The pocket prayer book [compiled by R. Wilkinson]. Pocket prayer book,1838 **Teaching Children How to Pray (eBook)** Anne McFarlane,2005-03-22 Parents want the best for their children and they want to give them the best But what is the most important gift they can give their children A university education A car Or perhaps a good value system While all of these have merit the greatest gift parents can give their children is to teach them to develop a relationship with their heavenly Father through prayer In TEACHING CHILDREN HOW TO PRAY Anne McFarlane masterfully addresses this very important topic the prayer life of parents and children She looks at the subject from various angles considers the classic and difficult questions that the topic elicits but also provides concrete practical and understandable answers to the questions children often have *Sharing the Easter Faith with Children* Carolyn C. Brown,2011-07-01 Sharing the Easter Faith with Children is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one s faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers Donald Griggs author of Teaching Today s Teachers to Teach It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children s questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children

as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child s point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday Recalling the Last Supper Keeping Good Friday The church sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share the content with teachers parents or committees Also included is a comprehensive list of related resources This carefully researched and well grounded practical resource from a highly regarded Christian educator will strengthen your educational ministry with children and support parents as they shape the faith of their children

Nurturing Children's Spirituality Holly Allen, 2008-03-01 Children s spiritual development is currently a hot topic in Christian circles as well as in other fields and disciplines such as educational psychology medicine developmental psychology education and sociology The key question for Christian scholars and educators is How do Christian beliefs and practices uniquely interrelate with children s spirituality In 2003 and again in 2006 a national conference entitled Children s Spirituality Conference Christian Perspectives examined children s spirituality from a distinctly Christian standpoint This book is a collection of the best materials from the 2006 conference The first half of the book addresses definitional historical and theological concerns related to spiritual development in children The second half explores best practices for fostering spiritual growth among our children in our homes families churches Christian schools and among special populations of children from a wide spectrum of Christian scholars and practitioners The volume closes with John Westerhoff s moving keynote address and Catherine Stonehouse and Scottie May s eloquent culminating plenary address *Nurturing Children s Spirituality* provides a rich cross section of the current research and writing by Christian scholars on children s spirituality Contributors Holly Catterton Allen Michael J Anthony Stacy Berg Chris J Boyatzis MaLesia Breeding Marilyn Brownlee Linda V Callahan Jane Carr Mara Lief Crabtree Karen Crozier James Riley Estep Jr Jeffrey E Feinberg Stephanie Goins Judy Harris Helm Dana Kennamer Hood Sungwon Kim Kevin Lawson Scottie May Marcia McQuitty Heidi Schultz Oswald Donald Ratcliff Pam Scranton Timothy A Sisemore Catherine Stonehouse La Verne Tolbert T Wyatt Watkins John H Westerhoff III

Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one s account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human

relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God s sovereignty includes both his omniscience and libertarian human freedom Raising a Child Who Prays David D. Ireland,2016-08-02 In a society that is quickly abandoning its biblical standards parents can create an effortless culture in their home that lends itself to the spiritual development of their child David Ireland known for his dynamic teachings on prayer provides a framework that helps parents elevate their prayer life then parents can pass along the secrets to their little ones so they too may become spiritual giants over time Parents will be equipped with practical exercises sample prayers and developmentally appropriate mentoring plans that will encourage their children to pray effectively now and into adulthood *The Children's Hour Series* Children,1868 *The Religious Potential of the Child* Sofia Cavalletti,2021-07-02 This book describes the Catechesis of the Good Shepherd a Montessori based style of catechesis that focuses on the child s independent journey to God by working with materials in a specially prepared place called an atrium Written by Sofia Cavaletti the Italian scripture scholar who developed the Catechesis of the Good Shepherd this classic work demonstrates the profound spiritual capabilities of children as brought forth through their engagement in the Catechesis of the Good Shepherd This book is important for anyone desiring to learn about the Catechesis of the Good Shepherd or the spiritual life of children ages 3 6 Sofia Cavaletti is an internationally known biblical scholar and was a member of the committee that prepared the Directory for Masses with Children Together with her collaborator Gianna Gobbi a Montessori educator she has traveled throughout the world forming catechists in this essentially oral method and helping to establish catechetical centers modeled on their Centro di Catechesi in Rome **'Heaven our home;' or, Memorials of Sarah C-, gathered chiefly from her own letters** Sarah Craven,1861

How to Pray Stephen Cottrell,2015-09-07 This highly accessible guide explores how to start renew and expand your prayer life It provides an ideal companion for new Christians and those wishing to go deeper with God through prayer Previously published as *Praying through Life* The Successful Journey of Prayer Jeannie Colon,2020-03-31 Why is prayer the most difficult conversation for Christians Imagine owning the most incredible tool that exists and you can use it anytime anywhere and for anything Wouldn t you want to use it correctly What is prayer Some say it s talking to God but if that statement is accurate why does it say in Luke 11 1 Now it came to pass as He was praying in a certain place when He ceased that one of His disciples said to Him Lord teach us to pray as John also taught his disciples Were the disciples unable to talk Not likely However prayer can challenge most people and this author is no exception Although she has been a Christian for more than forty years she has also faced many obstacles when praying But she always endeavored to honor the Heavenly

Father with fervent prayer This unique book is meant to change your life Consider this if the disciples who walked with Jesus wanted to learn to pray shouldn't every Christian also desire the same
