Holy Politics: a Christian'S Guide to Political Discourse Nancy Smithson Summerlin,2016-09-30 As the temperature of partisan rhetoric continues to rise across America many politicians are waving Bibles and claiming that being a Christian is part of their political credentials Holy Politics is an attempt to change the tone of debates and disagreements while bringing more integrity to the process by looking at what the Bible has to say about fear anger wealth poverty immigration and political power This book includes passages from scripture along with citations that will help guide readers in their own search for answers Holy Politics is useful for individual exploration study groups and Sunday school classes Find out for yourself what scripture says about how we should discuss political issues Its in the Bible You can look it up **First the Gospel, Then Politics...** John Clifford Rankin,1999-12 *Jesus for President* Shane Claiborne,Chris Haw,2009-08-30 Jesus for President is a radical manifesto to awaken the Christian political imagination reminding us that our ultimate hope lies not in partisan political options but in Jesus and the incarnation of the peculiar politic of the church as a people set apart from this world In what can be termed lyrical theology Jesus for President poetically weaves together words and images to sing rather than dictate its message It is a collaboration of Shane Claiborne s writing and stories Chris Haw s reflections and research and Chico Fajardo Heflin s art and design Drawing upon the work of biblical theologians the lessons of church history and the examples of modern day saints and ordinary radicals Jesus for President stirs the imagination of what the Church could look like if it placed its faith in Jesus instead of Caesar A fresh look at Christianity and empire Jesus for President transcends questions of Should I vote or not and Which candidate by thinking creatively about the fundamental issues of faith and allegiance It s written for those who seek to follow Jesus rediscover the spirit of the early church and incarnate the kingdom of God **Our Program** Abraham Kuyper,Jordan J. Ballor,Melvin Flikkema,2015-11-20 In Our Program Abraham Kuyper presents a Christian alternative to the secular politics of his day At that time the church and state were closely tied with one usually controlling the other But Kuyper s political framework showed how the church and state could engage with each other while remaining separate His insights though specific to his time and place remain highly relevant to Christians involved in the political sphere today This new translation of Our Program created in partnership with

the Kuyper Translation Society and the Acton Institute is part of a major series of new translations of Kuyper's most important writings. The Abraham Kuyper Collected Works in Public Theology marks a historic moment in Kuyper studies aimed at deepening and enriching the church's development of public theology. *The Politics of Faith* Jerry L. Sumney, 2020-09-01. *The Politics of Faith* addresses key biblical texts and their intersection with questions of good government, social policy, and societal leadership. It speaks to Christians and others who seek to ponder and discuss the role of faith and Bible in their decisions about civic politics and faithful citizenship. This book aims to enable readers to see more clearly that the Bible does speak about the kinds of economic and social policies a nation should adopt. It will empower them to claim the message of Scripture in favor of policies that promote the good of those who are disadvantaged and the good of the community. It will help them make the argument that the Bible calls for laws and policies that expect the wealthy to contribute to the good of all, including policies and laws that are not always to their personal financial advantage. The author explores ways the Old Testament shows God's concern for social structures, the ideal early church community in Acts, and how the Gospel of Matthew shows concern for social structures in the ministry of Jesus. The final section looks at the writings of Paul, showing how they demand certain kinds of political commitments. This book will help readers talk about how a deeper understanding of Scripture can affect how one votes and the kinds of policies one supports. Each chapter ends with a set of questions for discussion that both review what is in the chapter and provoke discussion about faithful action. *Christian Political Witness* George Kalantzis, Gregory W. Lee, 2014-02-28. George Kalantzis and Gregory W. Lee edit twelve essays that explore the topic of Christian political witness, originally presented at the 2013 Wheaton Theology Conference. Contributors include Stanley Hauerwas, Mark Noll, William Cavanaugh, Peter Leithart, and Scot McKnight. *The Bible in Politics* Richard Bauckham, 2011. This second edition of Bauckham's wonderful work is essential reading for understanding the relationship between the Bible and politics. The enduring value of *The Bible in Politics* is that it teaches the reader how to read the Bible politically and to gain an understanding of the social relevance of the Bible that is more disciplined, more informed, more imaginative, and more politically fruitful than many interpreters past and present have achieved. **Kenotic Politics** Mark E. Moore, 2015.
