Basic Written Chinese Cornelius C. Kubler, 2012-03-09 This is a beginning level course in written Chinese that employs a revolutionary new method designed to have you quickly reading and writing simple connected Chinese sentences Along with its sister book Basic Spoken Chinese and their accompanying workbooks Basic Written Chinese offers a complete introductory course to the written Chinese language As a native English speaker working hard to learn Chinese characters is not enough you have to work smart in order to learn this very different language efficiently No matter why you've chosen to learn Chinese for business travel cultural studies or another goal the Basic Chinese approach of two separate but integrated tracks in spoken and written Chinese will help you learn this language most efficiently and successfully Basic Written Chinese is designed so it can be used in a class with an instructor or by independent learners working on their own Basic

Written Chinese systematically introduces 288 of the highest frequency characters in both their simplified and traditional forms and over 700 common words written with them in context in sentences and a variety of reading passages to help you master basic Chinese reading and writing. This method will greatly improve your abilities to read Chinese and write Chinese. The structure of each new character is explained in detail to make the learning of characters easier and look alike characters are compared and contrasted. Many lessons include character differentiation drills and some lessons include realia such as name cards, street signs, or email messages. Each lesson introduces 6 new characters and a number of words that are written using them. By dividing the learning into small tasks, you maintain a sense of accomplishment rather than getting bogged down. You'll experience both printed and handwritten forms of characters as well as several different printed fonts. The downloadable audio features over 6 hours of audio by several native Mandarin speakers. Recordings of all reading selections. Recordings of all new characters and new vocabulary. Available separately. **Basic Written Chinese Practice Essentials** is the companion workbook for **Basic Written Chinese**. This practical guide includes a broad range of drills and exercises designed to dramatically enhance your proficiency in reading and writing Chinese. While designed for use with the companion textbook, it can be used together with any Chinese textbook or teaching program to hone your Chinese reading and writing language skills. *Encounters II [text + Workbook]* Jennifer Li-chia Liu, 2010-02-05. The first 10 lessons appear in the companion set *Encounters I*. [Learning Mandarin Chinese Characters Volume 1](#) Yi Ren, 2017-02-28. Reinforce your written Chinese with this practice book for the best-selling Tuttle *Learning Chinese Characters*. *Learning Mandarin Chinese Characters* helps students quickly learn the essential Chinese characters that are fundamental to the language. This character workbook presents 178 Chinese characters and over 534 standard words using these characters. It is intended for self-study and classroom use and includes the characters and words students need to know if they plan to take the official Chinese government HSK Level 1 Exam or the Advanced Placement AP Chinese Language and Culture Exam. Each character is presented plainly and transparently. A step-by-step diagram shows how to write the character and boxes are provided for freehand writing practice. The meaning and pronunciation are given along with the critical vocabulary compounds and an example sentence. Review exercises reinforce the learning process and an index at the back allows you to look up the characters according to their English meanings or romanized Hanyu Pinyin pronunciation. Key features of this Chinese workbook include: Designed for HSK Level 1 and AP exam prep. Learn the 178 most essential Chinese characters. Example sentences and over 534 vocabulary items. Step-by-step writing diagrams and practice boxes. **Yufa! A Practical Guide to Mandarin Chinese Grammar** Wen-Hua Teng, 2013-11-26.
