Yang,2020-03-17 This volume brings to English language readers the results of an important long term project of historians from China and Japan addressing contentious issues in their shared modern histories Originally published simultaneously in Chinese and Japanese in 2006 the thirteen essays in this collection focus renewed attention on a set of political and historiographical controversies that have steered and stymied Sino Japanese relations from the mid nineteenth century through World War II to the present These in depth contributions explore a range of themes from prewar diplomatic relations and conflicts to wartime collaboration and atrocity to postwar commemorations and textbook debates all while grappling with the core issue of how history has been researched written taught and understood in both countries In the context of a wider trend toward cross national dialogues over historical issues this volume can be read as both a progress report and a case study of the effort to overcome contentious problems of history in East Asia **Routledge Handbook of Memory and**

**Reconciliation in East Asia** Mikyoung Kim,2015-10-05 Decades after the end of the World War II East Asia continues to

struggle with lingering animosities and unresolved historical grievances in domestic bilateral and regional memory landscapes China Japan and the Korea share a history of inter and intra violence self other identity construction and diametrically opposed interpretations of the past Routledge Handbook of Memory and Reconciliation in East Asia offers a complete overview of the challenges of national memory and ideological rivalry for reconciliation in the East Asian region Chapters provide authoritative analyses of contentious issues such as comfort women the Nanjing massacre history textbook controversies shared heritage sites colonial rule territorial disputes and restitution By interweaving memory human rights and reconciliation the contributors actively explore real prospects of redressing past wrongs and achieving peaceful coexistence at personal as well as governmental levels Bringing together an international team of experts this book is an essential read for students and scholars of East Asian studies anthropology gender studies history international relations law political science and sociology and for those interested in memory and reconciliation issues

Nation and the Writing of History in China and Britain, 1880-1930 Asier Hernández Aguirresarobe, 2022-08-19 Nation and the Writing of History in China and Britain explores through a comparative approach the reception of the nationalist worldview and its effects on the practice of history in China and Britain This book proposes that nationalism rather than a political doctrine is a way of making sense of the world which results from the combination of a set of definite assumptions The work analyzes how each one of these premises was accepted and negotiated by literati intellectuals historians and other scholars in the late nineteenth and early twentieth centuries The results of this research showcase how the reception of the new nationalist worldview crucially affected images of the past the present and the future in both societies and decisively framed cultural social and political debate In addition they likewise evidence the fundamental role that historical narratives play in the crystallization of national identities This book is perfect for readers interested in China and Britain during this time period but also to anyone attracted to new ways of conceiving nationalism and its role in our world

**Trauma** Jeffrey C. Alexander, 2013-04-26 In this book Jeffrey C Alexander develops an original social theory of trauma and uses it to carry out a series of empirical investigations into social suffering around the globe Alexander argues that traumas are not merely psychological but collective experiences and that trauma work plays a key role in defining the origins and outcomes of critical social conflicts He outlines a model of trauma work that relates interests of carrier groups competing narrative identifications of victim and perpetrator utopian and dystopian proposals for trauma resolution the performative power of constructed events and the distribution of organizational resources Alexander explores these processes in richly textured case studies of cultural trauma origins and effects from the universalism of the Holocaust to the particularism of the Israeli right from postcolonial battles over the Partition of India and Pakistan to the invisibility of the Rape of Nanjing in Maoist China In a particularly controversial chapter Alexander describes the idealizing discourse of globalization as a trauma response to the Cold War Contemporary societies have often been described as more concerned with the past than the future

more with tragedy than progress In *Trauma A Social Theory* Alexander explains why **World War Two Legacies in East Asia** Chan Yang,2017-10-18 How to remember World War Two in East Asia is a huge source of friction between China and Japan causing major diplomatic and political difficulties right up to the present As this book shows however there is also disagreement within these countries as to how to remember the war which in the case of China began immediately after the war and lasted with varying degrees of intensity until the famous textbook incident of 1982 marked the beginning of a more strongly anti Japanese position Based on extensive original research the book explores how China s remembrance of the war has evolved over time It not only explores the roles played by the national as well as local state actors in the formation of the Chinese war memory but also pays attention to the individual Chinese people It considers particular aspects of commemoration in China explores the corresponding situation in Japan and discusses the continuing impact on the relationship between the two countries Translations on Communist China United States. Joint Publications Research Service,1966 **The Politics of Historical Production in Late Qing and Republican China** Tze-ki Hon,Robert Culp,2007-09-30 This book examines forms of Chinese historical production happening outside the mainstream of academic history through such new measures as the publication of textbooks the writing of local history the preservation of archival materials and government attempts to establish orthodox historical accounts The book does so in order to broaden the scope of modern Chinese historiography when it focuses primarily on a small group of writers such as Liang Qichao Gu Jiegang and Fu Sinian Directly linking historical writings to the formation of the nation the justification of elite authority and the cultivation of active citizenry this book shows that historiography is essential to understanding the uniqueness of Chinese modernity Also available in paperback **Educating China** Peter Zarrow,2015-09-23 A major study of how Chinese school textbooks shaped social cultural and political trends in the late imperial and Republican period Chinese History And Literature: New Ways To Examine China's Past Guanjun Wu,2018-08-13 Chinese History and Literature New Ways to Examine China s Past collects important studies on Chinese history and literature studies conducted by the academics at East China Normal University ECNU in recent years The book covers topics including the study of Chinese Economic History Jiangnan Identity in Chinese history and literature a new study on the cause of the great proscription the artistic presentation of a tragic character among others This book is the second volume in the WSPC ECNU Series on China The WSPC ECNU Series showcases the significant contributions to scholarship in social sciences and humanities studies about China The Series is jointly launched by World Scientific Publishing the most reputable English academic publisher in Asia and ECNU a top University in China with a long history of exchanges with the international academic community **The Chinese System of Public Education** Ping Wen Kuo,1915 *The Chinese in Southeast Asia and Beyond* Ching-Hwang Yen,2008 The Chinese in Southeast Asia with their growing economic clout have been attracting attention from politicians scholars and observers in recent decades The rise of China as a global economic power and its profound influence over Southeast Asia has
