The Book Amaranth Borsuk, 2018-05-04 The book as object as content as idea as interface What is the book in a digital age Is it a physical object containing pages encased in covers Is it a portable device that gives us access to entire libraries The codex the book as bound paper sheets emerged around 150 CE It was preceded by clay tablets and papyrus scrolls Are those books In this volume in the MIT Press Essential Knowledge series Amaranth Borsuk considers the history of the book the future of the book and the idea of the book Tracing the interrelationship of form and content in the book's development she bridges book history book arts and electronic literature to expand our definition of an object we thought we knew intimately Contrary to the many reports of its death which has been blamed at various times on newspapers television and e readers the book is alive Despite nostalgic paeans to the codex and its printed pages Borsuk reminds us the term book commonly refers to both medium and content And the medium has proved to be malleable Rather than pinning our notion of the book to a single form Borsuk argues we should remember its long history of transformation Considering the book as object content idea and interface she shows that the physical form of the book has always been the site of experimentation and play Rather than creating a false dichotomy between print and digital media we should appreciate their continuities

not reflect the reality of the situation we are in and that believing does not necessarily mean that that faith will come to grave together with you and an answer to the following question is looked for We wonder what are the characteristics of a faith that will give us happiness in the eternal life with 99% certainty We would like you to accompany us in this imaginary and mental journey of discovery There is only one fixed price for a ticket of the Journey A strong sense of wonder in the search for truth This work is a part of our basic source book called A Journey of Discovery for an Extraordinary Treasure Risale i Nur The Treatise of Light Training Program upon which our Journeys of Discovery Risale i Nur Training Program is constructed and it is The Solution for Death which is the fourth discovery of the five discovery dealt with in the first main part of that book which is called Discovering the Value of the Treasure of Faith We strongly suggest and present this book to those who regularly read Risale i Nur as well as to those who want to get some information for the first time The epilogue of our book which is entitled Your Journey Just Begins Now is also included in this work as it contains emotional striking and impressive points coming sincerely from the deepest parts of our hearts about the reading of Risale i Nur and attendance to the Risale i Nur Lectures BOOK INDEX Looking at Death and Life Under a Different Kind of Light Introductory Text The Gallows and the Lottery Office From 11th Ray The Treatise of Fruits Being Sentenced to Death The Difference that A Muslim Makes The Second Station of the Thirteenth Word How Do We Deceive Ourselves The Concept of Saving the Faith A Journey of Discovery for an Extraordinary Treasure Ediz SÖZÜER,2019-09-06 Important Information and Presentation Our book is free The whole book can be read in Free Sample section It is not necessary to give your credit card information You can download our book in word or pdf format from the following web addresses goo.gl/hNIUou or yadi.sk/d/09r41tL9ecYUA You can download the text of our book and its visual interactive versions from the folder of Basic Resource Book in English Books and Risale i Nur Training Program Presentations English Books Risale i Nur Training Program section in this address Besides you can view or download the files of all of our books and videos texts and PowerPoint presentations of our seminars altogether or one by one from these storage spaces where all of our work on Risale i Nur Treatise of Light are uploaded In Google Books and Google Play it is not possible to open and view the links and videos just by clicking them We suggest that you download the Pdf files from the address we provide before or from Google Books and read them Our Website for Journeys of Discovery Risale i Nur Treatise of Light Training Program <http://www.kesifyolculuklari.com> <http://www.risaleinuregitimprogrami.com> Alternative Website <http://www.risaleinuregitimprogramidotcom.wordpress.com> Web address of our YouTube Video Channel <http://www.youtube.com/c/EdizSözler> BOOK PRESENTATION A Journey of Discovery for an Extraordinary Treasure Risale i Nur The Treatise of Light Training Program Text Version Basic Resource and Academic Course Curriculum An Imaginary and Mental Journey of Discovery You are Invited to the Adventure Discovering the high truths about the humanity life universe and religion Advancing along the way of progress for mind soul and heart Making sense of the world in which we exist Obtaining an awareness that is more amazing than ever before Understanding the working mechanisms of the divine

difficult and tedious effort sometimes it was taking 3 5 hour to complete 1 2 pages of explanatory notes We were spending an equal amount of time for footnotes and the glossary of concepts But the feeling of joy happiness and spiritual satisfaction were exceedingly worth this effort At this stage we realized and felt the reason behind Bedi zzaman s saying I am also a student of Risale i Nur I am your classmate in learning the Teachings of Quran I am also in need of Risale i Nur And we understood that he was not trying to be humble while saying this Although we had an humble purpose of conducting to a higher level of our comprehension than the reader could get on his or her own we achieved better results than our expectations All praise is due to Allah so we praise him In deed our share is only that of praising Now if you look at our personality you may not see much value This is normal because neither could we see any What we see is just this our weakness in our distressed search our needs our sincere wishes and our actual prayers prayers supported with actions As a requirement of being a human we wanted to share what we had found and felt with those who had the same needs and who were in the same search This is what we mean when we say that we are not like a teacher who makes you sit before her and starts teaching you Maybe rather we are like a guest who himself is entreated a dining table as he is as hungry and needy as everybody and he is sincerely inviting you to this dining table Or maybe we are like a curious kid who has found the key of a magnificent and inexhaustible treasure and who wants to inform others of its existence and share it with them
