## China In And Beyond The Headlines 201:

**China in and Beyond the Headlines** Timothy B. Weston, Lionel M. Jensen, 2012 In the third volume of this popular series leading experts provide fascinating and unexpected insights into critical issues in today's China They address such key topics as civil society consumerism environmental adversity ethnic tension the Internet legal reform new media and social networking nationalist tourism sex and popular culture as well the costs of urban gigantism to portray the complexity of life in contemporary China and how increasingly it speaks to the everyday experience of Americans

**China beyond the Headlines** Lionel M. Jensen, Timothy B. Weston, 2000-03-22 This unique book takes the reader Obeyond the headlinesO to explore a China few Westerners have seen The authors argue that the great gap between what specialists understand and the general public believes has led to distorted and potentially dangerous misunderstandings of China Seeking to bridge that gap a group of prominent scholars and activists challenge readers to move past the usual images of China presented by the media and to think about the common problems shared by China and the United States In a morally engaged spirit they explore such issues as environmental degradation unemployment growing inequality ethnicity human rights corruption and changing images of women to bring to life the fabric of contemporary Chinese life and how it twines around the political consciousness of Americans

*Beyond the Headlines* Areej Zufari, 2012-10-17 Beyond the Headlines A Deeper Look at Middle Eastern Culture Take a look at today's newspaper There will almost certainly be relevant news articles that involve the people of the Middle East But what do these headlines tell us How do we understand what is happening in Syria Iran Egypt and Qatar through brief articles and sound bites Who are the people behind those headlines Beyond the Headlines is for readers who are frustrated by fragments of news This book allows readers to discover and explore Middle Eastern culture without dogma or a political agenda Beyond the Headlines reveals the true Middle East

Queer China Hongwei Bao, 2020-05-11 This book analyses queer cultural production in contemporary China to map the broad social transformations in gender sexuality and desire It examines queer literature and visual cultures in China's post Mao and postsocialist era to show how these diverse cultural forms and practices not only function as context specific and culturally sensitive forms of social activism but also produce distinct types of gender and sexual subjectivities unique to China's postsocialist conditions From poetry to papercutting art from comrade gay literature to girls love fan fiction from lesbian films to activist documentaries and from a drag show in Shanghai to a public performance of a same sex wedding in Beijing the book reveals a queer China in all its ideological complexity and creative energy Empirically rich and methodologically eclectic Queer China skilfully weaves together historical and archival research textual and discourse analysis along with interviews and ethnography Breaking new ground and bringing a non Western perspective to the fore this transdisciplinary work contributes to multiple academic fields including literary and cultural studies media and communication studies film and screen studies contemporary art theatre and performance studies gender and sexuality studies China Asia and Global South

significance and consequences of the Silk Road strategy A comprehensive study of the changing forces driving one of the world's most important strategic economic and cultural relationships

**The EU, US and China Tackling Climate Change** Sophia Kalantzakos, 2017-07-14 The feeling of optimism that followed the COP 21 Paris Conference on Climate Change requires concrete action and steadfast commitment to a process that raises a number of crucial challenges technological political social and economic As climate change worsens new robust leadership is imperative The EU US and China Tackling Climate Change examines why a close collaboration between the EU and China may result in the necessary impetus to solidify a vision and a roadmap for our common future in the Anthropocene Kalantzakos introduces a novel perspective and narrative on climate action leadership through an analysis of international relations She argues that a close EU China collaboration which does not carry the baggage of an imbedded competition for supremacy may best help the global community move towards a low carbon future and navigate the new challenges of the Anthropocene Overall Kalantzakos demonstrates how Europe and China already strategic partners can exercise global leadership in an area of crucial common interest through their web of relations substantial development aid and the use of soft power tools throughout the developing world This book will be of great interest to students and scholars of environmental politics international relations climate change and energy law and policy European Journal of East Asian Studies, 2006 *APAIS*

1994: *Australian public affairs information service*, Russia's Turn to the East Helge Blakkisrud, Elana Wilson Rowe, 2017-12-29 This book is open access under a CC BY license This book explores if and how Russian policies towards the Far East region of the country and East Asia more broadly have changed since the onset of the Ukraine crisis and Russia's annexation of Crimea Following the 2014 annexation and the subsequent enactment of a sanctions regime against the country the Kremlin has emphasized the eastern vector in its external relations But to what extent has Russia's pivot to the East intensified or changed in nature domestically and internationally since the onset of the current crisis in relations with the West Rather than taking the declared pivot as a fact and exploring the consequences of it the contributors to this volume explore whether a pivot has indeed happened or if what we see today is the continuation of longer duration trends concerns and ambitions

**Transnational Soldiers** N. Arielli, B. Collins, 2012-11-28 Warfare in the modern era has often been described in terms of national armies fighting national wars This volume challenges the view by examining transnational aspects of military mobilization from the eighteenth century to the present Truly global in scope it offers an alternative way of reading the military history of the last 250 years

**Russia and East Asia** Tsuneo Akaha, Anna Vassilieva, 2014-02-05 Russia has generally been neglected in the academic and policy discourse on regional integration in East Asia This book fills this gap with particular attention to the role of Pacific Russia in the deepening regional integration in East Asia It examines the increasingly diverse foreign policy interests of Russia related to emerging economic and political realities of the world and Russia's potential role in the regional integration in East Asia Topics discussed include Russian strategic interests and

security policy in East Asia generally Russia's bilateral relations with China Japan and the Korean Peninsula opportunities and challenges energy and immigration presents for Russia and its engagement with East Asia and Russia's present and future roles in regional integration in East Asia

**The European Neighbourhood Policy in a Comparative Perspective**  
Sieglinde Gstohl, 2016-07-22 The European Neighbourhood Policy ENP has evolved into one of the European Union's major foreign policy instruments and received considerable attention However other EU neighbourhood policies and their relevance for the ENP also require examination The Arab uprisings civil wars in Libya and Syria the continuing Israeli Palestinian conflict the crisis in Ukraine and Russia's annexation of the Crimean peninsula have all brought the institutional design and tools of the ENP into question and a comparative perspective is crucial to understand EU neighbourhood policies in a wider sense This timely book puts the ENP into context by exploring the major challenges and key lessons of the EU's other policy frameworks with neighbouring countries Mapping the EU's bi lateral and multilateral neighbourhood relations in comparison to the ENP and investigating the major challenges faced it provides a comprehensive up to date view of the EU's relations with its neighbours Focusing on current affairs and future challenges the comparison with the ENP and the lessons to be drawn generate novel insights into the EU's closest external relations This book will be of key interest to students and scholars studying European Politics policies and comparative politics
