Fight Police State USA is another book by Tinny Dr. Rex Curry's Amazing Discovery Ian Tinny, 2014-07-26 Dr Rex Curry and his astounding historical achievements are studied by the author Ian Tinny including Dr Curry's discovery that 1 the USA's Pledge of Allegiance to the flag was the origin of the Nazi salute and Nazi behavior and 2 the swastika although an ancient symbol was also used to represent crossed S letters for socialism under Nazism the National Socialist German Workers Party. Because of the revelations there are unexpected results Tinny and his assistants collect old photos and film footage of the early Pledge of Allegiance showing the origin of the notorious stiff armed salute. The Nazi salute was performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and robotic chanting in those countries and other foreign countries. Explore how the ancient Roman salute myth originated from the city of Rome in the state of New York not Italy. Francis Bellamy's hometown. Learn about Mussolini's strange gift to the city of Rome NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome NY. See how Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere. Discover how Stalin was forced to involuntarily join the allies during WWII. Discover how the military salute was the origin of the Nazi salute. Read why the Pledge of Allegiance would not be performed by anyone today other than oddballs if the truth were taught in school. Find out who you are, what you are, and how you got to be that way. Also learn who you should blame: your teacher and the government's schools. **Libertarian History** Lin Xun, Dead Writers Club, Pointer Institute, Rex Curry, 2016-07-24. Supermodel that's her on the cover and Superwriter Lin Xun bares all in this book about history and the never-ending fight for liberty. She exposes anti-freedom schemes including these shockers: 1 that the Pledge of Allegiance to the Flag was the origin of the Nazi salute and Nazi behavior; 2 that the military salute was the origin of the Nazi salute via the military salute's use in the original Pledge of Allegiance; and 3 Swastikas represented crossed S letter shapes for socialist under Hitler. Three of the many astounding discoveries by avant-garde Political Scientist Dr Rex Curry. The government calls Dr Curry the man who knows too much. Each book is personally handled, wrapped and mailed by Lin Xun in the nude. Or by the publisher depending on who's available. In this book Lin spans history's bottom leaving red hand prints. Like a true patriot fashionista she uses the flag as her own personal butt floss. The flag never objected. With a message from the socialist Kim Jong-un, the book *Libertarian History* introduces readers to Anarchaeology, Misanthropology and the Socialist Crusades, the Latest Socialist Dark Age and the Modern Socialist Inquisitions which resulted in the Wholecaust of which the Holocaust was a part. Adolf Hitler, Joseph Stalin, Mao Zedong and other socialists are exposed along with the influence of socialists in the United States upon those criminals.
