Tortora,Keith Eubank,2009-06-08 In the Preface of the 5th Edition of Survey of Historic Costume Tortora and Eubank conclude with the following In the history of dress at the beginning of the 21st century costume might be compared to a constantly moving river This river divides into many narrower channels that separate cross come together and separate again and yet that river continually moves on Building on the previous editions the authors update their analysis of Western dress to 2008 Survey of Historic Costume has from its beginnings taken seriously the need to accompany the text with appropriate illustrations and the major change in the 5th

Edition is the move to full color throughout the book to enrich the text and the concepts Perfect for anyone interested in historic costume fashion textiles drama and design this beautifully illustrated book is full of interesting facts and commentary New to this Edition Over 500 four color photographs and illustrations Updated text to 2008 Additional influences from one period or civilization to another including influences from other cultures Index updated and organized to be utilized as glossary with terms defined and page numbers printed in boldface Instructor s Guide provides sources for visuals websites teaching strategies and evaluation techniques PowerPoint Presentation contains interactive visual presentation with links to Internet

The Steamboat Bertrand and Missouri River Commerce Ronald R. Switzer, 2013-10-29 On April 1 1865 the steamboat Bertrand a sternwheeler bound from St Louis to Fort Benton in Montana Territory hit a snag in the Missouri River and sank twenty miles north of Omaha The crew removed only a few items before the boat was silted over For more than a century thereafter the Bertrand remained buried until it was discovered by treasure hunters its cargo largely intact This book categorizes some 300 000 artifacts recovered from the Bertrand in 1968 and also describes the invention manufacture marketing distribution and sale of these products and traces their route to the frontier mining camps of Montana Territory The ship and its contents are a time capsule of mid nineteenth century America rich with information about the history of industry technology and commerce in the Trans Missouri West In addition to enumerating the items the boat was transporting to Montana and offering a photographic sample of the merchandise Switzer places the Bertrand itself in historical context examining its intended use and the technology of light draft steam driven river craft His account of steamboat commerce provides multiple insights into the industrial revolution in the East the nature and importance of Missouri River commerce in the mid 1800s and the decline in this trade after the Civil War Switzer also introduces the people associated with the Bertrand He has unearthed biographical details illuminating the private and social lives of the officers crew members and passengers as well as the consignees to whom the cargo was being shipped He offers insight into not only the passengers reasons for traveling to the frontier mining camps of Montana Territory but also the careers of some of the entrepreneurs and political movers and shakers of the Upper Missouri in the 1860s This unique reference for historians of commerce in the American West will also fascinate anyone interested in the technology and history of riverine transport

The A to Z of the Fashion Industry Francesca Sterlacci, Joanne Arbuckle, 2009-10-26 The history of clothing begins with the origin of man and fashionable dress can be traced as far back as 25 000 years ago Recent scientific explorations have uncovered graves in northern Russia with skeletons covered in beads made of mammoth ivory that once adorned clothing made of animal skin The Ancient Egyptians Greeks and Romans each made major contributions to fashion s legacy from their textile innovations unique clothing designs and their early use of accessories cosmetics and jewelry During the Middle Ages fashion trends emerged as trade and commerce thrived allowing the merchant class to afford to emulate the fashions worn by royals However it is widely believed that fashion didn t become an industry until the industrial and commercial revolution

during the latter part of the 18th century Since then the industry has grown exponentially Today fashion is one of the biggest businesses in the world with hundreds of billions of dollars in turnover and employing tens of millions of workers It is both a profession an industry and in the eyes of many an art The A to Z of the Fashion Industry examines the origins and history of this billion dollar industry This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced entries on designers models couture houses significant articles of apparel and fabrics trade unions and the international trade organizations

The Birth of Cool Carol Tulloch, 2016-01-28 It is broadly recognized that black style had a clear and profound influence on the history of dress in the twentieth century with black culture and fashion having long been defined as cool Yet despite this high profile in depth explorations of the culture and history of style and dress in the African diaspora are a relatively recent area of enquiry The Birth of Cool asserts that

cool is seen as an arbiter of presence and relates how both iconic and ordinary black individuals and groups have marked out their lives through the styling of their bodies Focusing on counter and sub cultural contexts this book investigates the role of dress in the creation and assertion of black identity From the gardenia corsage worn by Billie Holiday to the work wear of female African Jamaican market traders through to the home dressmaking of black Britons in the 1960s and the meaning of a polo neck jumper as depicted in a 1934 self portrait by African American artist Malvin Gray Johnson this study looks at the ways in which the diaspora experience is expressed through self image Spanning the late nineteenth century to the modern day the book draws on ready made and homemade fashion photographs paintings and films published and unpublished biographies and letters from Britain Jamaica South Africa and the United States to consider how personal style statements reflect issues of racial and cultural difference The Birth of Cool is a powerful exploration of how style and dress both initiate and confirm change and the ways in which they expresses identity and resistance in black culture Peacock Revolution Daniel Delis Hill,2018-04-05 The Peacock Revolution in menswear of the 1960s came as a profound shock to much of America Men s long hair and vividly colored sexualized clothes challenged long established traditions of masculine identity Peacock Revolution is an in depth study of how radical changes in men s clothing reflected and contributed to the changing ideas of American manhood initiated by a youthquake of rebellious baby boomers coming of age in an era of social revolutions Featuring a detailed examination of the diverse socio cultural and socio political movements of the era the book examines how those dissents and advocacies influenced the youthquake generation s choices in dress and ideas of masculinity Daniel Delis Hill provides a thorough chronicle of the peacock fashions of the time beginning with the mod looks of the British Invasion in the early 1960s through the counterculture street styles and the mass market trends they inspired and concluding with the dress for success menswear revivals of the 1970s Me Decade **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1975 **Zipper** Robert Friedel,1996 The story of the zipper is the triumph of an ingenious novelty over the practical world **True Style** G. Bruce Boyer,2015-09-08 From choosing the right pair of eyeglasses to properly coordinating a shirt tie and pocket square getting dressed is an art to be mastered Yet how many of us just throw on well whatever each morning How many understand the subtleties of selecting the right pair of socks or the most compatible patterns of our various garments much less the history imperatives and importance of our choices In True Style acclaimed fashion expert G Bruce Boyer provides a crisp indispensable primer for this daily ritual cataloguing the essential elements of the male wardrobe and showing how best to employ them In witty stylish prose Boyer breezes through classic items and traditions in menswear detailing the evolution and best uses of fabrics like denim and linen accoutrements like neckties and eyeglasses and principles for combining patterns colors and textures He enlightens readers about acceptable circumstances for donning a turtleneck declaims the evils of wearing dress shoes without socks and trumpets the virtues of sprezzatura the artistry of concealing effort beneath a cloak of nonchalance With a gentle yet firm approach to the

rules of dressing and an incredible working knowledge of the different items styles and principles of menswear Boyer provides essential wardrobe guidance for the discriminating gentleman explaining what true style looks like and why

Murder at the Sleepy Lagoon Eduardo Obregón Pagán, 2004-07-21 The notorious 1942 Sleepy Lagoon murder trial in Los Angeles concluded with the conviction of seventeen young Mexican American men for the alleged gang slaying of fellow youth Jose Diaz Just five months later the so called Zoot Suit Riot erupted as white soldiers in the city attacked minority youths and burned their distinctive zoot suits Eduardo Obregon Pagan here provides the first comprehensive social history of both the trial and the riot and argues that they resulted from a volatile mix of racial and social tensions that had long been simmering In reconstructing the lives of the murder victim and those accused of the crime Pagan contends that neither the convictions which were based on little hard evidence nor the ensuing riot arose simply from anti Mexican sentiment He demonstrates instead that a variety of pre existing stresses including demographic pressures anxiety about nascent youth culture and the war effort all contributed to the social tension and the eruption of violence Moreover he recovers a multidimensional picture of Los Angeles during World War II that incorporates the complex intersections of music fashion violence race relations and neighborhood activism Drawing upon overlooked evidence Pagan concludes by reconstructing the murder scene and proposes a compelling theory about what really happened the night of the murder
