The Handbook for Companioning the Mourner Alan D Wolfelt, 2009-04-01 Partly a counseling model and partly an explanation of true empathy this handbook explores the ways companionship eases grief For caretakers who work with grieving people or for friends and family just hoping to stay close 11 tenets are outlined for mourner led care These simple rules call for understanding another person s pain listening with the heart rather than the head not filling up every minute with words respecting confusion and disorder and relying on curiosity rather than expertise Companioning the Bereaved Alan D Wolfelt, 2005-03-01 Renowned author and educator Alan Wolfelt redefines the role of the grief counselor in this guide for caregivers His new model for companioning the bereaved gives a viable alternative to the limitations of the medical establishment encouraging counselors and other caregivers to aspire to a more compassionate philosophy This approach argues that grief need no longer be defined diagnosed and treated as an illness but rather should be an acknowledgement of an event that forever changes a person s worldview Through careful listening and observation the caregiver learns to support mourners and help them help themselves heal *Companioning You!* Alan D. Wolfelt, 2022-03 Based on Dr Wolfelt s unique and highly regarded philosophy of companioning versus treating mourners this self care guide for professional and lay grief caregivers emphasizes the importance of taking good care of oneself as a precursor to taking good care of others Bereavement care is draining work and remaining empathetic to the painful struggles of mourners death and dying day in and day out makes caregivers highly susceptible to burnout This book demonstrates how caring for oneself first allows one to be a more effective caregiver to others Through the advice suggestions and practices directed specifically to caregiving situations and needs caregivers will learn not to lose sight of caring for themselves as they care for others *Basic Counselling Skills* Richard Nelson-Jones, 2003 A Counseling Skills Primer Nina Spadaro, Tiffany Candyce Rush-Wilson, Rives Whittle Thornton, 2024 Techniques of Grief Therapy Robert A.
