PURPOSE

The Style Guide provides a standard method of writing captions for DoD imagery. This publication will help all personnel involved in the creation of official DoD imagery to write and edit captions that are accurate, clear, concise and meet DoD style standards.

This publication is written for all producers, editors and users of visual information (VI). It demonstrates how to address military terms describing Service members, equipment, places and entities recorded by DoD camera operators, created by DoD graphic artists, or written about by DoD journalists. The DoD Captioning Style Guide is designed to supplement *The Associated Press Stylebook* (reference b) and pertains specifically to DoD-specific issues not addressed by the AP. *The Associated Press Stylebook* remains the primary style reference for caption writers.

This publication applies to the Office of the Secretary of Defense, the Military Departments, the Office of the Chairman of the Joint Chiefs of Staff and the Joint Staff, the Combatant Commands, the Office of the Inspector General of the Department of Defense, the Defense Agencies, the DoD Field Activities and all other organizational entities covered within the parameters of DoDI 5040.02.
