**The War Injured Child** Ghassan Soleiman Abu-Sittah, Jamal J. Hoballah, 2023-05-29 Around 1 in 6 of the world's children live in a conflict zone and of these 357 million children 165 million are affected by high intensity conflicts Pediatric war injuries pose a huge challenge to health professionals treating such patients The evidence base on the quality and scale of this challenge is scarce and the majority of clinicians treating these patients are either not sufficiently experienced in the treatment of war injuries or both The majority of the evidence in the literature comes from a small subset of children who were managed in well resourced military facilities that differ drastically from the conditions in which the majority of war wounded children are treated This book the first of its kind is a comprehensive and state of the art guide for both local and humanitarian non pediatric specialists who are often forced to operate on and treat children with war injuries with little or no previous experience or training It provides healthcare workers in conflict settings with knowledge and practical advice on the entire continuum of care from point of injury to treatment and reconstruction to rehabilitation and mental health support It is comprised of concise yet comprehensive overviews of the current status of the pediatric war casualty patient treatment and will help guide patient management based on evidence from the literature clinical and surgical experience and ongoing research and will stimulate investigative efforts in this dynamic and active field of war medicine The book draws on the knowledge and long experience of clinicians at the American University of Beirut Medical Center one of the largest tertiary care and referral centers in the Middle East which has been the foremost civilian academic hospital treating war injuries both adult and pediatric initially from the Lebanese war and then the Iraqi and Syrian wars

Eyes of the World Marc Aronson, Marina Budhos, 2024-03-26 A multilayered biography of two Jewish photographers who helped bring about modern photojournalism during the Spanish Civil War Robert Capa and Gerda Taro were young Jewish refugees idealistic and in love As photographers they set off to capture their generation's most important struggle the fight against Fascism Among the first to depict modern warfare Capa and Taro took powerful photographs of the Spanish Civil War that went straight from the devastation to news magazines In so doing they helped give birth to the idea of bearing witness through technology to bring home tragedies from across the world Packed with dramatic photos posters and maps this compelling book captures the fascinating story of how photojournalism began This thoroughly researched and documented book can be worked into multiple aspects of the common core curriculum Praise for Eyes of the World A fascinating look at the evolution of photojournalism Readers not only get a strong sense of who these photographers were as people they will understand what made their pictures so special Thoroughly researched and cited the text offers a unique perspective Booklist starred review

**The Decisive Network** Nadya Bair, 2020-07-07 Since its founding in 1947 the legendary Magnum Photos agency has been telling its own story about photographers who were witnesses to history and artists on the hunt for decisive moments Based on unprecedented archival research The Decisive Network unravels Magnum

s mythologies to offer a new history of what it meant to shoot edit and sell news images after World War II Nadya Bair shows that between the 1940s and 1960s Magnum expanded the human interest story to global dimensions while bringing the aesthetic of news pictures into new markets Working with a vast range of editorial and corporate clients Magnum made photojournalism integral to postwar visual culture But its photographers could not have done this alone By unpacking the collaborative nature of photojournalism this book shows how picture editors sales agents spouses and publishers helped Magnum photographers succeed in their assignments and achieve fame Bair concludes in the late 1960s and early 1970s when changing market conditions led Magnum to consolidate its brand In that moment Magnum s photojournalists became artists and their assignments oeuvres Bridging art history media studies cultural history and the history of communication The Decisive Network transforms our understanding of the photographic profession and the global circulation of images in the predigital world

**War and Photography** Caroline Brothers,2013-03-07 Drawing on the work of Barthes Eco Foucault Baudrillard Burgin and Tagg and on the historians of mentalities War and Photography presents a theoretical approach to the understanding of press photography in its historical and contemporary context Brothers applies her argument with special reference to French and British newspaper images of the Spanish Civil War a selection of which is presented in the book Rejecting analyses based upon the content of the images alone she argues that photographic meaning is largely predetermined by its institutional and cultural context Acting as witnesses despite themselves photographs convey a wealth of information not about any objective reality but about the collective attitudes and beliefs particular to the culture in which they operate

**Humanitarianism and Media** Johannes Paulmann,2018-12-17 From Christian missionary publications to the media strategies employed by today s NGOs this interdisciplinary collection

explores the entangled histories of humanitarianism and media It traces the emergence of humanitarian imagery in the West and investigates how the meanings of suffering and aid have been constructed in a period of evolving mass communication demonstrating the extent to which many seemingly new phenomena in fact have long historical legacies Ultimately the critical histories collected here help to challenge existing asymmetries and help those who advocate a new cosmopolitan consciousness recognizing the dignity and rights of others

The Uplift War David Brin, 2021-05-25 Hostile aliens take an Earth colony hostage in this New York Times bestselling hard science fiction adventure by the author of *Startide Rising* Although they were uplifted and given full sapience the Bururalli clearly weren't ready to run a planet almost wrecking Garth As a salvage world it was given to despised Earthlings assigned to reclaim it from the brink Many senior Galactics leaders of the Five Galaxies hoped humanity would fail But now Garth is peacefully surging back tended by human and neo chimpanzee colonists Meanwhile enemies desperately seek some way to coerce Earthclan looking for a possible answer to the secret of the Progenitors One of them the Gubru avian race prepares to invade and hold hostage defenseless Garth With Earth itself under attack by other militant forces no relief is coming for the embattled colonists If they are to survive they have no choice but to band together improvise and learn the tactics of guerilla warfare This ebook features a new introduction by the author Winner of the Hugo Award An exhilarating read that encompasses everything from breathless action to finely drawn moments of quiet intimacy There is no way we can avoid coming back as many times as Brin wants us to until his story is done Locus Shares all the properties that made *Startide* such a joy The plot fizzes along and there are the wonders of the Galactic civilizations which have all the invention and excitement that SF used to have Asimov's Science Fiction The Uplift books are as compulsive reading as anything ever published in the genre The Encyclopedia of Science Fiction

**Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included

Magnum Russell Miller, 2010-08-03 This book is a biography of Magnum told largely in the words of its photographers It offers a unique perspective on half a century of world history from an extraordinary group of men and women who were front line witnesses at virtually every major event in the last fifty years Wars famines natural disasters social political and environmental crises Magnum photographers were there They have been acute observers of the human condition photographing the richest people in the world the poorest the least known and the most celebrated from

Marilyn Monroe to Che Guevara JFK to Nelson Mandela Picasso to Krushchev This is a multi layered story At one level it tells how a small group of photographers among them Robert Capa Henri Cartier Bresson and George Rodger came together established and nurtured a co operative photographic agency that has survived against all the odds to become the most famous in the world At a secondary level it is the richly anecdotal story of the photographers themselves their adventures around the world and their feelings about and reactions to their assignments **12 at War** Robert E. Hood,1967 **LIFE**,1956-12-17 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use *Gendered Tropes in War Photography* Marta Zarzycka,2016-09-13 Photographic stills of women appearing in both press coverage and relief campaigns have long been central to the documentation of war and civil conflict Images of non Western women in particular regularly function as symbols of the misery and hopelessness of the oppressed Featured on the front pages of newspapers and in NGO reports they inform public understandings of war and peace victims and perpetrators but within a discourse that often obscures social and political subjectivities Uniquely this book deconstructs in a systematic gender sensitive way the repetitive circulation of certain images of war conflict and state violence in order to scrutinize the role of photographic tropes in the globalized visual sphere Zarzycka builds on feminist theories of representations of war to explore how the concepts of femininity and war secure each other s intelligibility in photographic practices This book examines the complex connections between photographic tropes and the individuals and communities they represent in order to rethink the medium of photography as a discursive and political practice This book interrogates both the structure and transmission of contemporary encounters with war violence and conflict It will appeal to advanced students and scholars of gender studies visual studies media studies photography theory cultural anthropology cultural studies and trauma and memory studies

Humanitarian Photography Heide Fehrenbach,Davide Rodogno,2015-02-23 For well over a century humanitarians and their organizations have used photographic imagery and the latest media technologies to raise public awareness and funds to alleviate human suffering This volume examines the historical evolution of what we today call humanitarian photography the mobilization of photography in the service of humanitarian initiatives across state boundaries and asks how we can account for the shift from the fitful and debated use of photography for humanitarian purposes in the late nineteenth century to our current situation in which photographers market themselves as humanitarian photographers This book investigates how humanitarian photography emerged and how it operated in diverse political institutional and social contexts bringing together more than a dozen scholars working on the history of humanitarianism international organizations and nongovernmental organizations and visual culture in Africa Asia the Middle East Europe and the United States
