Dee Elle

Down Memory Lane Dee Elle:

Down Memory Lane Dee Elle, 2015-12-21 *Down Memory Lane* is a charming reflection on how life used to be lived from the days of the Second World War up to the present. It is a nostalgic collection of memories that the author has lovingly recalled from childhood into adulthood with all of the ups and downs that occur in between. Dee Elle started her nursing career as a student and worked her way up to the lofty position of matron. Those were the days when the National Health Service was working at its best where consultants were considered gods and matrons ruled the wards with no nonsense and an iron fist. *Down Memory Lane* is full of entertaining life stories that some will find reminiscent and others inspirational.

Teether #3 David Hutchison, 2019-11-01 As Lilly comes closer to getting her revenge her hunger grows more monstrous. Any hopes Dillon had of getting through to her start to fade and he begins to wonder if Lilly will stop even if she gets what she wants. As Dillon weighs his options his friends are making plans of their own and those plans start with the gun Dillon brought to school.

Gold Digger #268 Fred Perry, Still aiding Monty in his quest to help make Ayane safe from her curse. Gina enters the Riddle Rift a series of hyper connected dimensions. As the only person known who can read the draconic glyphs on the Rift's portals only she can pass through them. However that means she's working alone when she attracts the attention of a dangerous wandering deity or three.

Gold Digger #269 Fred Perry, As she prepares to leave the Riddle Rifts Gina spots a mundane portal an extremely mundane portal. Too mundane. And that makes it very interesting. Infiltrating the pleasant yet slightly weird realm on its other side Gina confronts an opponent she never expected one who just might test her very limits. Can she hope to overcome the intricate machinations of Professor Peter von Fluffernums?
