Giving My Heart Lisa H. Farber-Silk, 2007-11-01 *Giving My Heart* is the true story of a New England wife's struggle to find hope and help for a soldier friend and lover after his return from Operation Iraqi Freedom Before the war he was an outgoing and affable man with a can do attitude After deployment he returns to Vermont wanting nothing more than to be left alone In the months after he begins avoiding family and old friends He is subject to mood swings angry outbursts headaches trouble sleeping problems at work and feels that no one can ever understand his world and what he has become Meanwhile Lisa has sacrificed everything including a marriage of two decades to be with a man who is no longer interested in relationships with anyone Her quest to find healing for her friend with Post Traumatic Stress Disorder PTSD will take more love patience and persistence than she ever knew she had *Giving My Heart* portrays the legacy of our involvement in the Middle East from the Persian Gulf War to the Iraq War as one family tries to grapple with what it means Lisa provides a personal and heart rending perspective that only a military wife and mother can share Book 3 in the Reflections of History Series from Modern History Press Foreword by David W Powell author of *My Tour in Hell A Marine's Battle with Combat Trauma*

Moral Injury among Returning Veterans Joshua Morris, 2021-08-23 Josh Morris privileges the voices of veterans to argue that returning soldiers need families friends and religious communities to listen to their stories with compassion to avoid amplifying the effects of moral injury When society greets returning soldiers in ways that reinforce cultural norms that

frame military service as heroic rather than acknowledging its ambiguities and harmful effects it exacerbates moral injury and keeps veterans from resolving inner conflicts and coping effectively with civilian life Morris a military chaplain and veteran who served in Afghanistan knows these difficulties first hand Using stories from other veterans Morris helps us see how cultural assumptions about military service can complicate moral injury and a veteran s return home Drawing from liberation theologies ideology critique and Antonio Gramsci s advocacy for the working class the book suggests useful perspectives and spiritual care resources for military chaplains religious leaders caregivers and concerned civilians Morris argues that military chaplains are uniquely positioned to help returning soldiers resist the amplification of existing moral injury Moving from thank you for your service to liberative solidarity can galvanize resistance and make change possible

town memories and describe what it's like to be a police officer. As a police pilot, OJ will place you in the cockpit of a police helicopter and will make you feel as though you are in the cockpit flying with him. This book will describe what it's like being a federal investigator and will allow you some insight into investigative questioning techniques. OJ's three decades of investigative experience and his experience as an army counterintelligence officer is a career rich in action and stories. OJ describes his leadership philosophy and how committed leadership can effect improvement. OJ describes what it's like as an army counterintelligence officer and developing a tough mindset as a leader of combat operations. Learn how he put together six intelligence teams from scratch and how tactical intelligence sources are determined and why one does not leave a footprint on an intelligence source. Enjoy.
