Classic Ghost Stories Robin Brockman, 2017-10-03 There's nothing like a good ghost story to give you a frisson of fear on a dark winter's night Gathered in this haunting collection are twenty seven of the very best of their genre by British and American masters As well as contributions from established names you will also find forgotten gems by unjustly neglected writers who deserve an opportunity to find a new readership Among these is *The Spectre of Tappington* taken from *The Ingoldsby Legends* which appeared in serial form in the 1830s and were immensely popular with Victorian readers Their author Thomas Ingoldsby was in fact an English clergyman Richard Barham who unlike most of the writers in this compilation put pen to paper out of pure enjoyment rather than necessity The name Edith Nesbit is better known to modern readers than Thomas Ingoldsby although probably not in the context of adult fiction Famous as a writer of children's fiction most notably *The Railway Children* she also had a talent for ghost stories as you will discover when you come to *Man Size in Marble* So settle back and enjoy myriad journeys through the highways and byways of one of literature's most rewarding genres Included here are *The Moonlit Road* by Ambrose Bierce *Miss J romette and the Clergyman* by Wilkie Collins *The Captain of the Pole star* by Sir Arthur Conan Doyle *The Goblins Who Stole a Sexton* by Charles Dickens *The Old Nurse's Story* by Elizabeth Gaskell *The Withered Arm* by Thomas Hardy *The Hollow of the Three Hills* by Nathaniel Hawthorne *The Furnished Room* by O Henry *The Haunted Mill* by Jerome K

Hunter,2016-04-29 14 Spine Chilling Tales Of True Ghost Stories And Hauntings True Paranormal Hauntings To Keep You Up
At Night Some ghost stories send tingles of excitement down your spine while others make you gulp as you dig deeper into
the shocking tale Other ghost stories will make you shiver with fear and hug your blanket tightly as you stare out your
window and wonder what exists in the vast expanse of darkness that envelops your room during the night time Very few
ghost stories have the potential to grab you from the very start and pull you into the world where restless spirits malevolent
beings and other paranormal entities rule a world where humans have very little control and they have to succumb to the
nefarious will of these terrorizing beings and hope that God himself offers them a way of escape Whether you want to believe
it or not this is the world that we live in These creatures live amongst us and some of them can t wait for the perfect
opportunity to strike so they can kill you or pull you down into their dark inescapable realm Many before you were skeptical
until they had their menacing experiences with the ghosts themselves Not many have lived to tell the tale but the few who
have lived through their supernatural experiences with the underworld have passed on the stories from generation to
generation and now here they stand before your very eyes
