Will Smith has achieved a level of Hollywood fame rarely attained by a Black celebrity Early in his career Smith aspired to be the world s most famous movie star and being named the world s top film attraction in 2008 fulfilled his goal While his rise to a place of worldwide prominence and cultural relevance has made him iconic his accomplishments have not received the full and thorough acknowledgement and analysis they merit This is the first full length critical look at the significance of Will Smith s achievements over a more than 30 year career Many of his films have broken cultural norms by depicting Black men in groundbreaking social settings like the role of the world saving hero in his most popular films In addition to analyzing Smith s filmography this work contextualizes other popular and common portrayals of Black men in media and society Finally this book examines Smith s work in his middle age ruminating on his ability to adapt to the realities of a new Hollywood

Wild West China Christian Tyler,2004 Known by the Chinese as a barbarian land its rich past conjures up sand buried cities and painted caves while its present is punctuated by violence and warfare And now it is returning to the light The picture it presents is both fascinating and disturbing The Uighurs still farm the tranquil oases that ring the dreaded Taklamakan the world s second largest sand desert and the Kazakh and Kirghiz herdsman still roam the mountains The region s history however has been punctuated by violence usually provoked by ambitious outsiders nomad chieftains from the north Muslim emirs from Central Asia Russian generals or warlords from inner China Only in the 1760s did the Chinese subdue the region and even then their rule was repeatedly broken China s colonization of Xinjiang has been late and difficult The Communists have done most to develop it as a penal colony as a buffer against invasion and as a supplier of raw materials and living space for an overpopulated country But what China sees as its property the Uighurs regards as theft by an alien occupier Tension has led to violence and savage reprisals
