### **Download Discourse Management Critical Perspectives Palgrave:**

*Critical Perspectives on Leadership* Mark Learmonth, Kevin Morrell, 2019-05-01 Within contemporary culture leadership is seen in ways that appeal to celebrated societal values and norms As a result it is becoming difficult to use the language of leadership without at the same time assuming its essentially positive intrinsically affirmative nature Within organizations routinely referring to bosses as leaders has therefore become both a symptom and a cause of a deep largely unexamined new conceptual architecture This architecture underpins how we think about authority and power at work Capitalism and its turbo charged offspring neo liberalism have effectively captured leader and leadership to serve their own purposes In other words organizational leadership today is so often a particular kind of insidious conservatism dressed up in radical adjectives This book makes visible the work that the language of leadership does in perpetuating fictions that are useful for bosses of work organizations We do this so that we and anyone who shares similar discomforts can make a start in unravelling the fiction We contend that even if our views are contrary to the vast and powerful leadership industry our basic arguments rest on things that are plain and evident for all to see *Critical Perspectives on Leadership The Language of Corporate Power* will be key reading for students academics and practitioners in the disciplines of Leadership Organizational Studies Critical Management Studies Sociology and the related disciplines

**Obesity Discourse and Fat Politics** Lee Monaghan, Rachel Colls, Bethan Evans, 2015-12-22 There is considerable rhetoric and concern about weight and obesity across an increasing range of national contexts Alarmist claims about an obesity time bomb are continually recycled in policy reports reviews and white papers each of which begin with the assumption that fatness is fundamentally unhealthy and damaging to national economies With contributions from the UK Canada the USA and Australia this book offers alternative critical perspectives on this alleged public health crisis which were in part developed through an Economic and Social Research Council seminar series on Fat Studies and Health at Every Size HAES Written by scholars from a range of disciplines and the health professions themes include an interrogation of statistical procedures used to construct the obesity epidemic overweight and obesity as cultural signifiers for Type 2 diabetes understandings of healthy eating and healthy weight in a problem population gendered expectations on men and women to lose weight the visual representation of obesity tensions when researching anti fatness critical dietitians engagement with HAES alternative ways of promoting physical activity and representations of obesity in the media This book was originally published as a special issue of *Critical Public Health*

**The Public Relations Handbook** Alison Theaker, 2016-05-20 The Public Relations Handbook Fifth Edition provides an engaging overview and in depth exploration of a dynamic and ever evolving industry The diverse chapters are united by a set of student friendly features throughout including clear chapter aims analytical discussion questions and key further reading Featuring wide ranging contributions from key figures in the PR profession the new edition presents a new chapter on public relations and activism alongside discussion of key critical themes in public relations research and

exploratory case studies on public relations practices in relation to a variety of different institutions including The Bank of Scotland Queen Margaret University Diabetes UK Continental Tyres and Action for Children Split into four parts exploring key conceptual themes of the context of public relations strategic public relations stakeholder public relations and shaping the future the book offers coverage of essential areas including public relations politics and the media media relations in the social media age using new technology effectively in public relations public relations and engagement in the not for profit sector business to business public relations the public relations of globalisation *Missing Persons* Karen Shalev Greene, Llian Alys, 2016-10-14 A missing person is an individual whose whereabouts are unknown and where there is some concern for his or her wellbeing In the UK around 250 000 people are reported missing every year with the majority being children under the age of 18 Despite the fact that missing persons are a social phenomenon which encompasses vast areas of interest relatively little is known about those who go missing what happens to them while they are missing and what can be done to prevent these incidents from occurring This groundbreaking book brings together for the first time ideas and expertise across this vast subject area into one interconnected publication It explores the subjects of missing children missing adults the investigative process of missing person cases and the families of missing persons Those with no prior knowledge or professionals with focused knowledge in some areas will be able to expand their understanding of a variety of topics relevant to this field through detailed chapters which advance our understanding of this complex phenomenon discuss what is unknown and suggest the best and most important steps forward to further advance our knowledge **Handbook of Inclusive Learning and Teaching in Business and Management** Martyna Śliwa, Lisa Anderson, Kate Black, Caroline Chaffer, Jill Webb, 2025-05-14 This comprehensive and wide ranging Handbook offers insights into real world classroom experiences of educators who have developed inclusive approaches to learning and teaching within schools of business and management Written by leading practitioners from the British Academy of Management community it provides good practice guides and examples of how to implement initiatives whose success is supported by evidence *Handbook on Leadership in Education* Philip A. Woods, Amanda Roberts, Meng Tian, Howard Youngs, 2023-11-03 This comprehensive Handbook explores how to best understand develop and practise educational leadership in an era of significant disruption to education Contributors evaluate the latest developments in leadership in education and provide novel insights into key conceptual and methodological issues **Critical Multicultural Practice in Social Work** Charlotte Williams, 2020-07-16 Critical multicultural practice rather than being a specialism is integral to Australian social work Drawing on critical race theory critical multiculturalism intersectionality and critical reflection as practice theory this major new edited collection challenges many of the dominant assumptions of cross cultural social work and provides instead a new model of transformative engagement Key concepts are considered including identity culture diversity and superdiversity how power and privilege shape everyday interactions and what is meant by citizenship in the contemporary context Part One explores the changing

nature of multicultural practice in Australia including our society's changing demographic profile the impact of asylum and refugee migrations race and racism and cultural identity Indigenous perspectives and the relationship with multicultural practice are examined together with the ethical and legal basis for multicultural practice This part concludes with an outline of the editors framework for critical multicultural practice Part Two draws on contributions from a range of practitioners and offers new perspectives on diverse fields including child protection mental health disability ageing homelessness and rural and regional practice Featuring case studies and insights drawn from across the spectrum of practice this book is a vital resource for all social workers practising in Australia today A rich and nuanced analysis of what is happening at the interfaces of our work and the lives of Australian citizens it articulates ways forward that are genuine bold and empathetic From the foreword by Professor Kerry Arabena The University of Melbourne

**Doing Theory on Education** Andy Cramp, Julian McDougall, 2018-08-06 Doing Theory on Education explores key debates using examples from contemporary media and popular culture to guide Education Studies students through the perennial debates that surround teaching and learning Aimed at undergraduates postgraduates and teachers in education settings it uses over seventy popular culture texts from television music videogames fiction film architecture social media the press and art to illuminate important issues and make the critical theory that underpins educational debates more accessible and engaging Each chapter also offers essential background knowledge and historical perspective and includes reflective activities to help you develop a critical approach enabling you to argue your own point of view with confidence and consider where issues may progress to in the future It examines core issues such as Class and educational choice Learning styles Testing and assessment What counts as knowledge Leadership and professionalism Education students and those in education settings often struggle to see the value of theory Doing Theory on Education Using Popular Culture to Explore Key Debates is an accessible text designed for educationalists who want to put theory to work as an active strategy for influencing thinking and practice

Discourse and Management Gerlinde Mautner, 2016-01-15 Discourse and Management offers a unique combination of discourse analysis and critical management studies Presenting a fresh perspective on organizational discourse this book twins theoretical insight with hands on advice on tackling methodological challenges Packed with real life examples and case studies it explains how a critical language centred approach can help to explore issues such as identity persuasion and power It encourages critical engagement with theories methods and concepts providing practical tools for research projects and adaptable skills for self reflection Accessibly written and clearly structured Assumes no prior knowledge of linguistics or discourse studies Introduces key concepts and methodological tools for approaching discourse analysis from a critical perspective This is the perfect resource for advanced undergraduate postgraduate and PhD students of organization and management as well as researchers interested in adding critical discourse analysis to their repertoire of methods

The Palgrave Handbook of Diplomatic Thought and Practice in the Digital Age Francis Onditi, Katharina McLarren, Gilad

Ben-Nun,Yannis A. Stivachtis,Pontian Okoth,2023-08-01 This handbook integrates a range of conceptual and empirical approaches to diplomacy in the context of ongoing technological and societal change Technological and societal disruptions affect modern diplomacy altering its character and reforming its way In light of such changes this book offers both historical foundations and contemporary perspectives in the field By doing so it demonstrates how contemporary change impacts the work of diplomats representing sovereign states Global diplomatic services will forever be affected by the digitalization of engagement between states during and after the COVID 19 pandemic In this rapidly changing culture with burgeoning geopolitical and geostrategic realignment among global powers the tools of diplomacy have changed The state s foreign policy astuteness and responses to these changes could have long term impacts All this culminates in opportunities for improving the management of diplomatic services and efficiency of the Ministries of Foreign Affairs MoFA of various states This book provides useful insights into how modern diplomacy works especially the integration of informalities into formal diplomatic practices in complex peace and security environments within such a framework of change

**Internationalisation and Marketisation of Higher Education in the UK** Zahra Kemiche,2024-09-23 This timely volume sets out the author s novel concept of the Organic model of internationalisation developed using participants perceptions lived experiences and recommendations for a better sustainable future of HE and explores its broader application in the context of higher education Using the qualitative IPA Interpretative Phenomenological Analysis approach chapters showcase the lived experiences and subjective perspectives of individuals around the paradox that internationalisation presents the distorting effects of institutional power and the market and ethics based concerns of internationalisation in higher education Drawing on an in depth empirical study conducted using participant observation and interviews with participants from three UK universities the book proposes a framework for redefining the global discourse of HE through the Organic model and urges the need for a compromise between profit and ethics to the benefit of both organisations and individuals The book thoroughly discusses racist practices and introduces the concepts of xeno racism and angelism ensuring that the proposed approach is authentic and responsive to the diverse experiences of the student body Showcasing a model with international potential and ramifications this book will appeal to researchers academics and postgraduate students in higher education internationalisation and international study mobility Practitioners and policymakers may also benefit from the volume

Health Equity in a Globalizing Era Ronald Labonté,Arne Ruckert,2019-03-13 Why do some countries and populations suffer from poverty and ill health whilst others are more prosperous and healthy What are the inherently global trans border issues that affect inequities in disease burden and health opportunities for individuals and nations Traditionally the focus of global health has been international health the concern for high burdens of disease in generally low income countries To answer these questions however we need to modernise our understanding of globalization as a phenomenon Health Equity in a Globalizing Era Past Challenges Future Prospects

examines how globalization processes since the on set of neoliberalism affect equity in global health outcomes and emphasises access to important social determinants of health With a basis in political economy the book covers key globalization concepts and theory and presents a thorough background to the field Case studies illustrations and new research all combine to make this title a comprehensive and current discussion of the various pathways that connect globalization to health equity outcomes It looks at changes in migration labour markets trade and investment rules international development assistance health systems infectious and non communicable disease risks environmental health and gendered aspects of globalization s health dialectic In addition it argues for a reform of the global governance structure the significant role of human rights and the importance of a strong civil society in achieving greater social justice in health Ideal for senior undergraduate and graduate students in global health programs global health scholars and practitioners in government policy and health development NGOs Health Equity in a Globalizing Era Past Challenges Future Prospects is a significant contribution to our new understanding of globalization and global public health China's Cultural Diplomacy Xin Liu,2019-10-02 This book examines China s contemporary global cultural footprints through its recent development of cultural diplomacy The volume presents an alternative analytical framework to examine China s cultural diplomacy which goes beyond the Western defined concept of soft power that prevails in the current literature This new approach constructs a three dimensional framework on Orientalism cultural hegemony and nationalism to decipher the multiple contexts which China inhabits historically internationally and domestically The book presents multiple case studies of the Confucius Institute and compares the global programme located around the world with its Western counterparts and also with other Chinese government sponsored endeavours and non government initiated programmes The author aims to solve the puzzle of why China s efforts in cultural diplomacy are perceived differently around the world and helps to outline the distinctive features of China s cultural diplomacy This book will be of much interest to students of diplomacy Chinese politics foreign policy and International Relations in general **Online Teaching and Learning in Higher Education during COVID-19** Roy Chan,Krishna Bista,Ryan Allen,2021-08-12 This timely volume documents the immediate global impacts of the coronavirus pandemic COVID 19 on teaching and learning in higher education Focusing on student and faculty experiences of online and distance education the text provides reflections on novel initiatives unexpected challenges and lessons learned Responding to the urgent need to better understand online teaching and learning during the COVID 19 pandemic this book investigates how the use of information and communication technologies ICT impacted students faculty and staff experiences during the COVID 19 lockdown Chapters initially look at the challenges faced by universities and educators in their attempts to overcome the practical difficulties involved in developing effective online programming and pedagogy The text then builds on these insights to highlight student experiences and consider issues of social connection and inequality Finally the volume looks forward to asking what lessons COVID 19 can offer for the future development of online and distance learning in higher

education This engaging volume will benefit researchers academics and educators with an interest in online teaching and eLearning curriculum design and more specifically those involved with the digitalization of higher education The text will also support further discussion and reflection around pedagogical transformation international teaching and learning and educational policy more broadly

Public and Professional Writing A. Surma, 2005-02-09 This book offers something quite new an advanced textbook that considers professional writing as a negotiated process between writer and reader Arguing that ethics imagination and rhetoric are integral to professional writing praxis the book encourages students to look critically at various writing practices in a range of contexts A textbook for advanced undergraduates and postgraduates in Linguistics Communication Journalism and Media Studies

**Making Progress in Housing** Sean McNelis, 2014-01-21 This book presents a new approach to housing research one that is relevant to all the social sciences Housing research is diverse and operates across many disciplines approaches and methods making collaboration difficult This book outlines a methodological framework that enables researchers from many different fields to collaborate in solving complex and seemingly intractable housing problems It shows how we can make progress in housing research and deliver better housing outcomes through an integrated approach Drawing on the work of renowned Canadian methodologist philosopher theologian and economist Bernard Lonergan 1904 1984 McNelis outlines a framework for collaborative research Functional Collaboration This new form of collaboration divides up the work of housing research into functional specialties These distinguish eight inter related questions that arise in the process of moving from the current housing situation through to providing practical advice to decision makers To answer each question a different method is required Making progress in housing is the result of finding new answers to this complete set of eight inter related questions This approach to collaboration opens up a new discourse on method in housing and social research as well as new debates on progress and the nature of science

*Children's Literacy Practices and Preferences* Jane Sunderland, Steven Dempster, Joanne Thistlethwaite, 2016-03-31 Over the past few decades there have been intense debates in education surrounding children's literacy achievement and ways to promote reading particularly that of boys The Harry Potter book series has been received enthusiastically by very many children boys and girls alike but has also been constructed in popular and media discourses as a children's particularly a boys literacy saviour Children's Literacy Practices and Preferences Harry Potter and Beyond provides empirical evidence of young people's reported literacy practices and views on reading and of how they see how the Harry Potter series as having impacted their own literacy The volume explores and debunks some of the myths surrounding Harry Potter and literacy and contextualizes these within children's wider reading

The Social Dynamics of Web 2.0 Charalambos Tsekeris, Ioannis Katerelos, 2015-06-05 Within only a few years Facebook Wikipedia Twitter YouTube and other social media have become an intimate part of everyday life Web 2.0 the collective term for all forms of interactive online communication is characterized by the overwhelming ability of users to collaboratively create content The implications of Web 2.0 have become a central

focus for interdisciplinary social science research This book comprehensively addresses the profound impact of Web 2.0 on contemporary society and its dynamics in a multiplicity of fields The chapters authored by world leading experts vividly demonstrate that Web 2.0 is a dynamic basis for collective action and an unlimited source of societal destabilisation and revolutionary change for better or for worse Various aspects of the radical transformative potential of Web 2.0 are imaginatively and critically discussed in the analytical context of quantitative approaches qualitative works and case studies This book provides key insights into the wide reaching implications of recent technological developments casting new light into an area which may potentially contribute to a more peaceful and sustainable future This book was originally published as a special issue of Contemporary Social Science Journal of the Academy of Social Sciences **Psychology, Punitive**

**Activation and Welfare** Rose-Marie Stambe, 2022-06-16 This book explores welfare politics unemployment and interventions in relation to the labour market from a critical psychological perspective Using critical fieldwork and theory the author explores the administration of the unemployed and the drive to increase labour market participation through strategies of activation There is a strong and coherent conceptual and theoretical framing for this work with a critical perspective essentially question everything taking centre stage It will give an overall coherence in addressing the topic The theoretical framing is cogent and in combination with the critical perspective works well for integrating the material and delivering a fresh approach to this topic Psychology Punitive Activation and Welfare will appeal to students engaging with critical psychology unemployment or policy by providing a distinct application of theoretical and methodological tools to think differently about the relationship between labour market non participation human misery psychology and frontline enactment of policy and research *Emerging Digital Media Ecologies* Toija Cinque, 2024-11-18 Emerging Digital Media

*Ecologies* The Concept of Medialogy investigates the profound ways in which digital media reshapes our cultural socio technological political and natural landscapes Through interdisciplinary empirical and creative case studies the book defines and illuminates the nuances of medialogy emphasising the often underestimated impact of emerging technologies across interactive education data gathering visual data representations and creative practice It explores the intersection of the natural and technological worlds contextualising our use of natural resources against climate change and sustainable economies Divided into two parts the book delves into the theoretical underpinnings of digital media ecologies and their practical applications Part 1 traces the evolution of media technologies examining their environmental impact and the foundational approaches to understanding media s complex interconnections Part 2 focuses on contemporary issues such as hyperpersonalised media digital literacy and the transformative power of Indigenous media narratives Additionally the monograph explores the revolutionary role of Artificial Intelligence AI and large language models like ChatGPT 4o and those that follow in shaping our digital future It investigates how AI transforms creative practices data processing and communication contributing to the formation of new media ecologies The ethical implications commodification identity

formation and the impact of AI driven technologies on everyday life are critically examined offering insights into the future of human technology interactions This book is a crucial reference for scholars practitioners and students in digital humanities media studies environmental humanities and anyone interested in the cultural implications of emerging digital technologies and their impact on our environment and society
