## **Chipmans African Adventure:**

*Chipman's African Adventure* Jim Anderson, 2015-03-19 *Chipman's African Adventure* by Jim Anderson is a psycho adventure a blackly comic tale set in the imagined country of Bomzawe in West Africa in 1972 It also contains a tender gay love story Though essentially satirical some people may find the ribald sexuality confronting Chipman Smith is still in the closet when he arrives at the Hornbill Palace Hotel at Tlula Leisure Beach but he is well and truly out of it by the time he leaves Or is he Mr Smith will never be the same again and neither will you after reading *Chipman's African Adventure* This blackly comic tale set in an imagined West African country balances throughout on the edge of laughter Crescendos of absurdity and high camp drama supplant and transcend each other with accelerating speed Fledgling lawyer Chipman longs for true love Will he find it with Zach Shaler the Nebraskan cowboy with Peace Corps dreams with Drift the mamba snake catcher even though Drift is seriously obsessed with Toffee his intoxicatingly beautiful girlfriend or with neither Chipman hopes he has nothing but a drinking problem when he arrives from Sydney To his horror he finds himself dragged into the bizarre re birthing rituals of Dr Starry Sanguini a drug crazed Australian psychotherapist with a shady past These rituals rapidly metamorphose into psychedelic theatrical extravaganza Chipman emerges in one piece but is he more clear sighted than before or just a slave to Sanguini as guru and ringmaster Chipman is a benighted but endearing hero confronted by many moral and ethical dilemmas His naivety and goodwill are offset by a shrewdness of intellect and an ability not only to observe but to participate in the beauty brutality and seething sexual shenanigans of his seedy post colonial environment The satire is savage and so is the civil war which inevitably comes but there is an unexpected and underlying tenderness shown in Chipman's dealings with Sanguini's troupe of international outlaws and generational refugees It would be easy for a psycho adventure like this to fall into caricature Instead the protagonists have a depth of characterisation which makes it all touchingly down to earth and real Not everyone escapes alive sane or uncompromised from Tlula Leisure Beach You will never guess the end

*Aid to Africa* Gordon Cumming, 2017-07-05 The end of the Cold War forced Western donors to rethink their aid relations with Africa This book looks at two of these donors France and Britain and asks whether the development programmes of these former colonial powers have undergone radical changes since the end of the Old World Order It focuses on the introduction of a controversial new regime trend political conditionality and uses policy models to illustrate the driving forces behind this new development strategy and explain substantial differences in France and Britain's practice of political conditionality in Togo and Kenya Overall this volume the first comparative study of French and British aid in the post Cold War period offers fresh insights into the evolution of the political assistance agenda and into deeper forces at work within the French and UK policy processes
