Chinas Heute Gestern China Gestern:

Asiatica, 1928 *China and Its National Minorities* Thomas Heberer, 2017-07-28 This title was first published in 1990 This book is a study of past and present policies of the People's Republic of China towards its numerous and varied minority groups a subject about which there is scant information in the West It examines the impact of Chinese culture on these diverse groups and China's attempt to bring them into the mainstream of Han life The impact of the Cultural Revolution on the minority peoples the future of Tibet and the implications of Chinese minorities policies for Sino Soviet relations are among the topics discussed in this book **Intercultural Competencies in China** Helena Maria Lischka, Peter Kürble, 2017-10-04 This volume focuses on a market that is one of the world's economically most important and at the same time one of the most difficult to understand culturally at least from a Western point of view China is the world's second largest economy in terms of nominal GDP and the largest in terms of purchasing power parity At the same time China has one of the world's oldest cultures and was the cradle for extremely influential philosophical approaches that even today continue to have a tremendous impact on every sphere of Chinese society As a result business in China is directly or indirectly influenced by a distinct Chinese pragmatism personalized networking guanxi the concept of saving face and the idea of business as a battlefield Familiarity with Chinese culture and negotiating practices is a key factor for promoting successful business transactions In this book the authors aim to close the gap between publications that are of purely academic interest on the one hand and general guidebooks on the other *Intercultural Competencies in China* provides a comprehensive selection of topics that are crucial for understanding what lies behind cultural differences making the book essential reading for business purposes and private contacts in China Although the book is academically oriented all of the essays are also accessible for the general reader *The Chinese Capital Market* Annette Kleinbrod, 2008-03-12 The significance of China's development reaches far beyond the country's domestic concerns This is due to a variety of factors among them the country's rapid growth and development and its increasingly open borders allowing it to become a member of the regional and international community of states over the last twenty five years China is not a major force yet but its voice is gaining influence Simultaneously its development on domestic regional and international levels is a huge uncertainty which inheres both potential and risk and is likely best described by the title of Johnny Erling's book *China der grosse Sprung ins Ungewisse* China the Great Leap into the Unknown Thereby the attempts to understand the relevant processes and related prospects often appear to be an endless puzzle which allows for further insight with every piece that can be added while a certain dimension of mystery remains as China develops further Today China's development is challenged considerably by a number of factors in the fields of the society policy economy and environment Finding a viable solution to these challenges and sustaining development is a concern of great priority to the Chinese government A decisive question with this in mind is how the financial system could be enhanced to a level at which it would be an effective catalyst for

development **China in der deutschen Weltgeschichtsschreibung vom 18. bis zum 20. Jahrhundert** Andreas Pigulla, 1996 *Chinas Heute und Gestern, Bd. 1 China heute* Sicong Han, Weijian Liu, 2016-01 **China in der Literatur der Zwischenkriegszeit** Katrin Hudey, 2023-05-08

Nach dem Ersten Weltkrieg lässt sich in der deutschsprachigen Literatur ein regelrechter China Trend beobachten. Zahlreiche Autoren widmeten sich aus unterschiedlichen, zunehmend auch politischen Motiven der asiatischen Kultur. Viele dieser Texte sind heute vergessen. Auf der Grundlage einer umfassenden Recherche untersucht die Studie aus verflechtungsgeschichtlicher Perspektive die Darstellungen Chinas in der Literatur der Zwischenkriegsjahre und zeigt, dass China zwischen 1919 und 1937/39 von einem fremden und exotischen Land, dem einen zum politischen Vorbild, dem anderen zum politischen Drohbild wird. In Fallstudien zu kanonischen und nicht kanonischen Autoren darunter Alfred Döblin, Rudolf Brunngraber, Egon Erwin Kisch, Colin Ross und Pearl S. Buck werden die verschiedenen Motivlagen der Autoren, ihre Narrative und Bilder von China verglichend diskutiert. Da das Interesse an China auch 1933 nicht abrisst, erfasst ein Exkurs zu deutsch-chinesischen Zeitschriften die Auswirkungen dieser politischen Zensur. Eine ausführliche Bibliographie verzeichnet über 200 zeitgenössische deutschsprachige Titel, die mit China befassten. Literatur und liefert damit Material für weitere Studien.

Hua i Hsüeh Chih, 1976 At Home in Many Worlds Raoul David Findeisen, 2009. This volume is dedicated to one of the founding figures of Israeli Chinese studies, Professor Irene Eber of The Hebrew University of Jerusalem. It assembles more than two dozen essays by colleagues from all over the world that reflect not only the wide range of her scholarly interests but above all the fields of research which would not have been established without her and where her contributions will remain. Accordingly, the section "Philosophy in China and Intellectual History" discusses the thorny and complex process of organizing the heritage from the earliest constructed traditions in Han times around the beginning of our era up to the debates on modernization in present-day China. After an excursion in Chinese Literature, much space is devoted to "Translating the Bible in China," a topic on which her numerous studies have proved seminal and that deals with Chinese perceptions. As its complement, perceptions of China in systematic and historical perspective are at the core of the section devoted to "Jewish Life and Letters in the World." The contributions share their approach of paying particular attention to the translation processes, strictly speaking, and to the hermeneutical process of understanding across time and space. More generally, a comprehensive list of publications by Irene Eber concludes the volume.

"Den Chinesen ein Chinese werden" Vera Boetzing, 2004. Dieses Buch erzählt die interessante Geschichte lediger Frauen, die und das ist den wenigsten bekannt, schon von der Mitte des 19. Jahrhunderts an nach China gingen, um den Beruf einer Missionarin auszuüben. Das Buch gibt nicht nur Auskunft über einen fast unerforschten kirchlichen Frauenberuf, sondern die Geschichte und der Werdegang der Missionarinnen nimmt den Leser mit in eine ganz andere Kultur und in das jeweilige zeitgenössische politische Geschehen, z.B. Verstrickungen des Kolonialismus mit der Mission, später der Beginn des Kommunismus in China. Außerdem erfährt man viel über die zwischenmenschlichen Beziehungen auf den Missionsstationen.

und die sich im Laufe der Zeit wandelnden Begegnungen zwischen Missionarinnen und Chinesen. Es gelingt der Autorin, ein Neuland zu betreten und Lucken zu schließen. Ihre Recherchen hat die Autorin durch neun Interviews mit noch lebenden Missionarinnen aus jener Zeit ergänzt. Ein Umstand, der dem Werk starke Authentizität verleiht. Aktuelle China Nachrichten

Private Business in China Willy Kraus, 1991-01-01 *Portraits of Chinese Women in Revolution* Agnes Smedley, 1976

Agnes Smedley worked in and wrote about China from 1928 until 1941. Her journalism and fiction capture the massacre of short-haired feminists in the Canton commune, the lives of silk workers of Canton charged with being lesbians, and the story of Mother Tsai, a peasant who leads village women in smashing an opium den. The Village Voice praised the volume for having captured brilliantly the forces of the old and new China struggling in each person she describes. Sustaining Indigenous Knowledge Erich Kasten, Tjeerd de Graaf, 2013. The contributions to this volume present ways in which indigenous knowledge in minority communities is sustained and how attempts are made to safeguard endangered languages. Two recent seminars at the Foundation for Siberian Cultures were devoted to the discussion of community-based pedagogical initiatives in Siberia with comparative examples from other parts of the world. In this volume, scholars with backgrounds in anthropology, linguistics, and in the use of new media share their experiences of how to design adequate learning tools in collaboration with their native colleagues. In their articles, they discuss previous shortcomings and limitations with the aim of exploring future directions for maintaining cultural diversities not only in Siberia but also among many other peoples of the world. **Mein kleiner Chinese: Ein China-Roman** Alma M. Karlin, 2022-08-25. In *Mein kleiner Chinese: Ein China-Roman* entfaltet Alma M. Karlin die Leser auf eine lebendige Reise durch die kulturellen, sozialen und politischen Facetten Chinas in der ersten Hälfte des 20. Jahrhunderts. Mit ihrem einzigartigen literarischen Stil, der autobiografische Elemente mit fesselnden Erzählungen verknüpft, schafft Karlin ein eindrucksvolles Bild von einem Land im Wandel. Ihre präzisen Beschreibungen und das Gespür für Nuancen laden den Leser ein, tiefer in die Komplexität der chinesischen Kultur einzutauchen, während persönliche Schicksale im Mittelpunkt stehen. Diese Mischung aus Fakt und Fiktion verleiht dem Werk sowohl Authentizität als auch literarische Brillanz, wobei es sich vor einem historischen Hintergrund entfaltet, der von der Kolonialzeit geprägt ist. Alma M. Karlin war nicht nur Schriftstellerin, sondern auch eine bemerkenswerte Reisende und Kulturvermittlerin. Ihre tiefgründige Leidenschaft für Reisen und das Verlangen, die Welt zu verstehen, brachten sie dazu, zahlreiche Länder zu bereisen und unzählige Erfahrungen zu sammeln. Die Inspiration für *Mein kleiner Chinese* rührt sowohl von ihren eigenen Reisen nach China als auch von ihrem Streben, durch ihre Erlebnisse Brücken zwischen Kulturen zu schlagen. Ihre Autobiografie und ihre philosophischen Überlegungen fließen in die Narrative ein und verleihen dem Buch eine besonders persönliche Note. Dieses Buch ist eine empfehlenswerte Lektüre für alle, die sich für die Schnittstellen zwischen Kulturen interessieren und einen authentischen Einblick in das Leben in China während dieser lebhaften historischen Periode gewinnen möchten. Karlin gelingt es, sowohl das Besondere als auch das Alltägliche einzufangen, sodass Leser nicht nur unterhalten, sondern auch bereichert werden lassen.

Sie sich von Karlin in eine Welt entf hren die gleichzeitig fremd und vertraut ist *Science and Civilisation in China: Volume 7, The Social Background, Part 1, Language and Logic in Traditional China* Joseph Needham, Christoph Harbsmeier, 1998-02-19 The first systematic survey of the conceptual history of basic logical terminology in ancient China

Oriens extremus ,1992 **Hefte für ostasiatische Literatur** ,1996 Schreiben über Frauen in China Dennis R. Schilling, 2004 Die Beitrage des Sammelbandes mochten Impulse für eine historische Forschung zu Frauen in China geben Mit unterschiedlichen Ansätzen philologischen historisch sozialwissenschaftlichen quellenkritischen und literaturwissenschaftlichen werden Fragen nach der Darstellung der Frau und nach der dargestellten Wirklichkeit der Frau an das historische Schrifttum Chinas gestellt Sechs der acht Beitrage beziehen sich auf die antike Gesellschaft und ihre historische Literatur zwei Beitrage fügen Betrachtungen zum Schreiben über Frauen der späteren Kaiserzeit hinzu Aus dem Inhalt 8 Beitrage R H Gassmann What s in a Name Frau und Status im antiken China Eine Spurensuche R Ptak Die Dame Zhuang von Qi D Schilling Protagonistinnen im Zyklus der Wanderungen des Chonger Eine Studie zur Narratologie des Zuo zhuan J Kralle Zu einigen Frauengestalten aus dem Lie nu zhuan K Vogelsang Schlechte Leute und gute Musikantinnen Über Stoffe Motive und die Konstruktion von Geschichte im Alten China U Middendorf Sangerinnen und Tänzerinnen der Han Herkunft Sozialstatus Tätigkeiten *Preußen, Deutschland und China* Mechthild Leutner, Andreas Steen, Xu Kai, Xu Jian, Jürgen Kloosterhuis, Hu Wanglin, Hu Zhongliang, 2014 *Das Deutsche Buch* ,1929
