relied upon by today s scholars and jurists However this book written in plain English instead of the legalese that many people find unappealing about books pertaining to legal subjects takes the bold step of disproving these incorrect authorities on the most controversial and puzzling provision of the United States Constitution and it meets that challenge While other books on the Second Amendment rely largely on incorrect commentary and case law this book uses credible and irrefutable documentary evidence to uncover the substance of the Second Amendment By proving that Second Amendment commentary and case law are incorrect this book will become both the preeminent treatise on the Second Amendment and a landmark book in the field of Constitutional law And while gun control has been a highly controversial issue for a long time the debate on gun control has been improperly bifurcated into what is good public policy and what is Constitutional This book eliminates the Constitutional component of that debate so that it can be focused solely on what is good public policy Other books written on the Second Amendment propose incorrect theories or attempt to reconcile its two supposed clauses However this book is the best book ever written on the Second Amendment because it does what no other book has ever done It uncovers by means of documentary evidence instead of mere argument the true meanings of the terms A well regulated Militia the people keep and bear Arms This book is current right up to the 2008 Supreme Court case of District of Columbia v Heller and the information contained in this book forms the foundation of what a correct determination of that case would be
