Chinese History A Manual Revised And Enlarged:

Chinese History Endymion Porter Wilkinson, 2000 Endymion Wilkinson's bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China. In this latest edition, now in a bigger format, its scope has been dramatically enlarged by the addition of one million words of new text. Twelve years in the making, the new manual introduces students to different types of transmitted, excavated, and artifactual sources from prehistory to the twentieth century. It also examines the context in which the sources were produced, preserved, and received, the problems of research and interpretation associated with them, and the best, most up-to-date secondary works. Because the writing of history has always played a central role in Chinese politics and culture, special attention is devoted to the strengths and weaknesses of Chinese historiography.

Chinese History, Volume 1 Endymion Wilkinson, 2022-05-03 The sixth edition of *Chinese History: A New Manual*, revised and expanded to two volumes, includes the latest developments in digital tools and the ancillary disciplines essential for work on Chinese history. Volume 1 covers topics ranging from Language to Technology. Volume 2 presents primary and secondary sources chronologically by period.

Endymion Porter Wilkinson, 2018 A unique resource. A must for every serious student of Chinese history and culture. Victor H. Mair, Professor of Chinese Language and Literature, University of Pennsylvania. Endymion Wilkinson's bestselling manual of Chinese history has long been an indispensable guide to all those interested in the civilization and history of China. The third edition won the Stanislas Julien Prize for 2014. Seventeen years in the making, the New Manual introduces students to different types of transmitted, excavated, and artifactual sources from prehistory to the twenty-first century. It also examines the context in which the sources were produced, preserved, and received, the problems of research and interpretation associated with them, and the best, most up-to-date secondary works and digital resources. History plays a central role in Chinese politics and culture; therefore, special attention is devoted to the strengths and weaknesses of Chinese historiography.

Fifth Edition Many sections have been rewritten and updated, with over 3,000 works added. The entire text has been reset in high-contrast fonts for easier reading.

Endymion Porter Wilkinson, 1998 Since publication of the first edition in 1998, *Chinese History: A Manual* has become an indispensable guide to researching the civilization and history of China. Updated through January 2000, the second edition discusses some 4,300 primary, secondary, and reference works, an increase of 1,500 titles over the first edition. The temporal coverage has been expanded to include the Republican period; sections on nonverbal salutations, weights and measures, money, and furniture have been added; the chapters on language, etymology, people, geography, chronology, warfare, leishu, food, and the Chinese world order have been thoroughly revised; and the subject index has been enlarged to include 2,500 technical terms.

Deng Xiaoping Michael Dillon, 2014-10-27 One of the most important figures in global politics during the second half of the 20th century, Deng Xiaoping is generally considered the central figure behind China's economic liberalization programme that produced historically unprecedented growth rates and development.

beginning in the late 1970s Lifting nearly a billion people out of poverty Deng Xiaoping's Four Modernisations called for reform in agriculture industry military and science and technology Today these reforms are considered to be the crucial turning point in modern Chinese history enabling China to effectively harness its previously latent power in its quest to become a global economic superpower Just ten years after this tremendous achievement Deng's brutal suppression of the democracy movement at Tiananmen Square severely undermined his international and domestic reputation To explain the seeming contradictions between Deng Xiaoping's desire for economic liberalization and political conservatism Michael Dillon's biography utilizes recently released Chinese sources to detail Deng Xiaoping's emergence from a minority second class community in the Sichuan province via education in France to his meteoric rise to the top of the CCP's political hierarchy illustrating the ways in which his life of struggle and survival shaped his political career Dillon's biography addresses Xiaoping as both an intensely committed communist capable of playing a principal role in the Great Leap Forward from 1958 to 1961 while incurring the wrath of Mao only ten years later as he was exiled and purged during the Cultural Revolution Emphasizing Deng Xiaoping's effectiveness as a party operator and political bruiser rather than an intellectual capable of formulating the reforms for which he eventually took credit this book sheds light on Deng's ability to capitalize upon the planning expertise of other party members This biography of the central figure in China's economic liberalization is essential for any reader interested in or affected by China's rise to global prominence

Rereading Modern Chinese History Zhu Weizheng, 2015-04-21 Rereading Modern Chinese History is a collection of short essays on aspects of the history of the Qing dynasty a regime dominated by Manchus that ruled China from 1644 to 1911 Using sources from that period and earlier it addresses key themes on the nature of Qing rule These include the defeat by the British in the Opium Wars the twin track administration of Manchus and Han Chinese the rise of Chinese military leaders in southern China the purchase of office and endemic corruption the challenge of the Taiping Heavenly Kingdom and the failure of political reform There are new insights on all the Qing emperors and the Empress Dowager Cixi who ruled China between 1861 and 1908

"Nonscientific"
Traditional Maps of China Yinong Cheng, 2022-08-23 This book analyzes the drawing data and methods of the Chinese ancient maps that are neglected by the previous researches and reevaluates the drawing theories and methods the influences and accuracy of the maps that represents the scientificity of Chinese ancient cartographic drawings

Heavenly Numbers Christopher Cullen, 2017-11-17 This book is a history of the development of mathematical astronomy in China from the late third century BCE to the early 3rd century CE a period often referred to as early imperial China It narrates the changes in ways of understanding the movements of the heavens and the heavenly bodies that took place during those four and a half centuries and tells the stories of the institutions and individuals involved in those changes It gives clear explanations of technical practice in observation instrumentation and calculation and the steady accumulation of data over many years but it centres on the activity of the individual human beings who observed the heavens recorded what they saw and made

calculations to analyse and eventually make predictions about the motions of the celestial bodies It is these individuals their observations their calculations and the words they left to us that provide the narrative thread that runs through this work Throughout the book the author gives clear translations of original material that allow the reader direct access to what the people in this book said about themselves and what they tried to do *History of Tofu and Tofu Products (965 CE to 2013)* William Shurtleff, Akiko Aoyagi, 2013-05 *Nation and Ethnicity* Julia C. Schneider, 2017-03-13 Winner of the Foundation Council Award of the Georg August University of Göttingen Public Law Foundation in the category of Outstanding Publications of Young Scientists 2017 In *Nation and Ethnicity* Chinese Discourses on History Historiography and Nationalism 1900s 1920s Julia C Schneider give an analysis of nationalist and historiographical discourses among late imperial and early republican Chinese thinkers In particular she researches their approaches towards non Chinese people within the Qing Empire and the question on how to integrate them into a Chinese nation state Non Chinese people mainly Manchus Mongols Tibetans and Turkic Muslims Uyghurs have not been considered as important factors in the history of early Chinese nationalism so far But Chinese nationalist and historiographical discourses tell not only a lot about the Chinese image of the Other but also shed new light on the images of the Chinese Self and its assumed ability to assimilate and integrate other ethnicities **Ignorance is Bliss: The Chinese Art of Not Knowing** Mieke Matthyssen, 2021-06-15 This book examines the popular yet puzzling Chinese saying Nande hutu to uncover how the ancient Chinese wisdom of not knowing is constructed interpreted practiced and valued in contemporary society Originating in the calligraphy of Qing dynasty scholar Zheng Banqiao Nande hutu translates literally as hard to attain muddle headedness Mieke Matthyssen traces the historical development of this saying and related philosophies to reveal a culturally conditioned multi layered inclination to different forms of not knowing In contemporary society she argues this inclination forms part of a living art in some respects a passive evasive strategy for self preservation in other respects a strategy for coping with intrapersonal interpersonal and social complexities Drawing on an extensive range of primary sources and original research the analysis skillfully combines philosophical and socio historical analysis with theory from Chinese philosophy philosophical psychology and the relatively new field of indigenous psychology to provide an in depth understanding of how Nande hutu has shaped and continues to shape the Chinese psyche and behaviour This book will appeal to all readers looking for fresh insights into Chinese culture and in particular to students and scholars of Chinese and Asian studies cultural and social anthropology and philosophical and indigenous psychology **A Companion to Chinese Archaeology** Anne P. Underhill, 2013-02-26 A Companion to Chinese Archaeology is an unprecedented new resource on the current state of archaeological research in one of the world's oldest civilizations It presents a collection of readings from leading archaeologists in China and elsewhere that provide diverse interpretations about social and economic organization during the Neolithic period and early Bronze Age An unprecedented collection of original contributions from international scholars and collaborative archaeological teams

conducting research on the Chinese mainland and Taiwan Makes available for the first time in English the work of leading archaeologists in China Provides a comprehensive view of research in key geographic regions of China Offers diverse methodological and theoretical approaches to understanding China's past beginning with the era of established agricultural villages from c 7000 B C through to the end of the Shang dynastic period in c 1045 B C **Power of Place** James

Robson, 2020-03-17 Throughout Chinese history mountains have been integral components of the religious landscape They have been considered divine or numinous sites the abodes of deities the preferred locations for temples and monasteries and destinations for pilgrims Early in Chinese history a set of five mountains were co-opted into the imperial cult and declared sacred peaks yet demarcating and protecting the boundaries of the Chinese imperium The Southern Sacred Peak or Nanyue is of interest to scholars not the least because the title has been awarded to several different mountains over the years The dynamic nature of Nanyue raises a significant theoretical issue of the mobility of sacred space and the nature of the struggles involved in such moves Another facet of Nanyue is the multiple meanings assigned to this place political religious and cultural Of particular interest is the negotiation of this space by Daoists and Buddhists The history of their interaction leads to questions about the nature of the divisions between these two religious traditions James Robson's analysis of these topics demonstrates the value of local studies and the emerging field of Buddhist Daoist studies in research on Chinese religion

Culture and Power in the Reconstitution of the Chinese Realm, 200-600 Scott Pearce, Audrey G. Spiro, Patricia Buckley Ebrey, 2001 But despite the violence and volatility these centuries were a time of extraordinary cultural flowering which reshaped and deeply enriched Chinese civilization Culture and cultural change are the primary focuses of the eight essays in this volume Technicians and Artisans of Heaven and Earth Stephan N. Kory, 2025-08-21 *Technicians and Artisans of Heaven and Earth* reconstructs memories of significant but often overlooked figures from a remarkably diverse yet understudied period of Chinese history The book includes translations of three biographical collections from the official dynastic histories of the Northern Wei Northern Zhou and Sui featuring the lives of technicians and artisans Through a comparative intertextual and literary analysis of these works Stephan N Kory not only sheds light on the roles and functions of diviners physicians and craftsmen in the imperial courts of mid medieval North China but also provides us with fascinating insights into medieval Chinese court life and society *The Rise of the Mongols*, 2021-10-06 *Rise of the Mongols* offers readers a selection of five important works that detail the rise of the Mongol Empire through Chinese eyes Three of these works were written by officials of South China's Southern Song dynasty and two are from officials from North China writing in the service of the Mongol rulers Together these accounts offer a view of the early Mongol Empire very different not just from those of Muslim and Christian travelers and chroniclers but also from the Mongol tradition embodied in *The Secret History of the Mongols* The five Chinese source texts in English translation each with their own preface Selections from *Random Notes from Court and Country since the Jianyan Years* vol 2 by Li Xinchuan A Memorandum on the Mong Tatars by Zhao

GongA Sketch of the Black Tatars by Peng Daya and Xu TingSpirit Path Stele for His Honor Yel Director of the Secretariat by Song ZizhenNotes on a Journey by Zhang Dehui Also included are an introduction index bibliography and appendices covering notes on the texts tables and charts and a glossary of Chinese and transcribed terms **Twentieth Century**
